Table For One The Savvy Girls Guide To Singleness:

Table for One Camerin Courtney, 2002-04-01 A happy successful God pleasing life comes in a variety of packages And contrary to what our churches married friends society and nosy Aunt Marge may tell us that includes singleness In this up front book packed with girl talk and plenty of pep Camerin Courtney reveals how she transformed from a self conscious single girl to an I am single hear me roar woman While she admits that she still has singleness stinks days Courtney doesn't indulge in pity parties or offer readers a guide on finding Mr Right Table for One is instead an optimistic up beat look at the many emotions expectations joys frustrations and privileges of singleness It shows how to dive into God's plan and purposes for this phase of life whether it lasts for four years or forever Fun and encouraging sidebars sprinkle the text covering everything from must see movies to a list of great things about singleness i e If we buy floral sheets no one complains This savvy girlfriend to girlfriend guide to singleness will delight and inspire single women It offers great insight for friends families and church leaders who want to encourage them as well *The Single Girl's Survival Guide* Imogen Lloyd Webber, 2011-02-08 What's life like for the single girl in the post Sex and the City and Bridget Jones era Imogen Lloyd Webber who's 30 and happily unwed tells all in a smart and sassy guide to work mind body home friends socializing and of course dating and sex She even creates her own shorthand for discussing relationships explaining what the difference is between a SMBF Straight Male Best Friend and a PMDL Promise Much Delivers Little boy You'll find funny and realistic girl talk about everything from dealing with family Valentine's Day and being a plus one to gynecologist appointments apartment decorating and roommate disasters There's savvy advice on picking guys up too but the focus is always on the fabulous single girl herself **Celebrating the Single Life** David Yount, 2009-02-24 American society is no longer defined by marriage Today an increasing majority of American households are headed by single men and women Even those Americans who do marry spend at least half of their adult lives alone Living on one's own presents unique challenges depending on one's age health and circumstances So the script for successful single living calls for different strategies for young adults the recently divorced single parents and those widowed or experiencing single life in later adulthood Here Dr Yount considers each group's special needs and challenges and offers a guide for leading a productive rewarding and fulfilling single life Single living he contends requires some core abilities overcoming loneliness reaching out to others developing faith in oneself and self respect keeping up with daily activities and maintaining good health security and a sense of humor This book helps readers learn to celebrate their single status and to find contentment and peace while living on their own These days if you are unmarried and pining for romance you are in a small minority Until recently most Americans considered single life to be a temporary situation during which one would simply wait for a soul mate to come along Those who remained unwed were pitied as bachelors and spinsters No longer These days most single men and women find autonomy in negotiating their way through life by relying on their own resources with marriage remaining one option but not an imperative Even those who do

marry are getting married later and those who divorce or are widowed often choose to stay single With this trend toward singlehood increasing affirming the single life and making a success of it becomes all the more important Yount offers advice for creating a gratifying and happy single life at any stage and provides insight into those things that can contribute to a satisfying single lifestyle He pinpoints areas that often get ignored by singles and proposes solutions to some of the pitfalls that can lead to loneliness or unhappiness Leading a fulfilling single life is not only possible it can in fact be rewarding in itself and Yount shows readers how to lead productive and creative lives as modern singles

The Book of Womanhood
