Tabu Moses Maladina, 2003 1933 Elizabeth Castleton travels to Papua New Guinea with her husband the new administrator of a troubled colonial regime In search of fulfilment beyond her stifling marriage she stumbles into a dangerous relationship with a native police sergeant But in a society divided by race there is much more at stake than their happiness 1997 Embroiled in a situation that could topple the government Edward Murray traces the mystery of his grandfather's identity back to one man in Port Moresby The answers shock him and as unrest in Papua grows the past seems no more certain than the future
