### **Thirty-two New Takes on Taiwan Cinema**

Emilie Yueh-yu Yeh, Darrell William Davis, Wenchi Lin, 2022-12-22 *Thirty two New Takes on Taiwan Cinema* covers thirty two films from Taiwan addressing a flowering of new talent moving from art film to genre pictures and nonfiction. Beyond the conventional framework of privileging New and Post New Cinema or prominence of auteurs or single films, this volume is a comprehensive, judicious take on Taiwan cinema that fills gaps in the literature, offers a renewed historiography and introduces new creative force and voices of Taiwan's moving image culture to produce a leading and accessible work on Taiwan film and culture. Film by film is conceived as the main carrier of moving picture imagery for a majority of viewers across the world. The curation offers an array of formal, historical, genre, sexual, social and political frames which provide a rich brew of contexts. This surfeit of meanings is carried by individual films one by one which breaks down abstractions into narrative bites and outsized emotions. *Taiwan's Economic Success Since 1980* Zhaocheng Mai, Jiansheng Shi, 2001-01-01

the book will be of great help to readers interested in Taiwan's economic performance over the past twenty years. Gilles Guiheux, *The China Journal*. Taiwan's economic development experience represents a unique case study, especially in the wake of the Asian financial crisis. Taiwan has performed outstandingly in terms of macroeconomic and industrial development, particularly during recent democratic and social change. This book aims to provide a broad picture of these institutional reforms and policy evolutions. *Place, Identity, and National Imagination in Post-war Taiwan* Bi-yu Chang, 2015-03-24. In the struggles for political and cultural hegemony that Taiwan has witnessed since the 1980s, the focal point in contesting narratives and the key battlefield in the political debates are primarily spatial and place based. The major fault line appears to be a split between an imposed identity emphasizing cultural origin China and an emphasis on the recovery of place identity of the local Taiwan. *Place Identity and National Imagination in Postwar Taiwan* explores the ever-present issue of identity in Taiwan from a spatial perspective and focuses on the importance of and the relationship between state spatiality and identity formation. Taking postwar Taiwan as a case study, the book examines the ways in which the Kuomintang regime naturalized its political control, territorialized the island and created a nationalist geography. In so doing, it examines how, why and to what extent power is exercised through the place-making process and considers the relationship between official versions of ROC geography and the islanders' shifting perceptions of the nation. In turn, by addressing the relationship between the state and the imagined community, Bi-yu Chang establishes a dialogue between place and cultural identity to analyse the constant changing and shaping of Chinese and Taiwanese identity. With a diverse selection of case studies including cartographical development, geography education, territorial declaration and urban planning, this interdisciplinary book will have a broad appeal across Taiwan studies, geography, cultural studies, history and politics. *Taiwan's Politics in the 21st Century* Wei-chin Lee, 2010. This unique volume highlights Taiwan's ongoing efforts to mediate between competing political actors as a means to ensure domestic stability and national security without severely affecting its continuous economic growth and

sovereign status in the international society Taiwan's Politics in the 21st Century concentrates on three general areas domestic politics political economy and external relations Written by prominent scholars in the field including John Hsieh Shelley Rigger Cal Clark Alex Tan Joseph Wong T Y Wang Quansheng Zhao Guoli Liu and Chyungly Lee It also provides an overview of Taiwan's process of democratic consolidation unravels dynamic interactions among various domestic and international actors in policy design and implementation and explores future challenges to Taiwan thus leaving readers with a better understanding of the political complexity of Taiwan's attempts to strengthen its democratic governance and institutions
