Culture and Customs of Taiwan Gary M. Davison,Barbara Reed,1998-09-24 Taiwanese society is in the midst of an immense exciting effort to define itself seeking to erect a contemporary identity upon the foundation of a highly distinctive history This book provides a thorough overview of Taiwanese cultural life The introduction familiarizes students and interested readers with the island s key geographical and demographic features and provides a chronological summary of Taiwanese history In the following chapters Davison and Reed reveal the uniqueness of Taiwan and do not present it simply as the laboratory of traditional Chinese culture that some anthropologists of the 1950s through the 1970s sought when mainland China was not accessible The authors examine how religious devotion in Taiwan is different from China in that the selected deities are those most relevant to the needs of the Taiwanese people Literature and art particularly of the 20th century reflect the Taiwanese quest for identity more than the grand Chinese tradition The Taiwanese architecture festivals and leisure activities music and dance cuisine and fashion are also highlighted topics The final chapter presents the most recent information regarding children and education and explores the importance of the Taiwanese family in the context of meaningful relationships amongst acquaintances friends and institutions that make up the social universe of the Taiwanese This text is a lively treatment of one of the world s most dynamic societies Anderson's Travel Companion Compiled by Sarah Anderson,2016-12-05 A selection of the best in travel writing with both fiction and non fiction presented together this companion is for all those who like travelling like to think about travelling and who take an interest in their destination It covers guidebooks as well as books about food history art and architecture religion outdoor activities illustrated books autobiographies biographies and fiction and lists books both in and out of print Anderson s Travel Companion is arranged first by continent then alphabetically by country and then by subject cross referenced where necessary There is a separate section for guidebooks and comprehensive indexes Sarah Anderson founded the Travel Bookshop in 1979 and is also a journalist and writer on travel subjects She is known by well known travel writers such as Michael Palin and Colin Thubron Michael Palin chose her bookshop as his favourite shop and Colin Thubron and Geoffrey Moorhouse among others made suggestions for titles to include in the Travel Companion **Times of India Illustrated Weekly** ,1988-10 **Whole Earth Access Mail Order Catalog** ,1985 *Taiwan Business* Christine Genzberger,1994 An encyclopedic view of doing business with Taiwan Contains the how to where to and who with information needed to operate internationally **The Politics of Locality** Hsin-Yi Lu,2002-08-30 During the mid 1990s Taiwan witnessed a remarkable proliferation of historical writings and cultural movements pertaining to the local Place difang and community shequ became two ubiquitous terms in the lexicon of being Taiwanese This book is a critical examination of the socio historical condition in which the discourse of local diversity emerged and gradually permeated Taiwan s public culture Interweaving ethnographic sensibility and theoretical insights

across disciplines including anthropology cultural studies and cultural geography the study elucidates the complex relationships between localism nationalism and globalism Not only is it a rare type of ethnography in Taiwan studies this book also enriches our understanding of the increasingly significant field of East Asia post modernity *South-East Asia on a Shoestring* Tony Wheeler,1985 *Airline Survival Kit* Nawal K. Taneja,2017-07-05 Reviews the challenges encountered by the airline industry plausible future prospects for global passenger growth and its regional distribution and alternative airline business models to capture and stimulate this traffic **India** ,1984 **Africa on a Shoestring** Geoff Crowther,1986 *Papua New Guinea Phrasebook* John Hunter,1986 *Chinese Whispers* Nicholas Jose,2012 This is a literary journey of an Australian writer s encounter with the culture and people of China particularly its young writers and artists and of the evolving influence of China on the writer s own work and life Nicholas Jose is the author of four novels and two collections of short stories He was Cultural Counsellor at the Australian Embassy Beijing between 1987 and 1990 and has taught Australian Studies in China Korea James Hoare,Susan Pares,2024-11-01 Host country to the 1988 Olympic Games the Republic of Korea South Korea became prominent in world affairs but surprisingly little was known about the general public First published in 1988 Korea provides a complete picture of the country and its people The authors reveal the continuing importance of the country s economic development which enabled it to develop almost overnight from a starvation economy into an international force and offer an insight into the distinct and under appreciated cultural tradition of the Republic of Korea They set the Korean peninsula in its Asian context and give a fascinating description of the Korean people their society language customs and religions both old and new the role of the family and of women and the aspirations of ordinary Koreans as their country emerged into the international limelight This book is a must read for students of Asian studies and history and general readers interested in the topic China Phrasebook ,1985 An indispensable phrasebook for the traveller in China Included are special sections to help you communicate **Indonesia** ,1986 *The Traveller's Handbook* Sarah Gorman,1991 **Taiwan** Wei-chin Lee,1990
