The Take Graham Hurley, 2010-09-15 A missing doctor with a long list of aggrieved patients leads to a complicated case for DI Faraday DI Joe Faraday's Management Assistant Vanessa Parry is dead killed in a head on car smash Her funeral is a bitter end to another grim week in the front line of the ongoing war against Portsmouth's surging crime wave And now the seemingly untouchable DC Paul Winter master of the scam has been hurt in a way he could never have imagined his wife has cancer It's inoperable and she has barely three months to live Paul Winter has only one instinct to lash out But there's precious little time for grief on a Portsmouth CID squad A disgraced gynaecologist is missing and his caseload of maimed women is a murder suspect list from hell It all adds up to an impossible workload and that's without the suits and the politicians conspiring to make it even harder
