Intentional Child Rearing Jonthan Downing,2025-05-07 *Intentional Child Rearing* is a book focused on the importance of raising a generation of godly children and the generations within each We cannot wait to pour into our children when we think they are old enough to understand It has to start in the womb According to Jeremiah 1 5 KJV God knew us and ordained us at this early stage of life as prophets Failure to start early and raise a godly seed in the home has caused much rebuttal and regret for our local communities states nation as well as the world We are now leaving the raising of children to grandparents detention centers schools and other entities Although it takes a village to raise a child the village starts first at home When we refuse to train children early and raise them in God s admonition the adversary takes advantage of the time lost Generational curses are at an all time high with many not realizing what they are experiencing The enemy of our soul is after the seed and the seed s seed Infiltrating them while they are young is on his mind and is an infringement upon God s copyright God always intended for children to be loved and led by fathers and raised by godly mothers in the home from generation to generation *Intentional Child Rearing* is about starting early in making it a priority in raising our children It has to be at the forefront of our lives It can t be an afterthought It has to come before our jobs or social life The Bible clearly states to teach them when we are home when we lay down and when we rise up Deuteronomy 6 7 KJV This means pouring into and training our children constantly It s time and effort There will never be a dull moment for a parent or guardian when we do it in the early stages of a child s life as required by God Yes it will take stamina and we will have to stick with it until Christ is formed in them no matter what age But this is what it means by intentional child rearing
