

A man and a woman are shown in a close, intimate embrace. The man, on the left, has dark hair and is wearing a dark jacket over a light blue shirt. He is smiling and looking at the woman. The woman, on the right, has long dark hair and is wearing a mustard yellow sweater over a black top and green pants. She is also smiling and looking at the man. They are standing in front of a textured, reddish-brown wall. The overall mood is romantic and tender.

Take Me For A Ride:

Stepdad Takes Her for a Ride A.D. Barnes,2022-08-12 It s one wild ride It s no secret that I m a nerd with an overprotective mom But when my stepdad offeres to take mfor a ride on his motorcycle I say yes Mom says no But I m eighteen now so Griff takes me for a ride anyway I never thought that someone like me could tempt someone like him not until he teaches me how to ride

Voices Roger Ladd Memmott,2014-04-06 VOICES A Gemstone Book TRADE PAPERBACK 250 pages When the World Conspires against you where do you turn Kala Westergaard sees herself as a modern day Joan of Arc with the unwarranted persecution but without a cause Orphaned at the age of four she is raised by her grandmother and aunt until the fateful night when she and her boyfriend coming back from a party are run off the road by a deer in the headlights Before morning breaks this simple accident leads to a series of murders and rape setting in motion the novel s chain of life altering passions passions that speak profoundly of the mysteries of human character and our own personal voices that dictate those passions VOICES is an utterly stirring erotically charged and morally complex tale of uncompromising honesty especially for those who can read between the lines those telltale white spaces where only the most naive think nothing resides
