The Illustrated Guide to the Bible Reader's Digest Association,1992 *The Illustrated Guide to World Religions* Michael David Coogan,1998 Graced with rich illustrations and written by a team of eminent scholars this book presents a wealth of information on faiths around the world Each chapter in this volume examines one of seven major world religions from Judaism to Christianity and from Islam to Buddhism *The Baker Illustrated Guide to Everyday Life in Bible Times* John A. Beck,2013-09-15 The authors of the Bible routinely employed mention of manners and customs from the ancient world in their inspired writing fully intending that the Lord would change readers with these images But modern readers often miss the full literal and figurative meaning of biblical imagery due to the distance in time and experience between the world of today and the world of the Bible This fully illustrated guide aims to restore clarity and vitality to these portions of God s Word in order to help readers grasp the full meaning of Scripture For example the entry on anointing defines the nature of this act and the connotations associated with it before illustrating how the biblical authors use the act of anointing in their communication with us communication that reaches its full maturity in Jesus the Anointed One Understanding manners and customs like anointing enriches our experience of reading the Bible and even helps us correctly interpret it This colorful guide clearly and succinctly introduces modern readers to daily life in Bible times The cultural practices of the past are fascinating on their own but even more so as they help us grasp the full meaning of Scripture ***Illustrated Guide to the Bible*** ,1993-01-01 ***Ward & Lock's (late Shaw's) Illustrated Guide To, and Popular History of the Land of Burns, Including Ayr, Arran, and Dumfries*** ,1880 ***Ward and Lock's illustrated guide to, and popular history of Buxton, Matlock, Dovedale, Alton Towers, and the Peak district. Adapted from the works of W.H. Robertson*** Ward, Lock and co. ltd,1880 ***The illustrated guide to Old Sarum & Stonehenge [based on Brown's stranger's handbook and illustrated guide to the city of Salisbury, by J.B. Moore].*** Brown and co,1877 *An Annotated Guide to Biblical Resources for Ministry* David R. Bauer,2011-04-01 David Bauer s Annotated Guide to Biblical Resources for Ministry is without doubt the most complete and up to date practical bibliographic compendium on the Bible now available All interpreters of Scripture pastors and teachers will find the information provided here useful and accessible Especially valuable are the annotations of selected books which offer careful and informed judgments about the usefulness of the works and provide succinct but informative and accurate descriptions and evaluations of each book While Bauer is a New Testament teacher his choices and assessments in the Old Testament bibliography are as good as any Old Testament scholar could produce I do not know of any comparable work for pastors and teachers Patrick D Miller Charles T Haley Professor of Old Testament Theology Princeton Theological Seminary This is one of those rare bibliographic guides that every student of religion seminarian and minister will want to have on his or her bookshelf The focus of this guide is on biblical studies It contains entries on 2 200 books written by 1 300 scholars Annotations describe and evaluate books that are highly
