Foreign Area Studies,1979      **SYRIA A COUNTRY STUDY** ,1988      **Syria** Thomas Collelo,1987 Presents an electronic version of Syria A Country Study published by the Federal Research Division of the U S Library of Congress Examines the geography economy government national security and politics of Syria      *Syria, a Country Study* Thomas Collelo,1988      *Syria, a Country Study* American University (Washington, D.C.). Foreign Area Studies,1979      *GEF Country Portfolio Evaluation: Syria (1994-2008)* ,      **SYRIA** ,1971      **SYRIA** United States. Department of the Army,1978      **SYRIA** Hadley Stackhouse,2018-09-07 The contents of the book are as follows 1 Country Profile 2 History 3 Geography 4 Government and Politics 5 Foreign Relations and Policy 6 Military and Defence 7 Economy 8 Demographics 9 Culture and Society 10 Tourism 11 Education Bibliography Index      **The Assads' Syria, 2nd Edition** Kathy A. Zahler,2012-08-01 Hafez al Assad became president of Syria in 1971 following a long line of military leaders At first his goals included achieving pan Arabism more evenly distributing the nation s oil wealth and extending the party s power by reaching into every aspect of Syrians lives However through a series of poorly planned economic programs censorship and old fashioned greed and corruption Assad and his government brought intimidation and the loss of freedom to the nation s people After his death in 2000 the nation s ruling party elected his son Bashar as president Bashar has continued many of his father s policies enforcing his own will on the nation and stripping people of their freedoms and economic prosperity In The Assads Syria learn more about the internal workings of one of the world s most devastating dictatorships      **The Syrian Information and Propaganda War** Ben Cole,2022-02-22 This book focuses on the propaganda war between the Syrian government and the opposition movement which excludes the Islamic State and the Kurdish led SDF Drawing on international relations psychology and media studies the book encourages readers to question the dominant discourse on the war The core of the book outlines the propaganda battles over the main paradigms and narratives that framed the war exploring the shortcomings of those paradigms and narratives identifying who won the propaganda war and why and assessing what impact it had on the military side of the war In particular it focuses on the role of cognitive bias amongst primary and secondary sources in determining the outcome of the propaganda war and whether the influence of this propaganda is best explained by effects or limited effects theory Through explaining the dynamics of the propaganda war the book encourages readers to critically question the dominant discourse on the war assists them in understanding primary and secondary reporting on the war and shows that the impact of the propaganda war is best understood in terms of limited effects theory The book s main findings are that i the opposition won the international propaganda war but failed to win the propaganda war inside Syria ii propaganda had relatively little effect on shaping attitudes either inside Syria or internationally instead its main effect was to reinforce attitudes that had already been shaped by other factors and iii the

reality of the war lies between the conflicting paradigms and narratives being promoted by each side      *In Search of Greater Syria* Christopher Solomon, 2021-09-23 The Syrian Social Nationalist Party SSNP is one of the most enigmatic and active political forces in the Middle East For observers in the West the SSNP is regarded as a far right organization subservient to the Baathist government of Syrian President Bashar al Assad which dictates its activities from Damascus However the SSNP s complicated history and its ideology of Pan Syrianism has meant the party has been overlooked and forgotten by the daily output of news analysis studies and policy recommendations Very little academic scholarship has been dedicated to understanding its origins identity and influence Addressing the need for scholarship on the SSNP this book is a political history from the party s foundation in 1932 to today A comprehensive and objective study on the little known nationalist group the author uses interviews from current members to gain insights into its everyday activities goals social interstices and nuances Given the SSNP s history of violence their own persecution influence on other secular parties in the region and their impact in Syria and Lebanon s politics the book s analysis sheds light on the party s status in Lebanon and its potential role in a future post war Syria The SSNP is gaining popularity among regime supporters in Syria and will be one part of understanding the political developments on the ground This book is essential reading for those wanting to understand the SSNP its motives and prospects      **Historical Dictionary of Islamic Fundamentalism** Mathieu Guidère, 2017-09-20 After the rise of the Islamic State in the Middle East and the new geopolitical landscape in this region it is essential for the modern reader to understand the history that has allowed for and influenced these types of Islamic groups to form Historical Dictionary of Islamic Fundamentalism acts as a didactic resource that explains from the Islamic perspective the historical importance of the Islamic fundamentalist world This dictionary provides a comprehensive and thorough analysis of various groups events movements key figures and dogmas that have influenced contemporary Islamic fundamentalism A chronology spanning 600 years graphs of complex Islamic group associations and alliances and an Arabic to English glossary have all been included to facilitate a complete understanding of the nuances and generalities that have shaped this movement This second edition of Historical Dictionary of Islamic Fundamentalism also contains an introduction appendixes an extensive bibliography and more than 700 cross referenced entries on ideologies people events and movements of the 20th and 21st centuries      **Macao Ecology and Nature Protection Handbook - Strategic Information and Regulations** IBP. Inc., 2015-11-25 2011 Updated Reprint Updated Annually Macao Ecology Nature Protection Handbook      **Syria** Library Of Congress, U. S. Government, 2017-05-22 Comprehensive and unique information with professional analysis of Syria its politics and history economic social military and national security systems and institutions written by the experts at the Federal Research Division of the Library of Congress This Country Study and Country Profile of Syria is an exceptional review of its history the role of the Assad family the Baath Party terrorism and much more Books in the Country Studies series describe and analyze political economic social and national security systems

and institutions and examine the interrelationships of those systems and the ways they are shaped by cultural factors. The authors seek to provide a basic understanding of the observed society striving for a dynamic rather than a static portrayal. Particular attention is devoted to the people who make up the society, their origins, dominant beliefs and values, their common interests and the issues on which they are divided, the nature and extent of their involvement with national institutions and their attitudes toward each other and toward their social system and political order.

War in Syria and the Middle East  
 Federico Manfredi Firmian, 2025-04-01. A wide ranging examination of the causes of war in Syria and the Middle East. In *War in Syria and the Middle East*, Federico Manfredi Firmian uses historical, political and economic lenses to examine how Syria's civil war is part of a broad pattern of social breakdown increasingly prevalent across the Arab and Islamic worlds. This expansive book argues that many conflicts across the Middle East today are rooted in fundamental ideological divides that originated with European imperialism. In Syria, the iniquities of French rule gave way to the radicalism of the Arab Socialist Ba'ath Party, which promised to dismantle imperial legacies and capitalist logics through nationalizations, land redistribution and central planning. Ba'athist Syria, however, ultimately failed to provide a viable alternative to capitalism. In fact, its failures and the failures of other revolutionary regimes of socialist inspiration provided an opening for armed Islamist movements to challenge both secular authoritarian rule and US foreign policies, ultimately leading to civil war. Combining a multidisciplinary approach with fieldwork, *War in Syria and the Middle East* argues for a global perspective on a pressing ongoing conflict.

*Syria: From National Independence to Proxy War*  
 Linda Matar, Ali Kadri, 2018-10-09. This edited collection aims to analytically reconceptualise the Syrian crisis by examining how and why the country has moved from a stable to a war-torn society. It is written by scholars from a variety of disciplinary backgrounds, all of whom make no attempt to speculate on the future trajectory of the conflict but aim instead to examine the historical background that has laid the objective conditions for Syria's descent to its current situation. Their work represents an attempt to dissect the multi-layered foundation of the Syrian conflict and to make understanding its complex inner workings accessible to a broader readership. The book is divided into four parts, each of which elaborates on the origins and dynamics of today's crisis from the perspective of a different discipline. When put together, the four parts provide a holistic picture of Syria's developmental trajectory from the early twentieth century through to the present day. Themes addressed include Syria's postcolonial development efforts, its leap into socialism and then into neoliberalism in the late twentieth century, its politics within the resistance front and finally its food and health security concerns.
