*All Angels Have Wings* Mai Thomsen,2022-11-21 Mai Thomsen All Angels Have Wings The sound of the shovel was deafening and he was in no hurry Took one slow but determined dig one after the other The soil slowly building in a pile next to him while the hole in the ground now reached his knees At no point in time did he puff or complain almost like he did not tire He just kept digging and whistling the same short melody over and over Fffff fff fff ff fff ffff fff ff fff Trish didn't recognise the tune but she knew that his whistling along with sounds of the soil brushing against the shovel would be the last things she heard She was going to die She could already feel it The stab wound was bad and she had been bleeding for hours now going in and out of consciousness She just hoped it would all end before she was put in the ground Before the soil suffocated her and the ground took claim over her body Live, Local, and Dead Nikki Knight,2022-02-08 Death waits for snowman in Nikki Knight's new Vermont based cozy series perfect for fans of Connie Archer and Mary Kennedy In a fit of anger radio DJ Jaye Jordan blows a snowman's head off with a Revolutionary War style musket But the corpse that tumbles out is all too human Jaye thought life would be quieter when she left New York City and bought a tiny Vermont radio station But now Edwin Anger the ranting and raving radio talk show host who Jaye recently fired lies dead in the snow And the

Edwin Anger fans who protested his dismissal are sure she killed him To clear her name Jaye must find the real killer as if she doesn't have her hands full running the radio station DJing her all request love song show and shuttling tween daughter Ryan to and from school It doesn't make matters easier that the governor Jaye's old crush arrived on the scene before the musket smoke cleared Fortunately Jaye has allies if you count the flatulent moose that lives in the transmitter shack and Neptune the giant gray cat that lives at the station If Jaye can turn the tables on the devious killer she and the governor may get to make some sweet sweet music together But if she can't she'll be off the air permanently **The Book Review**, 2004

The tequila made me do it. Throw caution to the wind to take a DNA test. Now I know why who's your daddy is a dangerous question. Dad's a witch with a whole magical family. I knew nothing about. Discovering I have magic isn't the only shock, though it explains a lot. There's a familiar face among the noisy joyful Candler clan. A fostered son named Trace. The only other time in my play it safe life I did something crazy. A night of madcap fun and sizzling kisses. Trace Holcomb. For years I've been trying in vain to find a spell to bring my family back after they died. I've given up on magic. What good is it if I can't do the one thing I want so much? I mistook Romy for my blind date and it was the best mistake I ever made. Or maybe it's the worst. When the other shoe more like the hammer drops, I learn she's part of the Candler family who opened their big hearts to me when my family died. Now it's up to me to run Romy through a crash course in remedial magic before she loses it forever. That's the last thing I want to do. As the smoke clears from her first disastrous spells, something else becomes clearer. Our attraction wasn't a fluke. And she could be the key to making my impossible dream come true.
