**Twelfth Night** William Shakespeare, 2001-04 I feel that I have spent half my career with one or another Pelican Shakespeare in my back pocket Convenience however is the least important aspect of the new Pelican Shakespeare series Here is an elegant and clear text for either the study or the rehearsal room notes where you need them and the distinguished scholarship of the general editors Stephen Orgel and A R Braunmuller who understand that these are plays for performance as well as great texts for contemplation Patrick Stewart The distinguished Pelican Shakespeare series which has sold more than four million copies is now completely revised and repackaged Each volume features Authoritative reliable texts High quality introductions and notes New more readable trade trim size An essay on the theatrical world of Shakespeare and essays on Shakespeare s life and the selection of texts *Sweet and Twenty* Floyd Dell, 2015-07-03 Sweet and Twenty is the product of American playwright Floyd Dell s heartache said to be caused by a lady named Margot Published in 1921 the one act comedy reflects the mismatched dynamic in the author s own relationship with his erstwhile love interest This work is a quick and entertaining read at 40 pages featuring a rather uncomplicated plot woman and man meet and like each other but that appears to be only the initial impression Upon realizing their mutual attraction for each other and the fact that both of them are single they become argumentative and combative towards one another After a series of comically ironic events they make a decision which determines whether they will or will not marry each other despite their seeming incompatibility The theme of this play which is one of his lesser known ones is quite a departure from his usual fixation on producing books that had topics revolving around his difficult growing up years However the witty repartee by the protagonists in the story and the romantic angles somewhat mirror the author s dealings with some of the many women in his life as well as his flamboyance and cheekiness But this literary creation cannot be accused as being full of froth It includes some compelling arguments and reflections on the institution of marriage although Dell s own view is of a more liberal nature As to the question about the reason behind the title and the conclusion of the story one needs to read through the end to find out About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses

**The Plays and Poems of William Shakspeare** William Shakespeare,1821 **Four Comedies** William Shakespeare,2009-08-26 The Taming of the Shrew Robust and bawdy The

Taming of the Shrew captivates audiences with outrageous humor as Katharina the shrew engages in a contest of wills and love with her bridegroom Petruchio in a comedy of unmatched theatrical brilliance filled with visual gags and witty repartee A Midsummer Night's Dream Fairy magic love spells and an enchanted wood turn the mismatched rivalries of four young lovers into a marvelous mix up of desire and enchantment all touched by Shakespeare's inimitable vision of the intriguing relationship between dreams and the waking world The Merchant of Venice This dark comedy of love and money contains one of the truly mythic figures in literature Shylock the Jewish moneylender The pound of flesh he demands as payment of Antonio's debt has become a universal metaphor for vengeance Here pathos and farce combine with moral complexity and romantic entanglements to display the extraordinary power and range of Shakespeare at his best Twelfth Night Set in a topsy turvy world like a holiday revel this comedy juxtaposes a romantic plot involving separated twins and mistaken identity with a more satiric one about the humiliation of a pompous killjoy The hilarity is touched with melancholy and the play ends not with laughter but with a clown's plaintive song Each Edition Includes Comprehensive explanatory notes Vivid introductions and the most up to date scholarship Clear modernized spelling and punctuation enabling contemporary readers to understand the Elizabethan English Completely updated detailed bibliographies and performance histories An interpretive essay on film adaptations of the play along with an extensive filmography

**The Complete Twelfth Night** Donald J. Richardson, 2013-12-19 Shakespeares Twelfth Night presents a character who is a literary descendant of Sir John Falstaff Sir Toby Belch Like Falstaff Sir Toby is bombastic mendacious and pusillanimous As in Falstaff's case these character traits might be offset by the humor of the presentation however in this reader's eyes the humor does not redeem him or make him lovable Malvolio is another person worthy of close consideration As a near archetypical Puritan Malvolio excites reader and audience antipathy His treatment at the hands of Sir Toby Sir Andrew Aguecheek and Maria is highly questionable however Such bullying as he receives is at least in 2013 detestable Additionally his deserved revenge is given only lip service However the love stories of Twelfth Night probably ought to be our primary consideration These and the confusion of characters offer a satisfying dramatic experience
