wrote extensively about his techniques but many of those ideas do not make it themselves into the Suzuki Violin School Volume Four of Suzuki Violin School is the beginning of intermediate study and introduces new techniques such as shifting positioning and vibrato Of all the volumes in the Suzuki Violin School it is the most problematic because the difficulty increases substantially over that of Volume Three both in the pieces and in the techniques introduced This document addresses this problem and gives a plan for overcoming these difficulties As such it will be beneficial for the teacher and student who use the Suzuki Method
