Desperately Seeking Suzanna Elizabeth Michels, 2014-03-04 Historical romance devotees will enjoy Michels's adoring use of some of the classic tropes of the genre: the spare heir, the wrong brother as hero, the heroine in men's clothing but what makes the book so enjoyable is the way Michels makes the familiar fresh. SARAH MACLEAN The Washington Post for *The Infamous Heir* A Cinderella Moment Sue Green just wanted one night to be the pretty one. But a few glasses of champagne and one wild disguise later she's in some serious trouble. Who knew the devastatingly handsome face of Lord Holden Ellis would get in the way of her foot? And how exactly did all that high kick dancing start in the first place? At least she blamed it on her new persona Suzanna, so Society's most eligible bachelor will never find out the truth. A Hero on a Mission All Holden wants is the truth. Who was that vixen who seduced him so thoroughly then disappeared? The only one who seems to have any answers about Suzanna is Miss Sue Green. She's promised to help him find his mystery woman but she's not being all that helpful. And the more time Holden spends with Sue, witty, pretty, and disarmingly honest, the more he realizes he may have found exactly what he's been looking for all along. Praise for Elizabeth Michels: Rich with wit and charm Publishers Weekly on *How to Lose a Lord in 10 Days or Less* Michels' fresh and funny debut will delight readers with its endearing characters and infectious mix of sweet yet sexy romance and realistic yet wry wit Booklist Online **STARRED** on *Must Love Dukes*

Suzanna's Surrender Nora Roberts, 2020-09-15 A woman's search for her family's birthright leads her to a man she never expected to see again in *Suzanna's Surrender*, a novel of The Calhoun Women from 1, New York Times bestselling author Nora Roberts. A legend and a mystery, the Calhoun Emeralds vanished from the Towers, a mansion on the shores of Maine long ago. Suzanna Calhoun has taken it upon herself to find them, only to discover Holt Bradford along the way. The last time they crossed paths was in high school. Now she's a single mother protecting her family and he's an exhausted ex-cop who's turned his back on the world. But Holt is also the link to the Calhouns' missing fortune, and when he agrees to help her, Suzanna realizes something even deeper and more passionate draws them together. **Thirst** Elizabeth Cain, 2015-09-10 A young black Tanzanian Askari searches for the father he's never known. His mother Iyeala has kept the man's name from him. Her own father abandoned her on the rim of the Ngorongoro Crater when she was only a year old. Askari's wife British teen Suzanna Farley has recently learned the man who raised her is not her biological parent, the man who killed her father before she was born is the father of a childhood friend Safina, with whom she has begun a dangerous affair. The absence of fathers has led these characters into an emotional tangle fueled by secrecy and madness. Ultimately a gruesome murder forces them to grapple with inescapable truths. As they thirst for answers, the found journal of one deceased father offers wisdom: a revealed father goes against everything he believes in to smooth rough waters for his children; a reconciled father pleads ignorance in the case of shocking abuse perpetrated on his daughter; and a leopard father brings his son to the only safe place he knows, a compound where the troubled humans reside. Healing comes in slow and surprising steps for the hearts

that need it most in this often lonely and unforgiving Africa This is a wonderful story I appreciate the way its complexity unfolds and its core themes of the many aspects of love forgiveness compassion and non judgment play out The characters are well drawn and credible and the descriptions so rich I feel like I ve watched it as a film A great read C Starkes
