**SUNTINY: A Story of Body-Swapped Lovers** More FIIN, 2025-04-26 Sometimes even lovers can't fully understand each other. But if we could stand where they stand, see the world through their eyes and truly grasp the struggles they've endured, just to love us as they do today, that might be the answer that teaches us how to love with true understanding. SUNTINY is a continuation of the novel *Y Destiny* which was adapted into a TV series back in 2021. You can still catch the series on AIS Play or read the novel version across various platforms. This time SUNTINY follows the story of Sun, the Sunday-born whose fate takes a surprising turn. When love is blooming beautifully but the body stops keeping pace. After officially becoming a couple, Sun and Nuea's romance seemed to be smooth sailing until one day Sun's dragon started losing its strength. No longer able to physically express his love like before, Sun grew anxious that Nuea would eventually fall out of love. Desperate to fix it, Sun turned to a mystical Enchanted Soap from a spiritual shrine hoping for a miracle. But instead of solving the problem, it swapped their bodies. Now trapped in each other's skins, Sun and Nuea must navigate life from an entirely new perspective, facing hidden struggles, silent heartbreaks, and unspoken sacrifices they never truly understood about one another. Meanwhile, with the chaos unraveling, friends like Temp Kaeng Third and Toy scramble to uncover the truth behind the sudden shift. Will they manage to switch back? And even if they do, will their love survive everything they've come to know? SUNTINY: A chaotic body-swapping romance that will leave you blushing, laughing, and shedding bittersweet tears. *The Book Swap* Tessa Bickers, 2024-09-03 A love letter to books and reading. This debut is catnip for any book geek. I just loved it. Cesca Major, author of *Maybe Next Time*, a Reese's Book Club Pick. A story of second chances and new beginnings, this is a love letter to books and a love letter to life. Still reeling from a recent tragedy, Erin Connolly knows she needs to start living but has no idea how. When she accidentally donates her favorite book, a heavily annotated copy of *To Kill a Mockingbird* containing a memento she can't be without, to a local little community library, she's devastated. But then the book turns up a week later back in the library with fresh notes in the margins along with an invitation in a copy of *Great Expectations* to meet her newfound pen pal. A life-changing conversation written only in the margins of beloved classic books begins between Erin and her Mystery Man. Following each other through the pages of their favorite novels as the book exchange continues, they both begin to open up, falling into a friendship and maybe something more. But Erin and her pen pal have a shared history that neither of them has guessed. Faced with painful reminders of the past and the one person she swore never to forgive, Erin finds herself at a crossroads. One that could change her life forever. A book lovers dream.
