The Immortal Marriage Gertrude Franklin Horn Atherton,1933 **The Immortal Marriage** Gertrude Franklin Horn Atherton,1927 Atherton portrays Aspasia the wife of Pericles as a significant person in her own right The Immortal Mind Michael Egnor,Denyse O'Leary,2025-06-03 A neuroscientist and surgeon makes an argument for the existence of a spiritual human soul in this eye opening book Many scientists and doctors believe that there is no such thing as the soul That there is no part of us that persists beyond death We are not spiritual in any respect We are made up of cells and tissue and completely controlled by a material organ in our heads the brain In this groundbreaking book Dr Michael Egnor makes the case based on 40 years of practice and over 7 000 brain surgeries that science has gotten it all wrong The human brain is incredible mysterious and powerful But it s not what makes us who we are The soul does that Drawing on the most important research studies in neuroscience Dr Egnor presents evidence that the brain alone does not explain the mind He explores using modern neuroscience and his vast surgical experience how inside every damaged brain there is a thinking feeling person with a spiritual soul that transcends the brain He also uses fascinating case studies to show how research on conjoined twins who share parts of their brains on patients in deep coma who are still able to communicate with people around them on near death experiences and on artificial intelligence all make a scientific case for the existence of the spiritual human soul Engaging thought provoking and groundbreaking The Immortal Mind shows here that some aspect of who we are is spiritual and immortal transcending the physical body The marriage ring Thomas De Witt Talmage,1891
