## **Taccuino Di Caporetto:**

Taccuino di Caporetto Carlo Emilio Gadda,1992      *Il trauma di Caporetto* AA.VV.,2018-11-16 La battaglia di Caporetto 24 ottobre 9 novembre 1917 ha rappresentato un trauma nella storia italiana del Novecento Ancor oggi nel linguaggio comune la parola Caporetto sinonimo di disastro In quella battaglia i soldati della 2a Armata vengono respinti dagli austriaci e dai tedeschi al di qua dell Isonzo e del Tagliamento fino al Piave mentre i Comandi militari li accusano di diserzione e tradimento Cento anni dopo questo volume affronta in un ottica pluridisciplinare e interdisciplinare e alla luce della nozione di trauma gli aspetti storici politici e militari della disfatta Esso fa largo spazio anche alle testimonianze dei soldati scrittori la cui esperienza di quei giorni acquista senso se inserita in una dimensione collettiva e storica Le stratificazioni temporali relative tanto alla lettura storiografica militare e politica quanto agli scritti memoriali e letterari costituiscono un fattore importante per la riappropriazione di un evento che tocca la storia e l'identità italiane Nel processo di rievocazione del trauma la rappresentazione dello choc subìto tiene conto sia dell immediatezza del vissuto che della simbolizzazione retrospettiva Questo volume intende allora studiare i meccanismi attraverso i quali il ricordo del trauma di Caporetto prende forma nel linguaggio autobiografico o finzionale inteso anche come espressione terapeutica e luogo della resilienza      *Caporetto* Camillo Pavan,1997-10-03 Il paesaggio avvolto nella nebbia e immerso nella più profonda oscurità quando alle ore 2 del 24 ottobre 1917 si scatena il fuoco delle migliaia di cannoni che stavano in agguato fra Plezzo e Tolmino Il rumore dei colpi amplificato dall'eco delle montagne talmente terrificante che anche i veterani delle infernali battaglie della Somme e di Verdun esclamano convinti Oggi non vorrei proprio essere un italiano Krafft von Dellmensingen Nessuna battaglia era stata prevista con tanta precisione e nessuna battaglia fu affrontata con tanta fiducia quanta se ne aveva il 23 ottobre alla vigilia di Caporetto Relazione ufficiale italiana Era stato tutto previsto tranne che gli attaccanti puntassero alla rottura del fronte partendo dal fondovalle Difendevamo con vigore i sentieri alpini e trascuravamo le vie maestre Gen Caviglia      **Morale and the Italian Army during the First World War** Vanda Wilcox,2016-07-04 Italian performance in the First World War has been generally disparaged or ignored compared to that of the armies on the Western Front and troop morale in particular has been seen as a major weakness of the Italian army In this first book length study of Italian morale in any language Vanda Wilcox reassesses Italian policy and performance from the perspective both of the army as an institution and of the ordinary soldiers who found themselves fighting a brutally hard war Wilcox analyses and contextualises Italy's notoriously hard military discipline along with leadership training methods and logistics before considering the reactions of the troops and tracing the interactions between institutions and individuals Restoring historical agency to soldiers often considered passive and indifferent Wilcox illustrates how and why Italians complied endured or resisted the army's demands through balancing their civilian and military identities      **I prigionieri italiani dopo Caporetto** Camillo Pavan,2001-11-01 Il tragico destino dei vinti di Caporetto sospinti come mandrie verso l'interno degli Imperi Centrali Dopo interminabili marce

forzate ed estenuanti viaggi in treno per 300 000 prigionieri italiani si aprono le porte dei campi di concentramento austro-ungarici e tedeschi i campi della morte Seguendo il filo rosso di numerosi racconti autobiografici l'autore ci accompagna in presa diretta dentro uno degli eventi più dolorosi e meno conosciuti della storia del XX secolo *Caporetto* Alessandro Barbero, 2017-10-19T00:00:00+02:00 Alle due del mattino del 24 ottobre 1917 i cannoni austro-tedeschi cominciarono a colpire le linee italiane All'alba le Sturmtruppen protette dalla nebbia andarono all'assalto In poche ore le difese vennero travolte e la sconfitta si trasformò in tragedia nazionale Oggi sappiamo che quel giorno i nostri soldati hanno combattuto eccome finché hanno potuto Ma perché l'esercito italiano si rivelò così fragile fino al punto di crollare Da cent'anni la disfatta di Caporetto suscita le stesse domande fu colpa di Cadorna di Capello di Badoglio I soldati italiani si batterono bene o fuggirono vigliaccamente Ma il vero problema un altro perché dopo due anni e mezzo di guerra l'esercito italiano si rivelò all'improvviso così fragile L'Italia era ancora in parte un paese arretrato e contadino e i limiti dell'esercito erano quelli della nazione La distanza sociale tra i soldati e gli ufficiali era enorme si preferiva affidare il comando dei reparti a ragazzi borghesi di diciannove anni piuttosto che promuovere i sergenti contadini o operai che avevano imparato il mestiere sul campo Era un esercito in cui nessuno voleva prendersi delle responsabilità e in cui si aveva paura dell'iniziativa individuale tanto che la notte del 24 ottobre 1917 con i telefoni interrotti dal bombardamento nemico molti comandanti di artiglieria non osarono aprire il fuoco senza ordini Un paese retto da una classe dirigente di parolai aveva prodotto generali capaci di emanare circolari in cui esortavano i soldati a battersi fino alla morte credendo di aver risolto tutti i problemi In questo libro Alessandro Barbero ci offre una nuova ricostruzione della battaglia e il racconto appassionante di un fatto storico che ancora ci interroga sul nostro essere una nazione

**Italy and the Cultural Politics of World War I** Graziella Parati, 2016-09-14 Italy and the Cultural Politics of World War I dialogues with the variety of texts recently published to commemorate the Great War It explores Italian socialist pacifism the role of women during the conflict and a dominant cultural movement Futurism whose leader Filippo Tommaso Marinetti glorified war and enlisted in the fight Other soldiers created documents about the war that differ from the heroic and virile endeavor that Marinetti placed at the center of his works on war Italy and the Cultural Politics of World War I pays attention to the representations of the soldiers through an analysis of their letters dominated by descriptions of the terrible hunger they suffered In contrast popular film absorbed the cultural lessons in Marinetti's writings and represented soldiers as modernist heroes in comedies and dramas However film did not shy away from representing cowards who could only be buffoons and fools in propaganda films In another medium the concern was to publish texts that would serve the fighting soldier and inform readers about ideological and historical motivations for the conflict The publishing industry supported national propaganda efforts Only socialism could endanger anti-war publication but after its initial opposition to the conflict socialists occupied a neutral position Italian socialism still remained the only European socialist party that did not renege its pacifism in order to embrace nationalism and the war but

it was also not in favor of actions that would sabotage in the Italian war industry Italian socialism is only one feature of Italian culture that was dramatically changed during the war WWI impacted every aspect of Italian and of European cultures For instance as an essay in Italy and the Cultural Politics of World War I explores the war industry needed workers The solution was to bring Chinese men France to contribute in the war effort After the war they moved to other countries and in Milan Italy they founded one of the oldest Chinatowns in Europe dramatically changing the human landscape of Italy as they later moved to other Italian cities Italy and the Cultural Politics of World War I supplies essential research articles to the construction of an inclusive portrayal of WWI and Italian culture by deepening our understanding of the transformative role it played in 20th century Italy and Europe

**Researching World War I** Robin Higham, Dennis Showalter, 2003-12-30 World War I was the greatest cataclysm Europe had ever known directly involving 61 million troops from 16 nations Yet the history of the war and the reasons it started and spread so rapidly were vastly more complex than the players realized Written by highly respected authorities this book discusses the literature on all aspects of the war making it an excellent starting point for anyone seeking guidance to the immense and often daunting body of World War I literature The struggle mobilized manpower from home troops from the colonies abroad and in most countries women as well as men Governments increasingly intervened in everyday life New weapons and organizational structures were developed Yet the history of the war and the reasons it started and spread so rapidly were vastly more complex than the players realized Written by highly respected authorities this book discusses the literature on all aspects of the war Dennis Showalter's opening chapter covers the controversial issue of the war's origins a complex subject that has been much debated by historians Ensuing chapters consider the literature on each of the participating countries The broader subjects of the war at sea and the war in the air are also covered Daniel Beaver's final chapter discusses the mobilization of industry and the new military technology This book is an excellent starting point for anyone seeking guidance to the immense and often daunting body of World War I literature

*1917: Beyond the Western Front* Ian Beckett, 2009-01-31 The growing military political and socio economic costs for all belligerents as the Great War entered its fourth year were increasingly evident liberal democracies and authoritarian states alike having to remobilise public opinion for yet greater sacrifices While the Western Front was facing these challenges 1917 was also marked by the collapse of Tsarist Russia and by food riots resulting both from the Entente's blockade of Central Europe and the revival of unrestricted submarine warfare by the Central Powers Ottoman Turkey was feeling the strain of war as well as British forces advanced in both Palestine and Mesopotamia For states as yet uncommitted to war such as the United States and China 1917 was a year of decision This volume amply illustrates the significance of this crucial year in the global conflict Contributors are Lawrence Sondhaus Eric Grove Keith Grieves Matthew Hughes Kaushik Roy Vanda Wilcox Laura Rowe and Nick Hewitt
