## **Sustaining Language Diversity In Europe:**

**Sustaining Language Diversity in Europe** G. Williams, 2005-11-10 Adopting a post structuralist approach in analyzing the Euromosaic data about European minority language groups Glyn Williams argues that different states construct minority language groups and speakers in different ways This leads to an argument about the nature of democracy and how the current changes in governmental discourses accommodate linguistic and cultural diversity [Sustaining Linguistic Diversity](#)

Kendall A. King, Natalie Schilling, Lyn Wright Fogle, Jia Jackie Lou, Barbara Soukup, 2008-03-06 In the last three decades the field of endangered and minority languages has evolved rapidly moving from the initial dire warnings of linguists to a swift increase in the number of organizations funding programs and community based efforts dedicated to documentation maintenance and revitalization Sustaining Linguistic Diversity brings together cutting edge theoretical and empirical work from leading researchers and practitioners in the field Together these contributions provide a state of the art overview of current work in defining documenting and developing the world s smaller languages and language varieties The book begins by grappling with how we define endangerment how languages and language varieties are best classified what the implications of such classifications are and who should have the final say in making them The contributors then turn to the documentation and description of endangered languages and focus on best practices methods and goals in documentation and on current field reports from around the globe The latter part of the book analyzes current practices in developing endangered languages and dialects and particular language revitalization efforts and outcomes in specific locations Concluding with critical calls from leading researchers in the field to consider the human lives at stake Sustaining Linguistic Diversity reminds scholars researchers practitioners and educators that linguistic diversity can only be sustained in a world where diversity in all its forms is valued

*The Politics of Language Oppression in Tibet* Gerald Roche, 2024-11-15 In *The Politics of Language Oppression in Tibet* Gerald Roche sheds light on a global crisis of linguistic diversity that will see at least half of the world s languages disappear this century Roche explores the erosion of linguistic diversity through a study of a community on the northeastern Tibetan Plateau in the People s Republic of China Manegacha is but one of the sixty minority languages in Tibet and is spoken by about 8 000 people who are otherwise mostly indistinguishable from the Tibetan communities surrounding them Recently many in these communities have switched to speaking Tibetan and Manegacha faces an uncertain future The author uses the Manegacha case to show how linguistic diversity across Tibet is collapsing under assimilatory state policies He looks at how global advocacy networks inadequately acknowledge this issue highlighting the complex politics of language in an inter connected world *The Politics of Language Oppression in Tibet* broadens our understanding of Tibet and China the crisis of global linguistic diversity and the radical

changes needed to address this crisis French Language Policies and the Revitalisation of Regional Languages in the 21st Century Michelle A. Harrison, Aurélie Joubert, 2018-11-11 This edited volume presents an analysis of the evolution of French language policies and their impact on French regional languages and their communities. It gathers studies on language revitalisation from several territorial minority languages: Breton, Alsatian, Catalan, Occitan, Basque, Corsican, Franco-Provençal, Picard, Reunionese, and evaluates the challenges and opportunities that they face in the 21st century. The chapters tackle different aspects of language endangerment and language planning and adopt varied theoretical and methodological approaches. The first section of the book reconsiders the difficulties in establishing linguistic boundaries and classification for some regional languages. The second section examines the important theme of the new generation of speakers with issues of transmission and identity formation and the changes they can bring to traditional communities. The third section highlights new developments in the context of new technologies and the heightened visibility of regional languages. Finally, the last section presents an overview of the contemporary situation of minority language revitalisation in France and synthesises the key trends identified in this volume from the educational domain to the European Charter for Minority and Regional Languages. This book will appeal to students and scholars of the sociology of language, sociolinguistics, language policy, minority languages, and language endangerment.

**Welsh in the Twenty-First Century** Delyth Morris, 2010-06-17 This book analyzes the state of the Welsh language at the beginning of the twenty-first century with contributions from leading scholars in the fields of sociology and language policy. The intention is to update our current understanding of Welsh as a living language, how its use, learning, understanding, teaching, evolution, and promulgation are developing in the brave new world of the twenty-first century where Welsh is spreading to the internet, electronic dictionaries, and encyclopaedias.

**Linguistic Justice** Jacqueline Mowbray, 2012-10-25 An investigation into international law and language policy, this book uses critical analysis to conduct an examination of the aspects of international law which affect language use. It uncovers the conceptual framework which underpins international law on language, addressing the constitution of a just language policy from a legal perspective.

Revitalizing Minority Languages Michael Hornsby, 2015-10-05 New speakers are an increasingly important aspect of the revitalization of minority languages since in some cases they can make up the majority of the language community in question. This volume examines this phenomenon from the viewpoint of three minority languages: Breton, Yiddish, and Lemko.
