Change Is Coming Pastor Troy Bunch, 2018-08-16 Change and God are two words which define life Something must change in order to create change The King James Bible states it all profoundly in Ecclesiastes 3 1 To every thing there is a season and a time to every purpose under the heaven Merriam Webster describes one definition of change as undergoing transformation transition or substitution To give a different position course or direction to replace with another The change a human being experiences in life often emulates the changes and stages a Caterpillar Butterfly experiences A Caterpillar goes through a life cycle known as complete metamorphosis which is a striking alteration in appearance character or circumstances The Caterpillar Butterflies life cycle includes egg larva pupa and adult The life cycle of a human includes

Infancy Childhood Adolescence and Adulthood The main job of an adult butterfly's life is to reproduce After a female butterfly mates she searches for the proper host plant to lay her eggs and the cycle begins again Such is the cycle of a human being In this book Troy Bunch uses poetry short stories as an example to show the different changes human beings experience in life From natural and physical to emotional and spiritual From inspirational to sensational From confrontational to peace From hate to love From confusion and illusion to revelation and reality From vanity to prosperity From self centeredness to sincerity From oneness to relationship From feeling incomplete to becoming complete From uncertainty to complacency From sadness and depression to happiness and expression The poems in this book give examples of these exact changes through which life takes individuals No matter who you are or what you go through one thing is guaranteed CHANGE IS COMING
