**William Saroyan**

## Swan In Love:

**Between Men** Eve Kosofsky Sedgwick, 1992 At the time of its first appearance in 1985 *Between Men* was viewed as an important intervention into Feminist as well as Gay and Lesbian studies It was an important book because it argued that sexuality and desire were not a historical phenomenon but carefully managed social constructs This insight that actually originated with Michael Foucault is often viewed as anti humanist or post humanist because it argues that men and women are simply the products of patriarchal power relations over which they have no control By mobilizing Foucault's theories of the history of sexuality Sedgwick re fashions Feminism and Gay and Lesbian Studies to make it seem as though Feminism and Gay and Lesbian studies are ideally situated to continue those interventions into the history of sexuality begun by Foucault

**Why Don't You Love Me** Paul B. Rainey, 2023-01-24 Claire and Mark are in the doldrums of an unhappy marriage She doesn't get out of her bathrobe and chain smokes while slumped on the couch Mark has lost track of the days and can't get the kids to school on time They've lost interest in family and have pizza and Chinese food delivered every night Mark sleeps on the couch and has trouble remembering his son's name He feels like a fraud at work but somehow succeeds Claire stalks an ex boyfriend How could he have left her to this life Claire and Mark are both plagued by the idea that this is all a dream Didn't they have different lives When reports of an imminent nuclear war come on the radio the truth begins to dawn on them This is not the life they chose Why Don't You Love Me is a pitch black comedy about marriage alcoholism depression and mourning lost opportunities Paul B Rainey has created a hilariously terrifying alternate reality where confusion and pain might lead people to make bad choices but might also eventually lead to freedom maybe
