Proactive and Reactive Discipline Strategies

- Proactive discipline plans can be conceptualized as being preventative and taking a positive approach to classroom management. (Clunies-Ross, Little, & Keinhuis, 2008)
- Teachers using Reactive strategies are more likely to respond negatively to students' inappropriate behaviors, rather than responding positively to students' appropriate behaviors. (Clunies-Ross, Little, & Keinhuis, 2008)
- If you need to correct individuals or groups, make sure to do so during an active time when everyone else is engaged so that attention is not drawn to those students. (Wolfgang, 2009)
