*Motherhood and Single-Lone Parenting: A 21st Century Perspective* Maki Matapanyane,2016-07-01 The 21st century sustains one significant commonality with the decades of the preceding century The majority of individuals parenting on their own and heading one parent families continue to be mothers Even so current trends in globalization economic political cultural along with technological advancement shifts in political economic and social policy contemporary demographic shifts changing trends in the labor sector linked to global economics and developments in legislative and judicial output all signify the distinctiveness of the current moment with regard to family patterns and social norms Seeking to contribute to an existing body of literature focused on single motherhood and lone parenting in the 20th century this collection explores and illuminates a more recent landscape of 21st century debates policies and experiences surrounding single motherhood and one parent headed families

*Brief Therapy With Single-Parent Families* Anita Morawetz,Gillian Walker,2014-07-22 First published in 1984 This is the first book in the mental health field to examine the complex phenomenon of the single parent family from a systems perspective and to offer a clinical approach based on that expanded perspective

*I Was A Teenager Father: Parenting from the perspective of an African American, Single Parent Father* Rashan Cole,2014-07-21 Being a new parent can be hard and anyone who has been through it will tell you there s no instruction manual on doing it the right way My daughter was born when I was only 16 and I had to figure things out the hard way This book chronicles some of the trials and tribulations I dealt with as a first time parent and throughout I give advice on how to avoid certain pitfalls in parenting and work through some almost inevitable challenges Some things I say you may or may not agree with either way you may be right after all no two situations are the same But I know what it feels like to be a new parent especially an unprepared teenage parent trying your best to raise a child and wondering What in the world have I gotten myself into If you re an African American Caucasian or other whether you re a teenage parent or just a

parent of an infant or young child and are looking for a little help well I ll try to give you some of the best advice I can and hopefully it will help you in raising your child      A Woman'S Guide to the Male Mind Sam Geraldo,2011-01-14 A Womans Guide to the Male Mind is the indirect result of a blog that I wrote in 2005 How Do You Tell If a Guy Fancies You The article was so popular receiving more than 70 replies from women with lots more questions that I launched my web site [www.seducemen.co.uk](http://www.seducemen.co.uk) Since then most of the advice Ive given in hundreds of published articles was based on my own experiences and those of my friends To write the book however I adopted a more scientific approach I performed a significant amount of research into recent discoveries by anthropologists sociologists psychologists and biochemists on topics ranging from basic sexual attraction to personality type and male female communications strategies Its my belief therefore that A Womans Guide to the Male Mind features the best of two worlds common sense opinions backed by solid empirical evidence By helping ladies understand the male point of view with regard to sex dating and relationships I hope to eliminate the senseless conflicts that so often erupt between lovers and would be lovers Once you understand a few fundamentals about the male mind and male behaviour you will stop thinking of men as inscrutable blockheads and primitive misfits You will no longer regard them as you would a small nasty child or an alien race Arming yourself with the wisdom in this book youll increase your odds of finding happiness and harmony in romantic relationships and you will help ensure that this bliss lasts a lifetime By the time a man reaches maturity he has passed through four evolutionary stages in his attitude toward women and relationships Its very important to understand and identify these four stages because it will save you from wasting time on guys who arent ready for serious romance      American Book Publishing Record ,1997      **Single Parenting That Works** Kevin Leman,2015-04-17 Being a parent is challenging enough Being a single parent can seem downright impossible until now Drawing on material from his successful Single Parenting That Works curriculum guide and video series America s favorite parenting expert Dr Kevin Leman brings help and hope to the legions of single parents struggling to raise happy healthy well adjusted children in a loving caring and biblically grounded way Using his trademark quirky no nonsense approach Dr Leman shows parents how to build healthy mature relationships with their former spouses how to develop their children s self esteem and how to discipline and relate to their kids in accordance with their unique God given personalities Features Building stability for your children by getting your own life in order How forgiveness opens the door to healthy relationships Learning to deal with your ex with an olive branch rather than a hammer Dating and remarriage Helping your child thrive in a single parent home      *New Books on Women and Feminism* ,1998      **Parenting in Global Perspective** Charlotte Faircloth,Diane M. Hoffman,Linda L. Layne,2013-10-28 Drawing on both sociological and anthropological perspectives this volume explores cross national trends and everyday experiences of parenting Parenting in Global Perspective examines the significance of parenting as a subject of professional expertise and activity in which adults are increasingly expected to be emotionally absorbed and become personally fulfilled By focusing the significance of parenting as

a form of relationship and as mediated by family relationships across time and space the book explores the points of accommodation and points of tension between parenting as defined by professionals and those experienced by parents themselves Specific themes include the ways in which the moral context for parenting is negotiated and sustained the structural constraints to good parenting particularly in cases of immigration or reproductive technologies the relationship between intimate family life and broader cultural trends parenting culture policy making and nationhood parenting and as adult identity work Including contributions on parenting from a range of ethnographic locales from Europe Canada and the US to non Euro American settings such as Turkey Chile and Brazil this volume presents a uniquely critical and international perspective which positions parenting as a global ideology that intersects in a variety of ways with the political social cultural and economic positions of parents and families

*Dealing with and Overcoming the Trials and Tribulations of Life* Dr. Rodwell Rillen, 2019-09-11 The information in the book is intended to enlighten young people about the trials and tribulations in one's life and how to deal with them by learning from the experiences of others to be successful in life and when the chips are down to continue to focus on one's career goals to uplift oneself and keep going until that goal is met Too many of our young people want too many things too fast in life without putting in the hard work Corruption is the word of today and young people have to believe in themselves to go down the straight and narrow road in life but with the help from others and some type of spiritual belief to receive that help It is for them to understand that the devil is a busy guy and loves to see bad things happen to people even though such things can turn out to be lucrative but they never last and just make one's life miserable

**Surviving and Thriving on the Single-Parent Journey** Kathlene Seney-Williams, 2019-08-23 Insightful honest and very down to earth I so wish there had been a book like this when I was a single dad Steve Legg editor Sorted magazine This is a book that comes alongside the reader as a travel guide and walks through the journey via a step by step approach Walking the Single Parent Journey offers the reader a chance for self discovery of coming to terms with the pains and effects of the past in order to boldly face the challenges that lie ahead The book discusses the everyday struggles and issues that single parents face whilst offering advice and tips on managing and dealing with them successfully The author encourages the reader to create systems and put strategies in place to help make life easier drawing on her own experiences

**Dealing with an International Clientele** Meri Meredith, 2005 Designed for information professionals this book sets out how to provide an effective library service to patrons from different countries and ethnic backgrounds and covers communications with patrons whose mother tongue is not English as well as the differences in cultural etiquette

**Trapped and Tackled** Gina Azzi , Knoxville Coyotes kicker Talon Miller is off limits For starters my dad is the Coyotes Head Coach and I don't date his players More than that I'm reeling from a breakup The man I thought I was going to marry hurt me in ways I'm still processing and I know better than to dive into a new romantic entanglement Especially one with a charming larger than life football player When my dad assigns Talon as my chaperone for a weekend getaway with friends I

m humiliated But that weekend proves to be more than either of us bargains for I see the real Talon the man behind the charismatic playboy reputation He s thoughtful and perceptive understanding and sincere He s also adamant about protecting me Talon makes me feel safe and cared for As a result I confide in him Trust him Want him A spark ignites between us and it changes everything Because I m trapped in a situation I shouldn t be in and Talon is determined to tackle my demons Even the ones that threaten to destroy me
