Take Comfort Encouraging Words From Second Corinthians:

Take Comfort Bob Russell,1991 **Second Corinthians** William R. Baker,1999 *First, Second Corinthians* Robert E. Picirilli,1987 **Second Corinthians (Paideia: Commentaries on the New Testament)** Raymond F. Collins,2013-06-15 In this addition to the well received Paideia series a respected senior New Testament scholar examines cultural context and theological meaning in Second Corinthians Paideia commentaries explore how New Testament texts form Christian readers by attending to the ancient narrative and rhetorical strategies the text employs showing how the text shapes theological convictions and moral habits commenting on the final canonical form of each New Testament book focusing on the cultural literary and theological settings of the text making judicious use of maps photos and sidebars in a reader friendly format Students pastors and other readers will appreciate the historical literary and theological insight offered in this practical commentary **Be Encouraged** Warren W. Wiersbe,1984-06 Examines 2 Corinthians and discusses its applications for modern life **The Structure of Second Corinthians** Kei Hiramatsu,2023-09-07 Hiramatsu Kei examines the literary structure of 2 Corinthians and how it can illuminate understanding of this Pauline letter and its theological message He explores the theoretical foundations of Inductive Bible Study as an approach which focuses on the meaning of biblical texts in their final form by incorporating insights from multifarious methodologies Based on the final form of the letter and its compositional unity he prioritizes the literary context as consequential evidence for interpretation Hiramatsu argues that there are two major components of the literary structure the division of the letter and the identification of major structural relationships within and between the divided parts Thus he proposes that 2 Corinthians consists of seven major segments which coherently develop Paul s discourse pertaining to ministry and discusses the implications regarding his theology of theocentric ministry and that of weakness that arise from a literary investigation Hiramatsu demonstrates that an inductive and integrative approach not only presents a more suitable and helpful literary structure for 2 Corinthians but also illustrates the relevance of such study when seeking to gain understanding of the theological implications of the letter **Second Corinthians** Linda L. Belleville,1996-05-28 In this passage by passage commentary on 2 Corinthians Linda Belleville shows how Paul s response to the commercial and hedonistic hotbed of Corinth can serve as model for all disciples who are confronted with a culture of individualism and materialism *Meaning and Truth in Second Corinthians* Frances M. Young,David F. Ford,2008-02-01 This new and refreshing approach to 2 Corinthians shows how exegesis of the New Testament writing can issue in theology that is relevant to today Beginning with an account of the essential thrust of the text the authors argue for the unity of the letter setting it against both its Jewish and Hellenistic backgrounds and examining questions of meaning and reference in the interpretation of particular passages They then consider how the text can be illuminated by the modern study of hermeneutics as well as by new sociological approaches The whole study reaches its climax with an assessment of Paul s authority then and now and the importance of what he says

about God To conclude the authors provide their own vivid and compelling translation of Paul s words inviting a complete rereading of the letter in the light of all that has gone before **Life-study of Second Corinthians** Witness

Lee,2023-09-26 In this life study Witness Lee opens up Paul s second Epistle to the Corinthians a book on the new covenant ministry and its ministers The first Epistle to the Corinthians was the apostle s argument an argument that defeated and subdued the distracted and confused Corinthians Now the second Epistle brought them back into the experience of Christ who was the subject of his argument in the first Epistle Hence the second Epistle is more experiential more subjective and deeper than the first In the first Christ the Spirit with our spirit the church and the gifts are covered as the major subjects In the second Christ the Spirit with our spirit and the church are developed further but the gifts are not even mentioned The gifts are replaced in this book by the ministry which is constituted with and produced and formed by the experiences of the riches of Christ gained through sufferings consuming pressures and the killing work of the cross This Epistle gives us a pattern an example of how the killing of the cross works how Christ is wrought into our being and how we become the expression of Christ These processes constitute the ministers of Christ and produce the ministry for God s new covenant

With the Word Warren W. Wiersbe,1993-07-12 Biblical learning that leads to godly living Warren W Wiersbe s classic Bible handbook offers a trustworthy approach to a book by book chapter by chapter tour through God s Word This highly readable personal conversation with Scripture guides you through each book helping you reap the rich life changing applications on every page Its goal is to assist you in discovering and applying some of the basic spiritual lessons found in Scripture and to that end it s as applicable and relevant as it was when it was published In this introductory commentary intended for a wide audience of Bible learners Wiersbe will introduce you to four different levels of biblical truth which he will teach you how to look for and apply Historical truth Doctrinal truth Practical truth Devotional truth You will be encouraged to develop your own personal Bible reading program and learn the power of meditation on its truth **Second**

Corinthians and Paul's Gospel of Human Mortality Richard I. Deibert,2017-01-30 How does Paul s bodily mortality both collapse his apostolic authority in Corinth and yet confirm his gospel Richard I Deibert explores the vital relationship

between Paul s experience of death and his theology of death Back cover **The Letters of Paul as Rituals of Worship** John Paul Heil,2011-03-09 This book focuses on worship in the letters of Paul in an effort to shed some light upon this key theme and bring the various dimensions of its significance into the foreground of Pauline studies Each of the thirteen New Testament letters attributed to Paul are treated exclusively from the aspect of worship as understood in its most comprehensive sense in the biblical tradition with the liturgical and the ethical facets of worship held in dynamic interrelationship The result is a fresh way of reading and listening to the letters of Paul for a deeper appreciation of their original purpose and message **The Gospel of God (2)** Watchman Nee,1993-05-01 Salvation is simple in nature

wonderful in scope and dynamic in application The firm foundation of our redemption is based on bedrock truths which frame

the content of the gospel of God In this two volume set of The Gospel of God Watchman Nee presents the content of God s salvation including man s sin God s love grace and mercy the nature of grace the function of the law and God s righteousness the work of Christ and the Holy Spirit eternal security and God s dealing with the believer s sins These messages are comprehensive ranging from man s sinful condition before salvation to his destiny in the coming age Christian growth depends upon a dynamically operative faith and an essential ingredient for growing in Christ is a clear understanding of the truth which supports this faith Spoken in 1937 in Shanghai China these messages effectively demonstrate Watchman Nee s burden to help all believers in the truth of God s salvation Book 14 Mysticism PB Kurt Jurgensmeier,2012-08-22 Does God speak to us apart from Scripture The belief that God provides us with extra biblical revelation for extra biblical decision making what we term as mega mysticism is incredibly popular Hence there are a multitude of books explaining how to hear from God Once again we go to Scripture to answer vital questions regarding how God communicates with us today and come to the following conclusions The idea that God grants extra biblical amoral revelation directly to our minds is not supported in Scripture God does not have a private personal will for our lives that we must discern outside of Scripture The translation of paraklete in the Gospel of John as Counselor is incorrect The wisdom we are to ask for in James 1 is entirely moral in nature as described in James 3 It does not include answers to all the questions that mega mystics claim God wants to answer Mega mysticism is leading many Christians astray in dangerous ways **Seven Steps for Handling Grief** Barbara Russell Chesser,2014-02-25 Let me know if there is anything I can do This well meaning offer is frequently expressed when a relative or friend suffers a death or other heart wrenching loss such as divorce termination of a job having to put a parent in a nursing home or Alzheimer s facility loss of one s home or the empty nest syndrome This book moves beyond that offer and other platitudes and gives practical steps to take to help alleviate the pain of loss the heartbreak from a variety of shattering experiences These steps are drawn straight from real life experiences the stories of people demonstrate how one or more of these seven steps helped them turn grief of futility and despair into understanding faith and hope **Book 7 Revelation** HC Kurt Jurgensmeier,2012-08-22 How and why has God spoken to us Answering these questions involves the immense topic of divine revelation Our purpose in this book is to provide a biblical study of the various types and purposes of the myriad of different methods of divine revelation In the process we endeavor to answer such critical and controversial questions as How do we know when God is speaking What has been the progression of divine revelation What are the only two methods of revelation that God uses to communicate to all of humanity Why is Scripture so authoritative and sufficient for the Christian life What are the several vital but often neglected ways that God speaks to us apart from Scripture How does God expect us to make decisions and does He have a personal will for our lives that cannot be found in Scripture Does God speak to us by planting thoughts in our mind *NKJV, The NKJV Study Bible* Thomas Nelson,2013-01-16 The NKJV Study Bible Second Edition is the most comprehensive study Bible available It has the most complete study system for pastors teachers or

Thompson,2021-02-18 While the commentaries and articles on 2 Corinthians focus on the world behind the text giving attention to the identity of Paul's opposition and questions about the letter's composition few scholars have bridged the gap between the exegesis of 2 Corinthians and the sermon The issue of what constitutes legitimate ministry the focus of 2 Corinthians is a pressing issue today for churches as they face an identity crisis Paul confronts opponents who judge him by secular standards of ministry offering an alternative that is based on the cross Second Corinthians offers an insight into both the nature of pastoral ministry and the mission of the church This book draws parallels between Corinth and the contemporary situation of the church The exegetical insights demonstrate the primary focus of the passage as the basis for the preaching text This book demonstrates a full awareness of current scholarship on 2 Corinthians and offers hermeneutical and homiletical guidance for addressing these issues today Holman New Testament Commentary - 1 & 2 Corinthians Richard L., Jr. Pratt,2000-10-15 One in a series of twelve New Testament verse by verse commentary books edited by Max Anders Includes discussion starters teaching plan and more Great for lay teachers and pastors alike
