Tuesday Mornings with the Dads Dads Group, The Dads Group, 2009-08 Tuesday mornings with the dads tells the stories of fourteen men who share the same thing in common they've all lost children in one way or another It's about how these children lived how they blessed their families and their communities And more than anything it's about how their fathers have had to continue to live after their deaths Foreword by Tony Dungy **"Dearest Angel ..."** William Zimmerman, 2010-07-14 After suffering the traumatic loss of his child to abortion the day before his twenty fifth birthday in 1999 William found himself in a mental and emotional whirlwind of despair and regret of depression and guilt Nothing could prepare him for the devastating experience of losing a child and the emotions he would encounter in the aftermath The many thoughts and emotions that he experienced after the abortion were becoming far too much for his mind to contain Eighteen months after the abortion he began writing letters to the child he lost as a desperate cry for help Realizing the purpose behind the pain William battled every emotional demon imaginable to document his journey He knew he wasn't alone in his grief He wanted others who have suffered from the loss of their children to abortion to know that they too were not alone He worked on this journey over the course of ten years He has seen the depths of an emotional hell in which he questioned his own will to live Dearest Angel is the document of his journey a journey of regret and repair of grief and gratitude and of hurt and healing *In Search of Fatherhood- Transcending Boundaries* Diane A.
