Sweet Clarinet:

Sweet Clarinet James Riordan, 2004 Billy's life is changed forever when he is injured by a bomb. Angry and disfigured he is visited by a soldier who gives him a gift that will give him something to live for. **From the Clarinet D'Amour to the Contra Bass** Albert R. Rice, 2009-03-31 Following his much acclaimed *The Baroque Clarinet* and *The Clarinet in the Classical Period* Albert R. Rice now turns his signature detailed attention to large clarinets: the clarinet d'Amour, the basset horn, the alto clarinet, bass and contra bass clarinets. Each chapter is devoted to a specific instrument and offers a fascinating insider's look at its defining characteristics, a comprehensive history of its evolution, meticulously researched information on its makers and aspects of construction, and a thorough discussion of its music. Rice illustrates how the introduction of large clarinets into chamber ensembles, wind bands, and opera orchestras was the result of experiments meant to address specific musical needs. Along the way he brings to life the musicians, virtuosi, soloists, and orchestral and band musicians, as well as the instruments makers and the composers from J. C. Bach to Smetana who wrote for them. Based on careful study of primary sources, musical compositions, patents, memoirs, and diaries, and unfettered access to historical instruments themselves, Rice's expert presentation is nothing short of exhaustive. *From the Clarinet d'Amour to the Contrabass* will engage all who love the clarinet and its music. Ella Fitzgerald J. Wilfred Johnson, 2001-01-01 Ella Fitzgerald was one of America's greatest jazz singers. This volume is as complete a discography of her recorded songs as currently seems possible to compile. This volume also contains a complete discography, 1927-1939, for drummer and bandleader Chick Webb with whom Ella began her recording career in 1935. Part One includes a chronological listing of all known recorded performances of both Chick Webb and Ella. Part Two gives the complete contents of Ella's LPs and CDs, including track listings, titles with lyricists and composers, and timings. Part Three is an annotated alphabetical listing of all songs contained on all of Fitzgerald's records, with detailed information on each song's composer, lyricist, and history. Reviews of the movies in which Ella appeared and surveys of her career with the Decca, Verve, and Pablo music companies are included. The book also has an index of album and CD recordings and composers, lyricists, and musicians. **The Prisoner** James Riordan, 2004 I had to bail out. The plane was going down. I could have been trapped for ages if it hadn't been for those kids. A sound wailed in my ears. An air raid warning. Must take cover. The girl and the boy they hate me for who I am. But if I can just make them see that bombs don't care which side you're on. **The Mountain Minstrel, Or, Effusions of Retirement** Matthew Willis, 1834 *News from where I Live* Martin Lammon, 1998-01-01 The authenticity of feeling the feelings themselves and the subjects from which they arise, the honesty with which Martin Lammon confronts the pain of existence and the consequences of our mortal damage and liability, the evanescence of what we love, our implications in the losses we live through, and the chord of mixed feelings that is the bass accompaniment of our survival are all there and constantly there in his work. **A Night at the Opera** Sir Denis Forman, 2011-10-05 Delightful and anti-reverential. Sunday Times London. With an encyclopedic knowledge of opera and a

delightful dash of irreverence Sir Denis Forman throws open the world of opera its structure composers conductors and artists in this hugely informative guide *A Night at the Opera* dissects the eighty three most popular operas recorded on compact disc from Cilea's *Adriana Lecouvreur* to Mozart's *Die Zauberflöte* For each opera Sir Denis details the plot and cast of characters awarding stars to parts that are worth looking out for really good or occasionally stunning He goes on to tell the history of each opera and its early reception Finally each work is graded from alpha to gamma although the Ring cycle gets an X and Sir Denis has no qualms about voicing his opinion the first act of *Fidelio* is a bit of a mess while the last scene of *Don Giovanni* towers above the comic finales of *Figaro* and *Cos* and whether or not it is Mozart's greatest opera it is certainly his most powerful finale The guide also presents brief biographies of the great composers conductors and singers A glossary of musical terms is included as well as *Operatica* or the essential elements of opera from the proper place and style of the audience's applause and boos to the use of subtitles *A Night at the Opera* is for connoisseurs and neophytes alike It will entertain and inform delight and perhaps infuriate providing a subject for lively debate and ready reference for years to come
