didn't end on the barren Nebraska plains. It was just beginning. A Twisted Faith Olsen investigates the sensational story of a minister who seduced four of his female congregants and hatched a cold-blooded plot to murder his wife. Her husband, Nick, was visibly devastated by the loss. What investigators failed to note, however, was that Dawn's lungs didn't contain smoke. Was she dead before the fire began? Cruel Deception. In and out of hospitals since birth, angelic nine-month-old Morgan Reid finally succumbed to what appeared to be Sudden Infant Death Syndrome. Morgan's Texas-born mother, Tanya, a nurse and devoted wife, pulled up stakes with her grieving husband, Jim, and moved on. It was the best way to put the past behind them. What readers are saying about this book: Wow! All I can say is I was hooked right away after reading the prologue. If you love mystery and murder, this is the book for you. So good. Just wow. Read SO fast. This needs to be a movie. Downloading the sequel right now. It has twists and turns that had my jaw on the floor most of the time. I just kept going. It's my first in the thriller genre, and now I'm into reading more thrillers. It's so refreshing to read a fast-moving tale without vulgar language and graphic sex scenes, yet the pages keep turning faster. This book will grab you from the start and will not let up until the last paragraph. It will have you on the edge of your seat, holding your breath. I didn't want to stop reading to sleep or run errands. It's just that good. I will definitely be reading more books in this series. A BIG FIVE STARS. This is a slam-dunk adrenaline-pumping stomach-churning novel. Tikiri is on her A-game throughout. The characters are dynamic, the story riveting, the scenes explosive. I can't praise this book enough. Very Highly Recommended. _____

Mountains of Dawn Rene Natan, 2012 Why did I write *Mountains of Dawn* When I was a little girl my house was destroyed causing my parents to take us to live in the countryside for a while we were short of everything including toys The change was paramount This event inspired my story many years later I asked myself What if I had lost not only my house and my toys but also my parents I would have been shuffled around from foster to foster home And then How would a little orphan raised up to the school age in comfort react to this tragic situation This is how the persona of Tanya Caldwell was born How did I build Tanya's character As a writer of fiction I had to give Tanya some good qualities and some weakness Since she was going to be the main character I also had to give her some latitude So Tanya is a talented painter a fact that opens the door to a scholarship she also naive and prone to trust people without questioning When a big sum of money set up as a trust fund by her late parents comes to light the people who were responsible for her parents' death enter in action And they are not alone as their associates are linked in various fashions to other criminal rings one of which is a *cosca mafiosa* The story starts in Vermeil Ontario a fictional town near Toronto and wanders in Italy and Brazil When her life is threatened for the third time Tanya resorts to the protection of the Invicta a private company that provides her with a bodyguard and strongly suggests

her to relocate Since she has inherited a very old mansion on the Italian Riviera Tanya moves there canvas brushes and easel with her Her artistic life continues but she has to leave her friends behind A publisher of art books Kevin Matwin and a friend of his Luigi Amedeo Count of Monteturro enter the scene and at first they are only good neighbors offering help and empathy But then Now what Tanya does while living on the Mediterranean shores Does she stay secluded or dare to go out and make new friends Will the criminals who took advantage of her parents surface again How would they find her Will innocent Tanya trust the worst killer of all Would she find love in her forced retreat Would the Invicta help her once again I will answer these questions as the plot of Mountains of Dawn unrolls not one chapter without suspense or a gripping action For what audience The novel falls into the romantic suspense genre and therefore may attract more women than men but the plot and the mafia intrigue may interest male readers as well Where did I get the information I needed A substantial amount of research is always needed to immerse the reader in an environment that is actual and as close to reality as possible I found information on the customs of the cosche mafiose in the reports of several trials also in the Italian newspapers of the eighties and nineties the description of the art of painting goes back to the seminars of one of my teachers for the information on explosives and assault weapons I relied on a friend of mine and on the Internet Now I have said all I could without giving away the story
