Promiscuous Power Martin Austin Nesvig,2018-07-01 Scholars have written reams on the conquest of Mexico from the grand designs of kings viceroys

conquistadors and inquisitors to the myriad ways that indigenous peoples contested imperial authority. But the actual work of establishing the Spanish empire in Mexico fell to a host of local agents: magistrates, bureaucrats, parish priests, ranchers, miners, sugar producers, and many others who knew little and cared less about the goals of their superiors in Mexico City and Madrid. Through a case study of the province of Michoacán in western Mexico, *Promiscuous Power* focuses on the prosaic agents of colonialism to offer a paradigm-shifting view of the complexities of making empire at the ground level. Presenting rowdy, raunchy, and violent life histories from the archives, Martin Austin Nesvig reveals that the local colonizers of Michoacán were primarily motivated by personal gain, emboldened by the lack of oversight from the upper echelons of power and thoroughly committed to their own corporate memberships. His findings challenge some of the most deeply held views of the Spanish colonization of Mexico, including the Black Legend, which asserts that the royal state and the institutional church colluded to produce a powerful Catholicism that crushed heterodoxy, punished cultural difference, and ruined indigenous worlds. Instead, Nesvig finds that Michoacán, typical of many frontier provinces of the empire, became a region of refuge from imperial and juridical control and formal Catholicism, where the ordinary rules of law, jurisprudence, and royal oversight collapsed in the entropy of decentralized rule.

Christian Theologies of Salvation Justin S. Holcomb, 2017-10-31 This text introduces the reader to the great variety of distinctive interpretations within the Christian tradition regarding theologies of salvation, distinctive interpretations expressed by a wide range of Christian theologians.

Leaders General Stanley McChrystal, Jeff Eggers, Jay Mangone, 2018-10-23 An instant national bestseller, Stanley McChrystal, the retired US Army general and bestselling author of *Team of Teams*, profiles thirteen of history's great leaders, including Walt Disney, Coco Chanel, and Robert E. Lee, to show that leadership is not what you think it is, and never was. Stan McChrystal served for thirty-four years in the US Army, rising from a second lieutenant in the 82nd Airborne Division to a four-star general in command of all American and coalition forces in Afghanistan. During those years, he worked with countless leaders and pondered an ancient question: What makes a leader great? He came to realize that there is no simple answer. McChrystal profiles thirteen famous leaders from a wide range of eras and fields, from corporate CEOs to politicians and revolutionaries. He uses their stories to explore how leadership works in practice and to challenge the myths that complicate our thinking about this critical topic. With Plutarch's *Lives* as his model, McChrystal looks at paired sets of leaders who followed unconventional paths to success. For instance, Walt Disney and Coco Chanel built empires in very different ways. Both had public personas that sharply contrasted with how they lived in private. Maximilien Robespierre helped shape the French Revolution in the eighteenth century; Abu Musab al Zarqawi led the jihadist insurgency in Iraq in the twenty-first. We can draw surprising lessons from them about motivation and persuasion. Both Boss Tweed in nineteenth-century New York and Margaret Thatcher in twentieth-century Britain followed unlikely roads to the top of powerful institutions. Martin Luther and his future namesake, Martin Luther King Jr., both local clergymen, emerged from modest backgrounds to lead world-changing movements. Finally,

McChrystal explores how his former hero General Robert E Lee could seemingly do everything right in his military career and yet lead the Confederate Army to a devastating defeat in the service of an immoral cause Leaders will help you take stock of your own leadership whether you re part of a small team or responsible for an entire nation **The Catholic miscellany and monthly repository of information** ,1828 *A History of Europe, 1500-1815* James Edward Gillespie,1928 **Martin Luther** Larry D. Mansch,Curtis H. Peters,2016-05-19 Combining biographical narrative and analytical essays this book provides a new comprehensive view of Martin Luther s life and times along with a new examination of the radical theology that sparked the Reformation and changed the Christian world forever Drawing on sources new and old the authors chronicle the fascinating turbulent life of the Great Reformer from a historical point of view Luther s revolutionary thoughts on scripture and salvation are explored from a theological perspective offering a fresh appraisal of the doctrine that irrevocably divided the Roman Catholic Church *Christianity at the Religious Roundtable* Timothy C. Tennent,2002-11-01 Argues that Christian dialogue with other faiths is an integral part of our call to proclaim the message of Christ
