Maestri of Political Science Donatella Campus,Gianfranco Pasquino,Martin Bull,2011-06-01 This book continues the editors work started in the volume Masters of Political Science of highlighting and re evaluating the contributions of the most important political scientists who have gone before Its basis is the belief that the future development and sophistication of the discipline will benefit from a critical understanding of the works of early political giants whose contributions are presented and analysed Gabriel A Almond Raymond Aron Philip Converse Maurice Duverger Stanley Hoffmann Paul Lazarsfeld Arend Lijphart Elinor Ostrom William H Riker Stein Rokkan and Susan Strange The editors review and consider the contributions of these maestri to the study of contemporary democracy political culture electoral systems political communication the transformation of capitalism and state formation in Europe Maestri of Political Science is aimed not only at a new generation of political scientists but is a valuable opportunity for established scholars to see new light through old windows **The Scientific Study of Peace and War** John A. Vasquez,1999-01-01 The contributors of this book suggest methodologies for a systematic analysis of historical examples using controlled observation the collection of evidence and careful inferences *The Civic Culture of Local Economic Development* Laura A. Reese,Raymond A. Rosenfeld,2002 The focus on economic development policy provides a window on local decision making and allows for the development of a theory introduced by the authors about the role of local civic culture in framing local decisions of all types This ultimately provides a theoretical vehicle for categorizing cities and predicting policy outcomes *National Union Catalog* ,1973 Includes entries for maps and atlases *American Book Publishing Record Cumulative, 1950-1977* R.R. Bowker Company. Department of Bibliography,1978 [The Breakdown of Authority Structure in Korea in 1960](#) Yong-p'il Yi,1984 **Research Methodologies in Political Science** Robert Goehlert,1981 **Systemic Racism in America** Rashawn Ray,Hoda Mahmoudi,2022-03-30 Racist policies are identified as opportunity killers and the disparities created by them often have racism sustained through race neutral policies Systemic Racism in America Sociological Theory Education Inequality and Social Change situates our contemporary moment within a historical framework and works to identify forms occurrences and consequences of racism as well as argue for concrete solutions to address it This volume assembles renowned and thought provoking social scientists to address the destructive impacts of structural racism and the recent incendiary incidents that

have driven racial injustice and racial inequality to the fore of public discussion and debate The book is organized into three parts to explore and explain the ways in which racism persists permeates and operates within our society The first part presents theoretical perspectives to analyze the roots and manifestation of contemporary racism the second concentrates on educational inequality and structural issues within our institutions of learning that have led to stark racial disparities and the third and final section focuses on solutions to our current state and how people regardless of their race can advocate for racial equity Urgent and needed Systemic Racism in America is valuable reading for students and scholars in the social sciences as well as informed readers with an interest in racism and racial inequality and a passion to end it *Whitaker's*
