Borderlands, Volume One Thomas F. Monteleone, 2018-11-17 It s hard to believe but this anthology first appeared 28 years ago In re reading the stories in this gathering of the weirdest tales I am also reminded of how strikingly fresh and original the material remains As its title implies Borderlands contains fiction that resides out there on the edge on the perimeter of what s being done in the field of horror dark fantasy and suspense literature When I solicited material for what I hope will be the first of many volumes I made it clear I didn t want stories that employed any of the traditional symbols and images of the genre I wanted writers to expand the envelope to look beyond the usual metaphors and bring me something new Some fresh meat so
