Kim Treiger-Bar-Am

T H Greens Moral And Political Philosophy A Phenomenological Perspective:

T.H. Green's Moral and Political Philosophy Maria Dimova-Cookson, 2001-07-11 This book offers a new phenomenological interpretation of T H Green s 1836 1882 philosophy and political theory By analysing in turn his theory of human practice the moral idea the common good freedom and human rights the book demonstrates that Green falls into the same tradition as Kantian and Husserlian transcendentalism The book offers a reconstruction of Green s idealism and demonstrates its potential to address contemporary debates on the nature of moral agency positive and negative freedom and on justifying human rights

General Will in Political Philosophy Janusz Grygiewicz, 2013-11-27 This book deals with the role and place of the general will in modern and contemporary political thought This project is carried out at the crossroads of the history of ideas and political philosophy It extensively develops historical and philosophical themes showing modifications to the idea of the general will in the writings of thinkers who sometimes represent very distant epochs The author tracks down the birth and the development of the idea of the general will in ancient medieval modern and contemporary times devoting most of the book to the thoughts of Jean Jacques Rousseau and nineteenth and twentieth century British idealists

T. H. Green: Ethics, Metaphysics, and Political Philosophy Maria Dimova-Cookson, William J. Mander, 2006-06 Publisher Description *The Moral, Social and Political Philosophy of the British Idealists* William Sweet, 2017-03-17 The British idealists of the late 19th and early 20th century are best known for their contributions to metaphysics logic and political philosophy Yet they also made important contributions to social and public policy social and moral philosophy and moral education as shown by this volume Their views are not only important in their own right but also bear on contemporary discussion in public policy and applied ethics Among the authors discussed are Green Caird Ritchie Bradley Bosanquet Jones McTaggart Pringle Pattison Webb Ward Mackenzie Hetherington Muirhead Collingwood and Oakeshott The writings of idealist philosophers from Canada South Africa and India are also examined Contributors include Avital Simhony Darin Nesbitt Carol A Keene Stamatoula Panagakou David Boucher Leslie Armour Jan Olof Bengtsson Thom Brooks James Connelly Philip MacEwen Efraim Podoksik Elizabeth Trott and William Sweet

Review Journal of Political Philosophy J. Jeremy Wisniewski, 2013-02-21 This journal has been discontinued Any issues are available to purchase separately

Ethical Politics and Modern Society James Jia-Hau Liu, 2019-09-19 Ethical Politics and Modern Society introduces and critically examines British idealist philosopher Thomas Hill Green his practical philosophy and its reception in China between the late nineteenth century and the early twentieth century As a response to the modernity issue in Great Britain Green s philosophy in particular his ethical politics anticipated a practical solution to the individual alienation issue in modern society Witnessing the resemblance between Green s ethical politics and classical Chinese ethical and political thought some Chinese scholars became inclined to take Green s thought as an intellectual approach to assimilate Western modernity While Green and the Chinese scholars both intended to articulate an ethical conception of modern politics in response to the issue of modernity

their results were very different In this book James Jia Hau Liu analyses why modern Chinese scholars introduced Green s philosophy to China and why the studies of Green s philosophy in China have since faded away Modern Chinese scholars such as Gao Yi Han Chin Yueh Lin Tang Jun Yi Chang Fo Chuan and Yin Hai Guang are explored in greater detail The contradictory standings towards modernity between Green and Chinese scholars illustrate how to understand the difference forms of modernity that can be embodied therein Ethical Politics and Modern Society is a valuable resource to scholars of political philosophy political theory history of social and political thought British idealism and the work of Thomas Hill Green

The Greenian Moment Denys P. Leighton,2015-11-30 This study of T H Green views his philosophical opus through his public life and political commitments and it uses biography as a lens through which to examine Victorian political culture and its moral climate The book deals with the political and religious history of Victorian Britain in examining the basis of Green s Liberal partisanship It demonstrates how his main ethical and political conceptions his idea of self realisation and his theory of individuality within community were informed by evangelical theology popular Protestantism and an idea of the English national consciousness as formed by religious conflict While the significance of Kantian and Hegelian elements in Green s thought is acknowledged it is argued that indigenous qualities of Green s teachings resonated with values shared alike by elite and rank and file Liberals during the mid and late Victorian era In examining Green s beliefs about the historical evolution of English liberty his championing of Liberal Nonconformity and Nonconformist causes and his approval of religious bases of community this study analyzes the ripening of a Greenian moment and traces Green s influence on Liberal quasi socialist and Conservative social reform down to the 1920s The lasting impact of Green s teachings on British and Western political philosophy apparent in the current vogue for communitarianism in liberal theory indicates limitations of the secularization thesis still tacitly accepted by historians of Western political thought **T.H. Green's Theory of Positive**

Freedom Ben Wempe,2017-01-19 In this new and entirely revised edition of his study of Green s theory of positive freedom Ben Wempe argues that the far reaching and beneficial influence of Green s political doctrine on public policy as well as in the field of political theory was founded on a misinterpretation of his philosophical stand since the metaphysical basis on which Green argued for his political position was largely neglected The book discusses Green s philosophical development and examines an important hitherto underrated influence that went into the formation of his philosophical opinions It then considers Green s metaphysics and describes how some omissions from the concise version of his metaphysical doctrine as it is found in his published works may be remedied by reference to Green s unpublished material T.H. Green John

Morrow,2017-11-30 This volume collects a range of the most important published critical essays on T H Green s political philosophy These essays consider Green s ethical and political philosophy his accounts of freedom rights political obligation and property and the location of his political theory in the discourses of Victorian liberalism It concludes with a selection of essays that provide comparative discussions of aspects of Green s political philosophy with positions advanced by Sidgwick

Rousseau Kant and Hegel and with both conservative and liberal responses to his ideas that emerged in late nineteenth and early twentieth century Japan

The Greenian Moment Denys Leighton, 2004 This study of T H Green views his philosophical opus through his public life and political commitments and it uses biography as a lens through which to examine Victorian political culture and its moral climate The book deals with the political and religious history of Victorian Britain in examining the basis of Green s Liberal partisanship It demonstrates how his main ethical and political conceptions his idea of self realisation and his theory of individuality within community were informed by evangelical theology popular Protestantism and an idea of the English national consciousness as formed by religious conflict While the significance of Kantian and Hegelian elements in Green s thought is acknowledged it is argued that indigenous qualities of Green s teachings resonated with values shared alike by elite and rank and file Liberals during the mid and late Victorian era In examining Green s beliefs about the historical evolution of English liberty his championing of Liberal Nonconformity and Nonconformist causes and his approval of religious bases of community this study analyzes the ripening of a Greenian moment and traces Green s influence on Liberal quasi socialist and Conservative social reform down to the 1920s The lasting impact of Green s teachings on British and Western political philosophy apparent in the current vogue for communitarianism in liberal theory indicates limitations of the secularization thesis still tacitly accepted by historians of Western political thought

Freedom and Respect in Jewish Ethics Kim Treiger-Bar-Am, 2021-06-28 This book explores the norms we have and where we want to go with them The project began by asking people what they think is the central value in society today The responses point to notions of what seems right to people We can move forward with these intuitions about the main tenet of our moral lives Respondents named values regarding freedom of the Self and concern for the Other Indeed with freedom we can respect others And we must People s lives are intertwined and so freedom as a concept cannot be understood without taking account of this reality The author suggests that the value to be taken as central is the moral freedom of respect It ought to guide us in designing the society we want to build The law can be a bridge towards that normative world Jewish ethics may illuminate the path

British Idealism and the Concept of the Self W. J. Mander, Stamatoula Panagakou, 2016-09-26 This book reassesses the origins development and legacy of the philosophy of the British idealists demonstrating the enduring relevance of their thought for the modern discipline This body of work coheres around the single unifying theme of the self a concept of central importance to the idealist school Particular attention is also paid to the many connections that hold between various philosophers and branches of philosophy as well as creating a set of continuously running dialogues between contributing authors Readers will discover a comprehensive stimulating and sharply focused panorama of British idealist thought which will be useful to philosophers historians of ideas political and social theorists psychologists and policy makers who wish to gain a deeper understanding of the citizen as a self

[The Cambridge History of Philosophy 1870-1945](#) Thomas Baldwin, 2003-11-27 Table of contents

The Metaphysics of Self-realisation

and Freedom Colin Tyler, 2017-03-22 This first part of Colin Tyler's new critical assessment of the social and political thought of T H Green 1836-1882 explores the grounding that Green gives to liberal socialism Tyler shows how for Green ultimately personal self-realisation and freedom stem from the innate human drive to construct a bedrock of fundamental values and commitments that can define and give direction to the individual's most valuable potentials and talents This book is not only a significant contribution to British idealist scholarship It highlights also the enduring philosophical and ethical resources of a social democratic tradition that remains one of the world's most important social and political movements and not least across Britain Europe North America India and Australia Dr Colin Tyler is Reader in Politics at the University of Hull and joint convenor of the Centre for British Idealism

Common Good Politics Colin Tyler, 2016-11-04 This book examines the British tradition of common good politics both historically and in the contemporary world We live in a time when many anti-Conservative parties and voters feel a profound sense of crisis and disorientation over political principles and policy directions As a result many people are turning to common good politics as an alternative to state-centred socialism and laissez-faire individualism Colin Tyler explores the practical and intellectual history of the British idealist tradition which flourished from the 1870s to the 1920s before applying the principles of common good politics to contemporary issues These issues include the positive roles that can be played by conflict within democratic societies the radical demands of social justice in a diverse world the continuing influence of Bush's war on terror international society and free speech under Tony Blair and David Cameron and the relationships between economic migration social justice and the common good The book will appeal particularly to students and scholars interested in British politics internationalism and political theory

The Oxford Handbook of British Philosophy in the Nineteenth Century W. J. Mander, 2014-02-06 This volume contains thirty new essays by leading experts on British philosophy in the nineteenth century and provides a comprehensive and unrivalled resource for advanced students and scholars As well as the most celebrated figures such as Mill Spencer Sidgwick and Bradley the Handbook discusses many other less well-known names and debates from the period such as Whewell Shadworth Hodgson and Martineau The Handbook contains six parts Part I examines logic and scientific method from Whately through to the advent of modern formal logic Part II discusses some of the century's most famous metaphysical systems such as those of the Scottish Common Sense school J F Ferrier and F H Bradley Part III covers science and philosophy paying particular attention to positivism and the impact of Darwin's evolutionary theory Part IV explores ethical social and political thought including the lesser-known themes of feminism and British Socialism Part V concerns religious philosophy and Part VI examines the changes which took place in the practice of philosophy itself during the nineteenth century Prefaced by an introductory article which contextualises and relates the various themes and controversies of the century each chapter provides an overview of the topic under consideration and surveys of the state of current research while at the same time offering new ideas and suggestions for future interpretation

Egalitarian Rights Recognition

Matt Hann,2016-08-30 This book takes a distinctive and innovative approach to a relatively under explored question namely Why do we have human rights Much political discourse simply proceeds from the idea that humans have rights because they are human without seriously interrogating this notion Egalitarian Rights Recognition offers an account of how human rights are created and how they may be seen to be legitimate rights are created through social recognition By combining readings of 19th Century English philosopher T H Green with 20th Century political theorist Hannah Arendt the author constructs a new theory of the social recognition of rights He challenges both the standard natural rights approach and also the main accounts of the social recognition of rights which tend to portray social recognition as settled norms or established ways of acting In contrast Hann puts forward a 10 point account of the dynamic and contingent social recognition of human rights which emphasises the importance of meaningful socio economic equality

Positive Freedom and the Law Kim

Treiger-Bar-Am,2019-07-25 This book explains why we should stop thinking of freedom as limited to a right to be left alone It explores how Kantian philosophy and Jewish thought instead give rise to a concept of positive freedom At heart freedom is inextricably linked to the obligation to respect the autonomy and dignity of others Freedom thus requires relationships with others and provides an important source of meaning in liberal democratic societies While individualism is said to foster detachment positive freedom fosters relations Moving from moral theory to law duties are seen as intrinsic to rights The book considers test cases involving the law of expression regarding authorial rights and women s prayer at Jerusalem s holy site of the Western Wall Affirmative duties of respect are essential Rights held by copyright owners require that all authors including so called users are shown respect Moreover rights held by the authorities at the Western Wall require that all worshippers including those whose interpretation of Jewish law differs from that adopted by the authorities are respected

British Idealism: A Guide for the Perplexed David Boucher,Andrew Vincent,2012-02-02 A concise introduction to the ideas and writings of the British Idealists

Civil Society, Capitalism and the State Colin Tyler,2012-11-30 Civil Society Capitalism and the State presents a critical reconstruction of the social and political facets of Thomas Hill Green s liberal socialism It explores the complex relationships Green sees between human nature personal freedom the common good rights and the state It explores Green s analysis of free exchange his critique of capitalism and his defence of trade union activity and the cooperative movement It establishes that Green gives only grudging support to welfarism which he saw as a conservative mechanism in effect if not conscious design It is shown that he believes state provision of welfare to be justified only to the extent that peasants and the proletariat lack a culture and institutions which enable them to assert themselves against abusive landlords and capitalists Ultimately it is shown that Green s guiding ideal is the creation of a eudaimonically enriching kingdom of ends which favours the creation of a dynamic and free society driven by mass participation through decentralised social and political institutions This book builds on Colin Tyler s *The Metaphysics of Self realisation and Freedom* 2010 although it can also be read as a freestanding work

Eventually, you will extremely discover a new experience and deed by spending more cash. nevertheless when? reach you undertake that you require to acquire those every needs like having significantly cash? T H Greens Moral And Political Philosophy A Phenomenological Perspective Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading T H Greens Moral And Political Philosophy A Phenomenological Perspective free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading T H Greens Moral And Political Philosophy A Phenomenological Perspective free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results

by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading T H Greens Moral And Political Philosophy A Phenomenological Perspective free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading T H Greens Moral And Political Philosophy A Phenomenological Perspective. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading T H Greens Moral And Political Philosophy A Phenomenological Perspective any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About T H Greens Moral And Political Philosophy A Phenomenological Perspective Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. T H Greens Moral And Political Philosophy A Phenomenological Perspective is one of the best book in our library for free trial. We provide copy of T H Greens Moral And Political Philosophy A Phenomenological Perspective in digital format, so the resources that you find are reliable. There are also many Ebooks of related with T H Greens Moral And Political Philosophy A Phenomenological Perspective. Where to download T H Greens Moral And Political Philosophy A Phenomenological Perspective online for free? Are you looking for T H Greens Moral And Political Philosophy A Phenomenological Perspective PDF? This is definitely going to save you time and cash in something you should think about.
