The Idea Of Preexistence:

Pre-Existence, Wisdom, and The Son of Man R. G. Hamerton-Kelly, Robert Hamerton-Kelly, 2005-01-27 A study of the various forms that the idea of pre existence takes in early Jewish and Biblical traditions *The Preexistent Son* Simon J. Gathercole, 2006-10-05 In this challenging book rising New Testament scholar Simon Gathercole contradicts a commonly held view among biblical scholars that the Gospel of John is the only Gospel to give evidence for Jesus heavenly identity and preexistence The Preexistent Son demonstrates that Matthew Mark and Luke were also well aware that the Son of God existed with the Father prior to his earthly ministry Gathercole supports his argument by considering the I have come sayings of Jesus and strikingly similar angelic sayings discovered in Second Temple and Rabbinic literature Further he considers related topics such as Wisdom Christology and the titles applied to Jesus in the Synoptic Gospels Gathercole s carefully researched work should spark debate among Synoptic scholars and extend the understanding of anyone interested in this New Testament question **From Messiah to Preexistent Son** Aquila H. I. Lee, 2009-08-01 How did the earliest Christians come to see Jesus as a divine and preexistent being alongside God Aquila Lee proposes that the root of preexistent Son Christology is to be found in early Christian exegesis of the two messianic psalms the catalyst in the light of Jesus s self consciousness of divine sonship and divine mission the foundation **Christ and Reconciliation** Veli-Matti Kärkkäinen, 2013-05-26 The first installment in a wide and deep constructive theology for our time In Christ and Reconciliation Veli Matti Karkkainen develops a constructive Christology and theology of salvation in dialogue with the best of Christian tradition with contemporary theology in its global and contextual diversity and with other major living faiths Karkkainen s Constructive Christian Theology for the Pluralistic World is a five volume project that aims to develop a new approach to and method of doing Christian theology in our pluralistic world at the beginning of the third millennium Topics such as diversity inclusivity violence power cultural hybridity and justice are part of the constructive theological discussion along with classical topics such as the messianic consciousness incarnation atonement and the person of Christ With the metaphor of hospitality serving as the framework for his discussion Karkkainen engages Judaism Islam Buddhism and Hinduism in sympathetic and critical mutual dialogue while remaining robustly Christian in his convictions Never before has a full scale doctrinal theology been attempted in such a wide and deep dialogical mode **Nature's Enigma** Virginia Parker Dawson, 1987 Two striking discoveries made 1740 a turning point in the history of 18th century biology Charles Bonnet established that aphids could reproduce without male fertilization Shortly afterwards Abraham Trembley proved that a tiny aquatic animal the fresh water polyp or hydra could regenerate from cuttings like some plants The discovery of the polyp was important because of the disturbing metaphysical issues that it raised In their letters written during the decade of the 1740s to Reaumur the great French Academician both Trembley Bonnet referred to the polyp as an enigma Not only did it seem to present a new mode of animal reproduction previously unsuspected but it called into question the prevailing mechanistic

view of animal biology brought into focus the problem of animal soul Drawing on some of the most illuminating letters from the private archives of the Trembley family this study focuses on the discovery of the polyp using the correspondence of Bonnet Trembley to understand their common Genevan background their possible differences in approach from that of Reaumur

God Sent His Son Christoph Schoenborn, 2010-09-29 In this work of Christology Christoph Cardinal Sch nborn a world renowned theologian takes as his starting point the Apostle Paul s statement But when the time had fully come God sent for his Son born of woman born under the law so that we might receive adoption as sons Gal 4 4 5 Based on many years of lecturing on Christology Cardinal Sch nborn s work moves from the solid conviction of faith that Jesus of Nazareth is the Messiah of Israel the Son of the Living God through the development of the Church s understanding of this truth to the consideration of contemporary issues and the views of various modern theologians Cardinal Sch nborn sees Christology as based on the original Illumination granted by the Father in manifesting his Son which divides as if through a prism into a rainbow of Christological themes Christology he writes in every phase of its development follows its path by this light in thy light do we see light Ps 36 10 Christology is always faith seeking understanding trying to understand that to which the believer already says Yes God Sent His Son has the comprehensiveness and scholarly precision of a textbook but the insights and personal relevance of a work of spirituality It carefully explores ancient and medieval

Wolfhart Pannenberg, 2004-01-01

The Christology of John Macquarrie Vernon L. Purdy, 2009 The Christology of John Macquarrie comprehensively scrutinizes the life and writings of Scottish born systematic theologian and philosopher John Macquarrie 1919 2007 in an attempt to comprehend and evaluate his Christology The author examines the people e g Heidegger Schleiermacher the philosophical and theological positions and the writings that formed Macquarrie s thinking One major influence was his commitment to modern critical theology including the premise that in the modern world the only acceptable Christological tenets are those that can stand up to the scrutiny of modern critical reasoning The work concludes that this commitment profoundly shaped Macquarrie s theology especially his Christology The book also discusses Macquarrie s evaluation and criticisms of the Christology of other theologians e g Kierkegaard Moltmann Pannenberg and others concluding that Macquarrie s understanding of the Christian faith and the person of Jesus Christ is consonant with modern liberal Anglo Catholicism This idea furthers the argument that Macquarrie s reluctance to accept traditional incarnational categories suggests that his Christology is a modern form of Adoptionism

The Son of God Charles Lee Irons, Danny Andre Dixon, Dustin R. Smith, 2015-12-04 This is a multi view book in which representatives of differing viewpoints make a positive statement of their case followed by responses from the others and concluding with a rebuttal by the original author The topic at hand in this book is the identity of Jesus also known as Christology What is the meaning of Jesus s identity as the Son of God Charles Lee Irons argues that the title Son of God denotes his ontological deity from a Trinitarian perspective Danny Andre Dixon and Dustin R Smith challenge this view from two different non Trinitarian

viewpoints Smith argues that Jesus is the authentically human Son of God the Davidic Messiah who did not possess a literal preexistence prior to his virgin birth Dixon argues that Jesus is God's preexistent Son in the sense that God gave him life or existence at some undefined point prior to creation The authors engage the topic from the perspective that reverences the authority and inspiration of Scripture as the final arbiter of this debate The literature of early Judaism is also engaged in order to try to understand the extent to which the New Testament's Christology may have been influenced by or operated within the context of Jewish conceptions of divine secondary beings as agents of God

Christology in the Making James D. G. Dunn, 1996 This excellent study of the origins and early development of Christology by James D G Dunn clarifies in rich detail the beginnings of the full Christian belief in Christ as the Son of God and incarnate Word By employing the exegetical methods of historical context of meaning and conceptuality in transition Dunn illumines the first century meaning of key titles and passages within the New Testament that bear directly on the development of the Christian understanding of Jesus

The Pre-existence of Souls and Universal Restitution Considered as Scripture Doctrines Burnham Society (Somerset, England), 1798

Lord Jesus Christ Larry W. Hurtado, 2005-09-14 This outstanding book provides an in depth historical study of the place of Jesus in the religious life beliefs and worship of Christians from the beginnings of the Christian movement down to the late second century Lord Jesus Christ is a monumental work on earliest Christian devotion to Jesus sure to replace Wilhelm Bousset's *Kyrios Christos* 1913 as the standard work on the subject Larry Hurtado widely respected for his previous contributions to the study of the New Testament and Christian origins offers the best view to date of how the first Christians saw and revered Jesus as divine In assembling this compelling picture Hurtado draws on a wide body of ancient sources from Scripture and the writings of such figures as Ignatius of Antioch and Justin to apocryphal texts such as the Gospel of Thomas and the Gospel of Truth Hurtado considers such themes as early beliefs about Jesus divine status and significance but he also explores telling devotional practices of the time including prayer and worship the use of Jesus name in exorcism baptism and healing ritual invocation of Jesus as Lord martyrdom and lesser known phenomena such as prayer postures and the curious scribal practice known today as the *nomina sacra* The revealing portrait that emerges from Hurtado's comprehensive study yields definitive answers to questions like these How important was this formative period to later Christian tradition When did the divinization of Jesus first occur Was early Christianity influenced by neighboring religions How did the idea of Jesus divinity change old views of God And why did the powerful dynamics of early beliefs and practices encourage people to make the costly move of becoming a Christian Boasting an unprecedented breadth and depth of coverage the book speaks authoritatively on everything from early Christian history to themes in biblical studies to New Testament Christology Hurtado's *Lord Jesus Christ* is at once significant enough that a wide range of scholars will want to read it and accessible enough that general readers interested at all in Christian origins will also profit greatly from it

Allegiance, Opposition, and Misunderstanding Deven K. MacDonald, 2018-03-07 The central aim of the Gospel of Mark is

to introduce the reader to Jesus Christ the Son of God In this book MacDonald examines not just what the Gospel writer says but also how he says it When the Gospel of Mark is examined as a complete work and the motifs of allegiance opposition and misunderstanding are traced through the narrative Mark is seen to be a rather sophisticated literary work The Gospel writer is not simply a compiler of tradition but one who shaped his narrative for specific rhetorical aims namely that his audience both ancient and modern would recognize Jesus as the Son of God and respond to him with allegiance

American Journal of Theology, 1908 Vols 2 6 include Theological and Semitic literature for 1898 1901 a bibliographical supplement to the American journal of theology and the American journal of Semitic languages and literatures By W Muss Arnolt Separately paged *The American Journal of Theology* University of Chicago. Givens, Terryl Givens, 2012-06-07 The idea of the pre existence of the soul has been extremely important widespread and persistent throughout Western history from even before the philosophy of Plato to the poetry of Robert Frost This book offers the first systematic history of this little explored feature of Western culture Terryl Givens underscores how durable and controversial this idea has been throughout history highlighting the theological dangers it has represented and revealing how prominently it has featured in poetry literature and art

Toward a History of Jewish Thought Zachary Alan Starr, 2020-03-09 The work is a history of Jewish beliefs regarding the concept of the soul the idea of resurrection and the nature of the afterlife The work describes these beliefs accounts for the origin of these beliefs discusses the ways in which these beliefs have evolved and explains why the many changes in belief have occurred Views about the soul resurrection and the afterlife are related to other Jewish views and to broad movements in Jewish thought and Jewish intellectual history is placed within the context of the history of Western thought in general That history begins with the biblical period and extends to the present time *The Life Sciences in Eighteenth-Century French Thought*, 1998-03 Available for the first time in English Roger s masterwork of intellectual history situates the life sciences within the larger context of French Enlightenment thought and the history of institutions

Where are the Dead? Peter Moore, 2016-09-13 Where are the dead What are they doing What kind of a process is dying What relationships exist among the dead themselves and between the dead and those in the world they have left behind Modern philosophers argue that the idea of disembodied survival to which many believers pay lip service is incoherent and that there can be evidence neither for nor against something incoherent By contrast this book argues the idea of an embodied survival albeit a form of embodiment differing from our

present embodiment makes perfect sense in itself and fits much better with the alleged evidence for post mortem survival

Exploring post mortem survival Where are the Dead uses a variety of empirical data alongside mythological legendary and purely fictional material to illustrate how the less familiar idea of embodied post mortem survival might actually work in some real afterlife environment By asking questions about the nature and whereabouts of the afterlife and about what it might be like to be dead the book explores themes nowadays relatively neglected even in disciplines explicitly concerned with ideas about death dying and life after death
