Swallowing Clouds:

Swallowing Clouds A. Zee, 1990 A Zee invites us to a veritable Chinese banquet full of charming explorations of food language and culture Beginning with simple dishes from a typical restaurant menu Zee launches into an engrossing voyage of discoveries about Chinese language and cuisine With folklore and anecdotes he uncovers the roots of Chinese characters in ancient pictographs giving an absorbing and effortless introduction to written Chinese He also weaves in tradition and philosophy to tell such stories as why mao tai liquor still comes tied with two red ribbons why the god of wealth does not eat pork why no monkey may be the central tenet of Taoism why a fine wine could make one sleep the sleep of the truly inebriated and why eating wonton is like swallowing clouds Zee's conversational wit and playful humor highlight Chinese civilization against a backdrop of two millennia of legend and history Full of entertaining tales and intriguing insights Swallowing clouds is an engaging and informative adventure through the captivating world of Chinese culture and cuisine

Front flap of dust jacket **Swallowing Clouds** Lillian Ng, 1997 A novel about the exploration of sexual passion through the eyes of a young Chinese girl living in Sydney **Swallowing Clouds** Ng Lillian, The Social Life of Opium in China

Zheng Yangwen, 2005-09-08 In a remarkable and broad ranging narrative Yangwen Zheng's book explores the history of opium consumption in China from 1483 to the late twentieth century The story begins in the mid Ming dynasty when opium was sent as a gift by vassal states and used as an aphrodisiac in court Over time the Chinese people from different classes and regions began to use it for recreational purposes so beginning a complex culture of opium consumption The book traces this transformation over a period of five hundred years asking who introduced opium to China how it spread across all sections of society embraced by rich and poor alike as a culture and an institution The book which is accompanied by a fascinating collection of illustrations will appeal to students and scholars of history anthropology sociology political science economics and all those with an interest in China The West Will Swallow You Leath Tonino, 2019-10-24 At eighteen Vermont native Leath Tonino ventured west to attend college in Colorado Upon hearing his destination many of Tonino's friends and family predicted that he'd never come back he'd make the land of endless space and sky its ranges and their storms his home The West will swallow you one said in a tone that felt like part warning and part prophecy More than a decade later Tonino continues to call Vermont his home But despite his love of New England and his admiration for writers who sing the praises of their native ground he concedes that he is as Gary Snyder once phrased it promiscuous with landscapes Tonino has spent the intervening years since college traversing the alphabet of the American West from AZ to CA to UT to WY and writing about its mysterious and powerful beauty The resulting musings are collected in The West Will Swallow You the title of which is a nod to the words that stayed with him and that in many ways turned out to be true Although the adventures gathered here range widely in terrain and tone the western landscape is always front and center focusing on Arizona's remote Kaibab Plateau where Tonino worked as a biologist studying raptor communities in San

Things That Must Not Be Forgotten Michael David Kwan, 2012-02-21 Winner of the Kiriyama Pacific Rim Book Prize *Things That Must Not Be Forgotten* is a beautifully written collection of Michael David Kwans childhood experiences in China during the 1930s and 1940s Born into privilege David saw his pampered life disintegrate as the Japanese overran China His father the wealthy administrator for Chinas railroads took a position in the pro Japanese government to work covertly for the Chinese resistance In Beijing the Kwan household became a gathering place for resistance members At their summer villa in Beidaihe the family surreptitiously aided the guerillas in the nearby mountains In Qingdao the Kwans lived next door to a Japanese admiral and his wife From a tree house overlooking their garden young David enjoyed listening to the music they played while his father worked secretly for the resistance Davids other memories for example cricket hunting with his fathers tenant farmer performing rituals as an altar boy being tormented in school gardening with the owner of an antique shop and participating in Boy Scouts provide fascinating insights into life in China

during those turbulent times In August 1945 the United States dropped atomic bombs on Hiroshima and Nagasaki Within days Japan surrendered Chiang Kai sheks regime replaced the Japanese puppet government in Nanking Chiang declared that all who had links to the defunct government would be considered traitors until proven otherwise Davids father was imprisoned During the Japanese occupation Chiangs Kuomintang and Mao Zedongs Communists had been united against the invaders but once Japan was defeated China moved toward chaos as the two factions vied for power At age twelve David was sent to live with relatives in Shanghai before being spirited out of the country not knowing if hed ever see his family again Things That Must Not Be Forgotten will stay in readers hearts and minds long after theyve turned the final wrenching page

Multiculturalism and Integration Vera Regan, Isabelle Lemée, Maeve Conrick, 2011-02-19 Multiculturalism and Integration provides new insights into the important issues of diversity reasonable accommodation and identity construction in multicultural societies by examining the experiences of Canada and Ireland While these two societies share many historical and cultural links their differences help reveal the range of possible approaches to these important issues Multicultural and multilingual diversity in contemporary Ireland are fairly recent phenomena whereas Canada s policies and practices addressing cultural and linguistic diversity are several decades old This basic difference has influenced their laws language policies education systems cultural creations and national identities as they have worked to accommodate multiculturalism The volume brings together an international group of scholars working in a variety of fields including politics law sociolinguistics literature philosophy and history Their interdisciplinary approach addresses the complex factors influencing integration and multiculturalism painting detailed and accurate portraits of these issues in Canada and Ireland

Exploring Suburbia Nathanael O'Reilly, 2012 Exploring Suburbia is the first book length study of suburbia in Australian literature it addresses a long neglected and underexamined area within Australian literature and analyzes novels by some of Australia's most important writers from a new perspective in addition to examining novels previously neglected by critics This book provides new insights and perspectives on fourteen Australian novels several of which are canonical works that have been analyzed extensively by other scholars This study will lead to a reassessment of the novels and authors under discussion and prompt further research into suburbia in Australian literature It demonstrates that that the authors who have explored suburbia since 1961 have already moved Australian literature in a new direction away from the traditional focus on the bush and the city demonstrating that the literal and theoretical space between the city and the bush contains the most interesting and important engagements with contemporary Australian culture Exploring Suburbia is an important addition for collections in literature It will also be an excellent textbook for professors teaching courses on space and culture in literature It will also of course be an essential read for courses in Australian and international literature
