Shapers of American Childhood Kathy Merlock Jackson, Mark I. West, 2018-09-24 The experience of growing up in the U S is shaped by many forces Relationships with parents and teachers are deeply personal and definitive Social and economic contexts are broader and harder to quantify Key individuals in public life have also had a marked impact on American childhood These 18 new essays examine the influence of pivotal figures in the culture of 20th and 21st century childhood and child rearing from Benjamin Spock and Walt Disney to Ruth Handler Barbie s inventor and Ernest Thompson Seton founder of the Boy Scouts of America

Dr. Dave's Cyberhood David Walsh, 2001-08-22 You wouldn't let your children wander off into an unfamiliar neighborhood alone nor should they be left to explore the vast world of electronic media by themselves You may have read about the effects violent television shows and video games can have on children but you know the solution isn't simply to unplug everything The key for parents says Dr David Walsh founder and president of the nonprofit National Institute on Media and the Family is to be informed and involved when choosing the electronic environments where kids play and learn Dr Dave s Cyberhood helps parents take stock of the growing number of films TV shows video games music and web sites that stream into their homes every day With Dr Dave as a guide you can Teach kids how to interact with media responsibly whether they re playing alone or with friends Evaluate the content of videos electronic games and web sites to help you decide if they are appropriate for your family Talk openly with your kids about the kinds of media they like and map out cyberhoods that everyone can agree on Complete with hands on activities and positive recommendations for a variety of media products Dr Dave s Cyberhood gives parents the tools they need to find cyberhoods that their kids can enjoy and that they can trust

Creating Reading Rainbow Barbara Irwin, Tony Buttino, Pam Johnson, 2024-06-18 Reading Rainbow is one of the most successful PBS children s series in television history earning numerous national and international awards including 26 Emmys and a Peabody Award But perhaps more important than anything else Reading Rainbow helped generations of children cultivate a love for books Reading Rainbow is very much a story of humble beginnings and enormous perseverance Over five summers Tony Buttino Sr and his colleagues at WNED TV the public television station in Buffalo New York worked in collaboration with educators and librarians to experiment with summer reading programs But after trialing these programs the WNED team realized there was a big need for a new children s literacy series and believed they could create a new show with local and national collaborators and friends After fits and starts and enough twists and turns to fill a children s book Reading Rainbow premiered in the summer of 1983 and captured the attention of 6.5 million young viewers Creating Reading Rainbow explores the many intriguing and homespun stories that when woven together reveal how this groundbreaking and iconic television series came to be What led to the series being called Reading Rainbow How did the

road to Reading Rainbow wind its way through Mister Rogers Neighborhood How did a public television station in Buffalo spearhead a movement in education and spark the passion for reading in millions of children And what does lasagna have to do with it **Journal of Youth Services in Libraries** ,1998 *Through the Eyes of a Child* Donna E.
