**T. U. L. A(the Unknown Love Affair)** Fannie Harris,2004-11 This exhilarating novel brings people together in a way that make loving both enjoyable and difficult **T. U. L. A.** Fannie Harris-Livings,2003-01-01 Love is known to transpire in many different ways Rachel had no idea that one phone call could change her life forever Her future plans did not include starting a relationship with a married man and end up being kidnapped by her husband Any woman would be lucky to have Daryl except his own wife couldn't see it She didn't know about this luck she wanted a flunky Luckily Daryl's eyes were opened by his best friend Paul A love story like no other T U L A will take you shake you and titillate you *Romanov Riches* Solomon Volkov,2011-02-22 In a sweeping cultural history of Russia from the rise of the house of Romanov in 1613 to its downfall at the hands of the Bolsheviks in 1917 Solomon Volkov effortlessly unwinds the twisted relationship between art and the royal family Throughout the Romanov dynasty Russia's greatest artists and thinkers painters and poets composers and dancers served two masters Devotion to craft or principle could never wholly eclipse dependence on the tsars Similarly consumers of Russian culture could never respond without political consideration Volkov recounts how at the 1836 premiere of Glinka's opera A Life for the Tsar fashionable audiences watched Nicholas I in his private box to see how they ought to react He wept and they wept accordingly In this spellbinding story we watch the great figures of Russian history clash Alexei father of Peter the Great befriended the writer Avvakum only to banish him the next tsar Fedor had Avvakum burned alive Using her notorious charms Catherine the Great masterfully wielded political control over her culture industry For his part Pushkin became the first favored artist to resist the tsar's influence His poem To Liberty is cherished as a revolutionary work of dissent But even Pushkin's genius went unsparing Alexander tired of the poet's literary and amorous freethinking and banished him from St Petersburg *Romanov Riches* is a work of epic scale that never sacrifices individual characters for broader themes Gogol Dostoevsky and Tolstoy are presented in a devilishly intricate dance with their royal patrons A truly essential work for anyone who wants to understand Russia's passionate devotion to its most important artists it is the prequel to Volkov's acclaimed work *The Magical Chorus A History of Russian Culture from Tolstoy to Solzhenitsyn* **The Unknown Chekhov** Anton Chekhov,1999-12 From the introduction to *The Unknown Chekhov* At least a dozen years were to pass after Anton Chekhov's first short story published in English before his tales began to gain some attention in the English speaking world And yet when work on the present collection was begun scores of stories were still inaccessible in English some of them comparable to those that have become a part of the literary heritage of the west At the start of his career Chekhov turned out a great deal of copy for the comic papers that evidenced a genuine sense of fun a satiric verve an eye for revealing details of appearance and behavior an ear for living speech signs of that talent for humanity compacted of understanding and compassion which is Chekhov's signature From the first the youthful humorist tried his hand at journalism These breezy gossipy often biting paragraphs he did not flinch from muckraking touched on everything from the unsanitary condition of

the tenements to women's fashions Wholly unknown in English were Chekhov's journalistic writings as well as his book on the island of Sakhalin and its penal colony The reader is offered here a selection from all of this material
