**Faith Into Abundance** Brian Ainsley Horn,2016 The ability to earn a profit is the ability to multiply our resources while helping other people It is a wonderful ability that God blessed entrepreneurs with and it is not evil or morally neutral but fundamentally good However it's not always easy We have to keep faith and know that the promise from God is coming Through the inspiring stories in this book you'll see how entrepreneurs that remained faithful through hard times were blessed with great abundance Good Housekeeping ,1948 **Our Paper** ,1897 Faith from the Back Side Dr. J. Ellsworth Kalas,2011-10-01 In his popular series of books From the Back Side J Ellsworth Kalas looks at Christian topics through a new lens takes unique starting points on those subjects and uses creative re-telling from different points of view In Faith from the Back Side Kalas explores something that is central in a Christian life but often difficult to understand We

exercise faith every day in hundreds of secular moments then struggle to find it in its purest form when we need God's help the most The back side indeed Sometimes it's the only side of faith we can seem to approach Yet faith is nearer than our hands or feet and more real than the air we breathe It's time we learned more about it J Ellsworth Kalas adapted from the foreword A discussion guide is included for small group use

**Articles of Faith** Robert L. Rodin, 2007-04-01 What has long been suspected is now coming to light that the Nazis were not the only ones who profited from their war effort that the circles of violence reached far beyond the territories invaded by the Germans and that the suffering continues Taking his cue from this growing mountain of evidence Robert L Rodin's Articles of Faith blends this story of greed and gold with his own father's deathbed tale of the battle he fought against the Nazis on American soil as a member of the OSS Twenty five years after his father's suicide Danny Maguire is raising a family of his own A phone call on a cold winter evening shatters the steady calm It is his father on the other end No sooner does Sean Maguire reappear in Danny's life than his presence threatens to destroy that life and the lives of Danny's wife and children For with him Sean brings a history that men of power are willing to go to desperate ends to repress And he holds the very articles of faith that point to a sinister ring of smuggling It is a story of reconciliation a story of suspense and a story of faith And while it is fiction it is perhaps not far from the truth
