Sweet Charity The Role And Workings Of Voluntary Organisations:

Sweet Charity Chris Hanvey, Terry Philpot, 2002-09-09 This book focuses on the ever changing world of charities the skills needed to manage fundraise run a successful lobbying campaign or attract new work and the way in which UK charities will increasingly operate in a European environment

Sweet Charity Chris Hanvey, Terry Philpot, 2002-09-09 The world of UK charities has been transformed Gone are the days when charities gained the majority of their money from rattled tins Fundraising is a sophisticated art and charities often manage multi million pound contracts to provide services Those who manage such organizations are expected to adapt to an ever changing world Sweet Charity is about this changing world the skills needed to manage fundraise run a successful lobbying campaign or attract new work and the way in which UK charities will increasingly operate in a European environment Broadly divided into three parts this book firstly describes the size and scope of the voluntary sector how it operates and the ways in which changes to the welfare state have had a direct effect upon how charities operate The second part breaks down the constituent parts of charities looking in turn at the role of trustees managers and fundraisers financial staff and marketing experts Lastly the book deals with UK charities in a widening European context Sweet Charity will attract an extensive readership from trustees and managers of voluntary organizations to academics students and commentators on the voluntary sector

Caring and Coping Anthony Douglas, Terry Philpot, 2002-03-11 Caring and Coping provides a clear and accessible explanation of the history politics management funding and day to day work of the social services in Britain Social Care now encompasses a wide range of increasingly specialised professions Caring and Coping aims to improve the practitioner s and the general public s understanding not only of what these various professions do but also what the legal political ethical and financial constraints are upon them It succinctly addresses issues such as the terms and effects of the Children Act and the Community Care Act the role of charities in the modern welfare state the role of management relationships with other agencies and the place of social work within the community Social services are so often portrayed in the media in a sensationalist way and this book counterbalances the hype by providing solid research and a more down to earth picture It is an ideal introductory text for those training to be social workers

The Governance of Public and Non-profit Organisations Chris Cornforth, 2005 Essential reading for academics and students this work brings together analyses based upon some of the best empirical studies of public and non profit governance in the United Kingdom

Cause-Related Marketing Jenny Graff, 2003-03-11 Inhaltsangabe Abstract Cause related marketing CRM has become a widely discussed topic as well as an increasingly important marketing technique In this paper the subject is analysed not from the usual perspective of companies but from the charities point of view focusing on the example of British cancer charities The study shows that cause related marketing has developed in context of a changing business environment and growing customer demand Its relevance is highlighted with regard to consumer behaviour theories introducing CRM as an innovative and promising marketing tool From the fierce

competition in today's market place for charities and the changing attitude of donors emerges the need for new charity marketing techniques CRM is already widely used in the marketing of cancer related organisations as show various examples outlined in the text However the potential is not yet fully exploited and some substantial problems remain especially in terms of company cooperation and missing empirical data As a result of the investigation cancer charities are recommended to extend their CRM activities to prepare for the arising tasks internally and to communicate their programmes openly to the public Additionally extensive future research is suggested to gain more knowledge about the effects of cause related marketing This study comprises comprehensive material from secondary sources such as books articles and reports along with extensive Internet research Complementary an in depth interview provides insight into the work of Cancer Research UK The findings of this paper are of special interest for charities and companies alike as well as for marketing students and lecturers Inhaltsverzeichnis Table of Contents 1 Introduction5 1 1 Scope and Objectives of the Paper5 1 2 Structure of the Study6 2 Methodology7 2 1 Secondary Research7 2 2 Primary Research8 2 3 Case Study Approach8 PART I CAUSE RELATED MARKETING AS A MARKETING TOOL9 3 Background and Implications of Cause related Marketing10 3 1 The Rise of Corporate Social Responsibility10 3 2 The History and Development of Cause related Marketing12 3 3 The Definition of Cause related Marketing13 3 4 Different Types of CRM Activities14 3 4 1 Product Endorsement14 3 4 2 Non sales Orientated CRM14 3 4 3 CRM Advertising and Sponsorship14 3 4 4 CRM Community Partnerships14 4 Cause related Marketing and Consumer Behaviour15 4 1 Maslow's Hierarchy of Needs and the
