Table Talk Appalachian Meals And Memories

Andrew F. Smith

Table Talk Appalachian Meals And Memories:

Table Talk Sidney Saylor Farr,1995-09-01 The long awaited companion volume to Farr s More Than Moonshine a book that introduced readers to mountain cooking lore way of life of southern Appalachia Here she interviews a wide array of people from Kentucky Virginia North Carolina Tennessee Indiana In their own words they convey the flavor of olden day mountain life Each first person account is preceded by the author s introductory comments followed by a sampling of recipes ranging from such staple fare as corn bread chicken dumplings to family favorites like soft ginger cake or gut am growling stew The additional sections Recipes from My Friends My Recipes enhance the use of this book as a standard for mountain cooking

Table Talk Sidney Saylor Farr,1995 In their own words they convey the flavor of olden day mountain life back home kitchens the warmth from wood burning stoves the smell of coffee simmering and biscuits baking and the family gathered around the kitchen table to talk and eat

Appalachia on the Table Erica Abrams Locklear,2023-04-15 When her mother passed along a cookbook made and assembled by her grandmother Erica Abrams Locklear thought she knew what to expect But rather than finding a homemade cookbook full of apple stack cake leather britches pickled watermelon or other traditional mountain recipes Locklear discovered recipes for devil s food cake with coconut icing grape catsup and fig pickles Some recipes even relied on food products like Bisquick Swans Down flour and Calumet baking powder Where Locklear wondered did her Appalachian food script come from And what implicit judgments had she made about her grandmother based on the foods she imagined she would have been interested in cooking Appalachia on the Table argues in part that since the conception of Appalachia as a distinctly different region from the rest of the South and the United States the foods associated with the region and its people have often been used to socially categorize and stigmatize mountain people Rather than investigate the actual foods consumed in Appalachia Locklear instead focuses on the representations of foods consumed implied moral judgments about those foods and how those judgments shape reader perceptions of those depicted The question at the core of Locklear s analysis asks How did the dominant culinary narrative of the region come into existence and what consequences has that narrative had for people in the mountains

The Edible South Marcie Cohen Ferris,2014 Edible South The Power of Food and the Making of an American Region

Kentucky's Cookbook Heritage John van Willigen,2014-11-12 A Southern historian combs through Kentucky cookbooks from the mid nineteenth century through the twentieth to reveal a fascinating cultural narrative In Kentucky s Cookbook Heritage John van Willigen explores the Bluegrass State s cultural and culinary history through the rich material found in regional cookbooks He begins in 1839 with Lettice Bryan s The Kentucky Housewife which includes pre Civil War recipes intended for use by a household staff instead of an individual cook along with instructions for serving the family Van Willigen also shares the story of the original Aunt Jemima the advertising persona of Nancy Green born in Montgomery County Kentucky who was one of many African American voices in Kentucky culinary history Kentucky s Cookbook Heritage is a journey through the history of the

commonwealth showcasing the shifting attitudes and innovations of the times Analyzing the historical importance of a wide range of publications from the nonprofit and charity cookbooks that flourished at the end of the twentieth century to the contemporary cookbook that emphasizes local ingredients van Willigen provides a valuable perspective on the state s social history *Food and Drink in American History* Andrew F. Smith,2013-10-28 This three volume encyclopedia on the history of American food and beverages serves as an ideal companion resource for social studies and American history courses covering topics ranging from early American Indian foods to mandatory nutrition information at fast food restaurants The expression you are what you eat certainly applies to Americans not just in terms of our physical health but also in the myriad ways that our taste preferences eating habits and food culture are intrinsically tied to our society and history This standout reference work comprises two volumes containing more than 600 alphabetically arranged historical entries on American foods and beverages as well as dozens of historical recipes for traditional American foods and a third volume of more than 120 primary source documents Never before has there been a reference work that coalesces this diverse range of information into a single set The entries in this set provide information that will transform any American history research project into an engaging learning experience Examples include explanations of how tuna fish became a staple food product for Americans how the canning industry emerged from the Civil War the difference between Americans and people of other countries in terms of what percentage of their income is spent on food and beverages and how taxation on beverages like tea rum and whisky set off important political rebellions in U S history [Listen Here](#) Sandra L. Ballard,Patricia L. Hudson,2013-07-24 A comprehensive and unsurpassed anthology of women writers from Appalachia Exceptional in diversity and scope Southern Historian Listen Here Women Writing in Appalachia is a landmark anthology that brings together the work of 105 Appalachian women writers including Dorothy Allison Harriette Simpson Arnow Annie Dillard Nikki Giovanni Denise Giardina Barbara Kingsolver Jayne Anne Phillips Janice Holt Giles George Ella Lyon Sharyn McCrumb and Lee Smith Editors Sandra L Ballard and Patricia L Hudson offer a diverse sampling of time periods and genres established authors and emerging voices From regional favorites to national bestsellers this unprecedented gathering of Appalachian voices displays the remarkable talent of the region s women writers who ve made their mark at home and across the globe A giant step forward in Appalachian studies for both students and scholars of the region and the general reader Nothing less than a groundbreaking and landmark addition to the national treasury of American literature Bloomsbury Review A remarkable accomplishment bringing together the work of 105 female Appalachian writers saying what they want to and saying it in impressive bodies of literature Lexington Herald Leader One of the keenest pleasures in Listen Here lies in its diversity of voices and genres Material Culture Besides introducing readers to many new voices the anthology provides a strong counterpart to the stereotype of hillbillies that have cursed the region Atlanta Journal Constitution Full of welcome surprises to those new to this regional literature specifically it includes particularly strong selections from children s fiction and a

substantial number of African American writers Choice **The Oxford Encyclopedia of Food and Drink in America**
