Take Away Three Lifetimes:

The Complete Russian Folktale: v. 3: Russian Wondertales 1 - Tales of Heroes and Villains Jack V. Haney, 2019-08-15

These stories of magic and heroism and of terrifying encounters with Baba Yaga Zmei the serpent and Koshchei the Immortal are surely the best known and best loved folktales of Russia. A wondertale tells of a young person's first venture into a perilous world where he or she must solve a riddle, pass a test of character, or perform a heroic feat. In the course of the tale, villainy is foiled, disaster is averted, and the young person is transformed by this successful struggle into an adult. The two hundred and fifty wondertales collected and translated here represent at least one example of every tale type known in

Russia. Each tale is accompanied by commentary, and the volume includes a substantial introduction by the editor. **Lost and Found** Karen Wiesner, 2024-03-04. Lost Book 8: True self-discovery begins in being lost and then found again. Damaris Steele wakes up in an unfamiliar stone cottage in the care of a kindly couple with a passel of young children. She remembers nothing of how she came to be at their inherited property, Black Annis's Bower, nor how she got the massive bump on the back of her head and ended up lost in the middle of nowhere in Bloodmoon Cove with a smashed cell phone, her beloved hamster Stuart Little missing. The large family will contribute nothing toward speeding her on her way. Their words, "Time is different in this place," take on a sinister edge when days and nights blend and blur while the Beaumonts' sole interest seems to be focused on unearthing a tunnel they found in their root cellar. Even as she realizes she's helpless to resist aiding them in their task, Damaris fears where the underground passage leads and whether their efforts will uncage something they don't dare set free. Found Book 9: Are the lost and found souls of this world misplaced or misled? Wick Adair has spent his life feeling like he didn't belong anywhere and was forever out of step with everyone else around him. As the son of some of the last Mino Miskwi Native American descendants, his isolation while the tribe around him dispersed to the four winds was complete. He settled into his quiet position at Bloodmoon Cove's library and nearly lost himself in his desperate unhappiness. When Renatta Chazen steps into his sanctuary, Wick dares to hope that his lifelong loneliness is at an end. Surely Fate or something far more sinister wouldn't be cruel enough to tear them apart now that they've both found everything they've ever wanted.

Not Far Away Lois Beardslee,2007 In Not Far Away a semi fictional memoir Lois Beardslee gives a chilling account of racism particularly that leveled against Native women in language that is supple evocative often comical and always incisive Her fictional heroine the teacher Ima Pipiig pronounced buh BEEG endures humiliating insults from school administrators fellow teachers students and callous neighbors For years she suffers in silence believing that opposing bigotry would only fuel its caustic flames but then she begins to speak out Scattered among the chapters chronicling Ima s experiences are essays and speeches written by the author herself blurring the line between fiction and fact and creating a kind of

resounding echo of resistance that is the author's response to racism

Sadhguru, More Than a Life Arundhati Subramaniam, 2010 The thirst to be boundless is not created by you it is just life longing for itself Sadhguru This is the extraordinary story of Sadhguru a young agnostic who turned yogi a wild motorcyclist who turned mystic a sceptic who turned spiritual guide Pulsating with his razor sharp intelligence bracing wit and modern day vocabulary the book empowers you to explore your spiritual self and could well change your life It seeks to re create the life journey of a man who combines rationality with mysticism irreverence with compassion ancient wisdom with a provocatively contemporary outlook and a deep knowledge of the self with a contagious love of life Described as a profound mystic visionary humanitarian and prominent spiritual leader of our times he is equally at home in a satsangh in rural Tamil Nadu as at the World Economic Forum in Davos In his early years Jaggi Vasudev or Sadhguru as he is now known was a chronic truant a boisterous prankster and later a lover of motorbikes and fast cars It is evident that the same urgency passion and vitality echo in his spiritual pursuits to this day from his creation of the historic Dhyanalunga the mission of three lifetimes to his approach as a guru In Sadhguru's view faith and reason spirituality and science the sacred and the material cannot be divided into easy binaries He sees people as spiritual beings dabbling with the material rather than the reverse and liberation as the fundamental longing in every form of life Truth for him is a living experience instead of a destination a conclusion or a matter of metaphysical speculation The possibility of self realization he strongly believes is available to all Drawing upon extended conversations with Sadhguru interviews with Isha colleagues and fellow meditators poet Arundhati Subramaniam presents an evocative portrait of a contemporary mystic and guru a man who seems to pack the intensity and adventure of several lifetimes into a single one
