T. Macci Plauti Rudens Titus Maccius Plautus, 2017-10-18 Excerpt from *T Macci Plauti Rudens* Edited With Critical and Explanatory Notes In the text I have abandoned the traditional division into acts an arrangement due to the editors of the time of the Renaissance the Plautine division is simply into a number of Scenes The division into five Acts serves no useful purpose and there is an additional reason for giving it up in this play as those responsible for it have obviously blundered at the 5th Act SO too in the *Captivi* At the same time the traditional numeration by Acts and Scenes is retained at the heads Of pages in the text for the sake of convenience of reference About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
