These accounts of shooting birds and hunting big game mostly relate the author s adventures in North America Canada and The United States Game species encountered or hoped to encounter include mule deer whitetail deer blacktail deer pronghorn antelope elk bear turkey and geese But by convenience and necessity because all his hunts don t fit neatly into the confines of North America and the author had no other place to tell a couple of unique hunt stories this volume also includes reports of dove hunting in Honduras and red stag in Spain Mainly this collection tells the story of one hunter who just happened to be a writer and whose job sometimes required him to go hunting making him if not a PH professional hunter then perhaps a PTPH part time or a SPH semi Either way for him it was a dream job
