**Bernice Walmsley**

### **Take Control Of Your Study Habits Iii:**

**Reference Tools & Study Skills** Sylvia J. Duncan, 1989-09-01 This book promotes the use of reference materials by offering simple guidance to the often baffling subject of how to use reference tools The worksheets can be completed with minimal assistance from the teacher but students will require access to the reference books presented The intriguing subjects on the worksheets were chosen to challenge the imagination and lead to further independent study The study skills presented here will also help students proceed toward more efficient and productive work habits **The Good Study**

**Guide** Andrew Northedge, 2005-01-01 Developing your learning skills is one of the best investments you can make We all need to be lifelong learners now Whether you are an experienced student or just starting out this book will stimulate guide and support you It will make you think about yourself and how your mind learns And it will change forever the way that you study Topics include motivating yourself and managing your time taking full advantage of your computer reading with concentration and understanding developing flexible note taking strategies getting the most from seminars and workshops making presentations researching online handling numbers and charts with confidence writing clear well argued assignments doing yourself justice in exams For more information go to [www.goodstudyguide.co.uk](http://www.goodstudyguide.co.uk) **Saunders**
