Syria Society Culture And Polity:

Syria Richard T. Antoun, Donald Quataert, 1991-01-01 This book provides a multi disciplinary understanding of the processes of change in contemporary Syria as well as its historical social and cultural underpinnings A number of distinguished anthropologists historians political scientists and literateurs examine key issues such as the changing Syrian family political factionalism the sedentarization of nomads bureaucratic corruption rural urban migration the development of the Ba th Party Syria s political isolation religious resurgence and the continued importance of sects in Syrian life This book strikes a balance between examining the consequences of Syria s geographical and strategic position in international politics and the implications of its internal and highly complex ethnic and class structure and culture It argues that the religious culture of Syria is as important as the leadership of Asad and more generally that an understanding of Syrian politics must be matched by an understanding of Syrian society and culture Creating Consent in Ba'thist Syria Esther

Meininghaus, 2016-03-31 The challenge of maintaining dictatorial regimes through control co option and coercion while upholding a facade of legitimacy is something that has concerned leaders throughout the Middle East and beyond Nowhere is this more evident than in the Syria ruled by the Asads both Hafiz and his son Bashar Drawing on the example of the General Union of Syrian Women founded in 1967 Esther Meininghaus offers new insights into how the Syrian Ba thist regimes attempted to move beyond mere satisfaction with the compliance of the citizenry and to consolidate their rule amongst the local population Meininghaus argues that this was partially achieved through providing welfare services delivered by the Union as one of the state led mass organisations In this way she suggests these regimes did not only aim to undermine opposition and to create the illusion of consent but they factually catered to local needs and depended on consent Based on archival material interviews and statistics Creating Consent in Ba thist Syria will shed new light on mass organisations as a crucial institution of Ba thist state building and more broadly the construction of the Asad regimes Power, Sect and State in Syria A. Maria A. Kastrinou, 2016-03-31 The Syrian state s rhetoric of Arab nationalism left little room for the official

recognition of minority identities in pre war Syria Yet in practice the state continually engaged with the Druze and other minorities to reinforce its legitimacy often through cultural policy Uncovering this neglected aspect of pre war Syrian politics Kastrinou explores the cultural politics of marriage in Syria primarily among the Druze to reveal how practical rituals of marriage inform sectarian and national identity formation Challenging the assumed inherence of sectarianism and Druze endogamy the book provides an historical and ethnographic account of political power and its relation to social control in Syria It demonstrates the centrality of the body to Druze cosmology and how ritual performances of birth marriage and death maintain and negotiate sectarian cohesion Connecting these struggles to national and international politics Kastrinou examines how both the Syrian government and the European Union have sponsored marriage themed dance performances in Syria each leveraging its cultural importance to legitimise their own policy goals The book establishes marriage as a

pervasive idiom for the construction of collective identity in Syria which is appropriated by individuals sects states and intergovernmental organizations alike Its conclusions are relevant to scholars of Middle East studies sectarianism anthropology and politics

The Struggle for Power in Syria Nikolaos Van Dam,2011-05-30 In the midst of turmoil in the Middle East and in the face of protests and demonstrations from Homs to Damascus and other places all over Syria the Ba th Party and Bashar al Asad are truly caught up in a struggle to hold onto power in Syria In this important book Nikolaos van Dam explores and explains how the Asad dynasty has come to rule Syria for about half a century and keep the complex patchwork of minorities factions and opponents securely under control for such an unprecedented long period Through an in depth examination of the role of sectarian regional and tribal loyalties van Dam traces developments within the Ba th party and the military and civilian power elite from the 1963 Ba thist takeover up to the present day

The Rough Guide to Syria Andrew Beattie,Timothy Pepper,2001 The Rough Guide to Syria is the essential guide to this compact but culturally rich Middle Eastern country Features include Thorough accounts of all the monuments from the ancient remains at Palmyra and Ugarit to stately mosques and hilltop crusader castles Practical advice on shopping in the souks of Damascus and Aleppo and exploring the desert plains Informed guidance on how to travel independently and where to eat and sleep in every price range Detailed background on the country s history culture architecture and politics

Syria's Peasantry, the Descendants of Its Lesser Rural Notables, and Their Politics Hanna Batatu,2012-09-17 In this book the distinguished scholar Hanna Batatu presents a comprehensive analysis of the recent social economic and political evolution of Syria s peasantry the segment of society from which the current holders of political power stem Batatu focuses mainly on the twentieth century and in particular on the Ba th movement the structures of power after the military coup d tat of 1963 and the era of vfiz al Asad Syria s first ruler of peasant extraction Without seeking to prove any single theory about Syrian life he offers a uniquely rich and detailed account of how power was transferred from one demographic group to another and how that power is maintained today Batatu begins by examining social differences among Syria s peasants and the evolution of their mode of life and economic circumstances He then scrutinizes the peasants forms of consciousness organization and behavior in Ottoman and Mandate times and prior to the Ba thists rise to power He explores the rural aspects of Ba thism and shows that it was not a single force but a plurality of interrelated groups prominent among them the descendants of the lesser rural notables with different social goals and mental horizons The book also provides a perceptive account of President Asad his personality and conduct and the characteristics and power structures of his regime Batatu draws throughout on a wide range of socioeconomic and biographical information and on personal interviews with Syrian peasants and political leaders offering invaluable insights into the complexities of a country and a regime that have long been poorly understood by outsiders

The Middle East Today Don Peretz,1994-04-30 In this completely updated sixth edition Peretz offers a comprehensive introduction to the history politics and contemporary life of the Middle East This is the book for those who have little or no

previous academic background to the region Since its initial publication in 1963 this definitive survey has been widely acclaimed and frequently used in history and political science classes As with previous editions this volume offers a basic understanding of the forces that shape life and politics in Israel Egypt Iran Iraq Lebanon Jordan Syria Turkey Saudi Arabia and the Gulf States and is up to date through the September 1993 Israeli P L O accords *Quest for Democracy* Line Khatib,2022-11-03 Examines the underground and overlooked actors and activities of liberal activism and liberal counter cultures in the modern Arab world *Taking Sides* Heidi Armbruster,Anna Lærke,2010 Concerns with research ethics have intensified over recent years in large part as a symptom of audit cultures M Strathern but also as a serious matter of engagement with the ethical complexities in contemporary research fields This volume written by a new generation of scholars engaged with contemporary global movements for social justice and peace reflects their efforts in trying to integrate their scholarly pursuits with their understanding of social science politics and ethics and what political commitment means in practice and in fieldwork This is a book of argument and analysis written with passion clarity and intellectual sophistication which touches on issues of vital significance to social scientists and activists in general Destroying a Nation Nikolaos Van Dam,2017-07-30 Following the Arab Spring Syria descended into civil and sectarian conflict It has since become a fractured warzone which operates as a breeding ground for new terrorist movements including ISIS as well as the root cause of the greatest refugee crisis in modern history In this important book former Special Envoy of the Netherlands to Syria Nikolaos van Dam explains the recent history of Syria covering the growing disenchantment with the Asad regime the chaos of civil war and the fractures which led to an immense amount of destruction in the refined social fabric of what used to be the Syrian nation Through an in depth examination van Dam traces political developments within the Asad regime and the various opposition groups from the Arab Spring to the present day and provides a deeper insight into the conflict and the possibilities and obstacles for reaching a political solution **Historical Dictionary of the Syrian Uprising and Civil War** Asaad Alsaleh,2021-05-21 Historical Dictionary of the Syrian Uprising and Civil War introduces readers to the events and main players that shaped the conflict in Syria since 15 March 2011 as the country entered a new era in its modern history The Syrian Revolution was part of the Arab Spring that was launched in Tunisia Egypt and other countries in the Middle East in late 2010 The Syrian situation turned into a winter which merits such an all encompassing book that reveals the complex dynamics of the Syrian civil war Many of the key players places and unfolding events were making headlines for a short period before vanishing from memory but this book records their emergence and influence The book traces the political opposition initially in the form of street level unrest targeting the rule of the al Asad family that ruled for over five decades The book provides a picture of the fighting groups and their varying agendas including the Islamic State in Iraq and Syria ISIS and other extremist groups It depicts a picture of a country whose civil war caused one of the biggest crises in the 21st century It contains a chronology an introduction and an extensive bibliography The dictionary section has more than

200 cross referenced entries on the major events places and actors in the Syrian war This book is an excellent resource for students researchers and anyone wanting to know more about the Syrian uprising **Asad's Legacy** Eyal Ziser,2001 Hafez al Asad d 2000 ruled Syria for 30 of its 55 year history as a modern state Zisser Moshe Dayan Center for Middle Eastern and African studies Tel Aviv U offers a balanced view of Asad s role in elevating Syria to a stable major Middle East player but with a legacy of authoritarianism and struggles over succession Includes maps of Syria s frontier with Israel and Lebanon c Book News Inc The Encyclodedia of Christianity, Vol. 5 Erwin Fahlbusch,Geoffrey William Bromiley,1999 Written by leading scholars from around the world the articles in this volume range from sin Sufism and terrorism to theology in the 19th and 20th centuries Vatican I and II and the virgin birth The Politics of Love Rebecca Joubin,2013-10-03 Dramatic miniseries are the primary arena for the expression of postcolonial Syrian culture and artistic talent an arena that unites diverse aspects of artisanship in a struggle over visions of the past present and future of the nation As the tour de force of the television medium blossoming amidst persisting authoritarianism these miniseries serve as a crucial and complex artistic avenue through which political and social opposition manifests Scholars have tried to come to terms with a highly critical culture produced within attempted state co optation and argue that politically critical culture operates as a safety valve to release frustrations so that dissenters are less likely to mobilize against the government Through research fueled by a viewing of over two hundred and fifty miniseries ranging from the 1960s to the present as well as an examination of hundreds of press reports Facebook pages and extensive interviews with drama creators this book turns away from the dominant paradigm that focuses on regime intent When turning attention instead to the drama creators themselves we witness the polyphony of voices employing love and marriage metaphors and gender de constructions to explore larger issues of nationalism self identity and political critique At the heart of constructions of femininity are the complications that arise with the symbiosis of pure femininity with authentic national identity Deconstructing masculinity as political critique has been less complicated since it is not implicated in Western identity issues on the contrary illustrations of subservient masculinity serve to subtly denounce government corruption and oppression Miniseries from the 1960s demonstrate that the focus of the qabaday tough man on female sexuality comes from his own political alienation vis vis the state and is part of a vicious cycle of state violence vis vis the citizen In recent years and in particular after the uprising we can see the emerging definition of the true qabaday as one who does not suppress a woman s sexuality thereby allowing for full equality in relationships as the basis of a truly free society Islam Cenap Çakmak,2017-05-18 This expansive four volume encyclopedia presents a broad introduction to Islam that enables learning about the fundamental role of Islam in world history and promotes greater respect for cultural diversity One of the most popular and widespread religions in the world Islam has attracted a great deal of attention in recent times particularly in the Western world With the ongoing tensions in the Middle East and a pervasive sense of hostility toward Arab Americans there is ever increasing need to examine and

understand Islam as a religion and historical force Islam A Worldwide Encyclopedia provides some 700 entries on Islam written by expert contributors that cover the religion from the birth of Islam to the present time The set also includes 16 pages of color images per volume that serve to illustrate the diverse expressions of this important religious tradition Each entry begins with a basic introduction followed by a general discussion of the subject and a conclusion Each entry also features a further readings list for readers In addition to supplying a comprehensive authoritative overview of Islam this work also specifically addresses many controversial related issues including jihad violence in Islam polygamy and apostasy **The Alawis of Syria** Michael Kerr, Craig Larkin, 2015-01-12 A wide ranging exploration of the cultural and historical hinterland of Syria s powerful Shia minority **Nations without States** James B. Minahan, 1996-01-19 Russians are suppressing the Chechen Ibo nationalism may yet tear Nigeria apart With the end of the Cold War any of the world s stateless peoples could be in tomorrow s headlines This book provides an essential guide to the stateless nations suppressed or ignored during the Cold War In more than 200 national surveys the volume highlights the historical political social economic and diplomatic evolution of many of the currently emerging nations without states Including nations from all continents from the Chechen in Eastern Europe to the Ibo in Africa and the Quebeckers in North America the book addresses the current nationalist resurgence by focusing on the most basic element of any nationalism the nation itself The book provides the only source of concise information on stateless nations Each entry includes the nation s name and alternative names population statistics information on major languages and religions geographical information independence declarations information on the national flag a brief sketch of the primary national group or groups and a profile of the nation s history and national development to the present A chronological appendix of declarations of independence helps to set the waves of nationalism in an historical context A second appendix provides a geographic listing by region and nation of national organizations

Regional Security Regimes Efraim Inbar, 1995-01-01 This book shows that as Israel is gradually being accepted by the Arab world pure security considerations are becoming more important in the Arab Israeli relationship and security regimes between Israel and neighboring countries can foster moderation and cooperation *Making Do in Damascus* Sally K. Gallagher, 2012-10-10 Drawing on fieldwork that spans nearly twenty years *Making Do in Damascus* offers a rare portrayal of ordinary family life in Damascus Syria It explores how women draw on cultural ideals around gender religion and family to negotiate a sense of collective and personal identity Emphasizing the ability of women to manage family relationships creatively within mostly conservative Sunni Muslim households Gallagher highlights how personal and material resources shape women s choices and constraints concerning education choice of marriage partner employment childrearing relationships with kin and the uses and risks of new information technologies Gallagher argues that taking a nuanced approach toward analyzing women s identity and authority in society allows us to think beyond dichotomies of Damascene women either as oppressed by class and patriarchy or as completely autonomous agents of their own lives Tracing ordinary

women's experiences and ideals across decades of social and economic change Making Do in Damascus highlights the salience of collective identity place and connection within families as well as resources and regional politics in shaping a generation of families in Damascus *People, Land and Water in the Arab Middle East* William Lancaster, Fidelity Lancaster, 2013-07-04 The result of twenty five years of research with different tribal groups in the Arabian peninsula this study focuses on ethnographic descriptions of Arab tribal societies in five regions of the peninsula with comparative material from others Having become aware of the depth in time of Arab tribal structures the authors have developed a view of Arabic tribal discourse where tribe is seen as essentially an identity that confers access to a social structure and its processes

Syria Society Culture And Polity Introduction

In today's digital age, the availability of Syria Society Culture And Polity books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Syria Society Culture And Polity books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Syria Society Culture And Polity books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Syria Society Culture And Polity versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Syria Society Culture And Polity books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Syria Society Culture And Polity books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Syria Society Culture And Polity books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from

the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Syria Society Culture And Polity books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Syria Society Culture And Polity books and manuals for download and embark on your journey of knowledge?

FAQs About Syria Society Culture And Polity Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Syria Society Culture And Polity is one of the best book in our library for free trial. We provide copy of Syria Society Culture And Polity in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Syria Society Culture And Polity. Where to download Syria Society Culture And Polity online for free? Are you looking for Syria Society Culture And Polity PDF? This is definitely going to save you time and cash in something you should think about.
