

FROM *TABITHA fffOULKES*:

The night I first saw Georg, Duke of Saegi, was when my life said a last goodbye to socialist realism.

He looked like a river about to burst its banks. Slinky. Menacing. Fast-flowing. About six foot, tall and slender. Big dark eyes, very bright and somehow terribly sad. Black hair, not too long, quite straight, beautifully styled and very glossy, the way people's hair is supposed to look when they eat a lot of arsenic. His face was very pale. When I said he was slender, it was more than that, undernourished really. My mother would have loved to give him one of her high-calorie crash courses....

Suddenly Georg and I were looking right straight dumbing in each other's eyes like they make you do at group psychotherapy. You know what that can do to you even if the other person is a creep, and this wasn't my creep, it was Georg. Talk about melting at the knees, I was dissolving right up near my waist.

He smiled. He had these wide, mobile lips. They looked very red against his pale cheeks and those very white, shiny teeth. It's not that I'm a tooth fetishist, but his teeth kind of drew me.

Then he spoke.

"Good evening."
