The A to Z of Taiwan (Republic of China) John Franklin Copper, 2010-04-01 Taiwan an island located off the east coast of southern China is the largest piece of territory under the jurisdiction of the nation known officially as the Republic of China Constant debate over whether Taiwan is its own sovereign state part of the Republic of China or part of the People's Republic of China has been going on for years With Chinese leaders in the People's Republic of China rejecting Taiwan's legal separation and vowing that they will resolve the Taiwan issue by military force if necessary and most citizens of Taiwan opposing unification with China in the short run it would appear that Taiwan faces some tough decisions ahead The A to Z of Taiwan Republic of China offers insight into Taiwan's situation through a chronology an introduction appendixes a map a bibliography and several hundred cross referenced dictionary entries on important people places events political parties and institutions as well as major political economic social and cultural aspects of this island country Whether or not Taiwan joins the People's Republic of China or gains its independence Taiwan's outcome is of the utmost importance and this reference provides the necessary information to understand its state of affairs

**The to Z of Taiwan (Republic of China)** John Franklin Copper, 2010-04 Offers insight into Taiwan's situation through a chronology an introduction appendixes a map a bibliography and several hundred cross referenced dictionary entries on important people places events political parties and institutions as well as major political economic social and cultural aspects of this island country

**Historical Dictionary of Taiwan (Republic of China)** John F. Copper, 2024-11-05 Taiwan is a place of contradictions Its successful economic and political modernization has stimulated the imaginations of most observers Still its nation state status has been constricted and weakened It covets and pursues

peace yet it is a vortex actor in global strategic military competition It is small yet its importance far exceeds its size It has long occupied a crucial place in history even though it has not sought this status yet it appears inevitable that it will continue to do so Historical Dictionary of Taiwan Republic of China Fifth Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 600 cross referenced entries on important personalities as well as aspects of the country s politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Taiwan Taiwan John F Copper,2018-05-04 In this newly revised and updated edition of Taiwan Nation State or Province John F Copper examines Taiwan s geography and history society and culture economy political system and foreign and security policies in the context of Taiwan s uncertain political status as either a sovereign nation or a province of the People s Republic of China Copper argues that Taiwan s very rapid and successful democratization suggests Taiwan should be independent and separate from China while economic links between Taiwan and China indicate the opposite New to the sixth edition is enhanced coverage of the issues of immigration the impact of having the world s lowest birthrate China s economic and military rise and America s decline Taiwan s relations with China the United States and Japan and the KMT s Nationalist Party return to power The new edition will also examine the implications of the 2012 presidential election A selected bibliography guides students in further research **Taiwan** John Franklin Copper,2019-11-13 In this newly revised and updated seventh edition of Taiwan Nation State or Province Copper examines Taiwan s geography and history society and culture economy political system and foreign and security politics in the context of Taiwan s uncertain status as either a sovereign nation or a province of the People s Republic of China Analyzing possible future scenarios and trends that could affect Taiwan s status the author argues that Taiwan s very rapid and successful democratization suggests Taiwan should be independent and separate from China while economic links between Taiwan and China indicate the opposite New features to this brand new edition include The triumph of the Democratic Progressive Party DPP in the 2016 elections The impact of the Trump administration on US Taiwan relations The rise of popularism The shift in cross Strait relations with China given their increased power on the world stage This revised and fully up to date textbook will be essential reading for students of Taiwan China US China relations and democracy

The Armies of East Asia Dennis Van Vranken Hickey,2001 The end of the 1980s and the beginning of the 1990s have been a time of great change for academic libraries and librarians Rapid developments in technology have revolutionized the libraries means and mission while declining budgets have adversely impacted the ability of librarians to carry out their roles The literature of academic librarianship today reflects these changes and points to the direction in which academic libraries are headed This book is a comprehensive guide to book chapters and articles written on academic librarianship between 1990 and 1993 Entries for nearly 1 700 works are grouped in six topical chapters for ease of use Each entry includes an informative annotation that summarizes the key points made by the authors the major findings of research projects and the

names and locations of libraries with innovative programs Extensive author article book journal title and subject indexes conclude the work The volume is a useful tool for locating specific information on various topics and it is a forecast of the future of academic libraries

**The KMT Returns to Power** John Franklin Copper, 2013 In this book the author examines how the Nationalist Party Kuomintang or KMT returned to govern Taiwan after ruling for more than half a century but losing power in 2000 when the opposition Democratic Progressive Party's DPP Chen Shui bian won the presidency and was reelected in 2004 Out of power and playing the role of opposition party the KMT won legislative and executive elections in 2008 It subsequently won mayoral elections in 2010 and elections again to the legislative and executive branches of government in 2012 The KMT returned to power by resolving internal differences between older and younger factions in the party maintaining an alliance with friendly parties and preventing philosophical differences from mattering It was helped by the debilitating corruption of the DPP's President Chen and good campaigning In assessing these KMT election victories the author concludes that the KMT will probably remain the ruling party for some time Its reputation for good economic management democratization honesty and good leaders seen against the DPP's still damaged reputation due to Chen's corruption internal disagreements its perorocial base its inability to deal with China and the United States inhibit it from being able to return to power
