**Kenneth A. Feldman, Theodore Mead  
Newcomb**

## **The Impact Of College On Students:**

The Impact of College on Students Kenneth A. Feldman, Theodore M. Newcomb, 2020-02-18 In this landmark work Kenneth Feldman and Theodore Newcomb review and synthesize the findings of more than 1 500 studies conducted over four decades on the subject Writing in 1991 Ernest Pascarella and Patrick Terenzini maintained that *The Impact of College on Students* not only provided the first comprehensive conceptual map of generally uncharted terrain but also generated a number of major hypotheses about how college influences students They also noted that Feldman and Newcomb helped to stimulate a torrent of studies on the characteristics of collegiate institutions and how students change and benefit during and after their college years from college attendance *The Impact of College on Students* is now a standard text in graduate courses as well as a standard and frequently cited reference for scholars students and administrators of higher education Much of what we understand about the developmental influence of college is based on this work

**How College Affects Students** Matthew J. Mayhew, Alyssa N. Rockenbach, Nicholas A. Bowman, Tricia A. D. Seifert, Gregory C. Wolniak, 2016-08-23 The bestselling analysis of higher education's impact updated with the latest data *How College Affects Students* synthesizes over 1 800 individual research investigations to provide a deeper understanding of how the undergraduate experience affects student populations Volume 3 contains the findings accumulated between 2002 and 2013 covering diverse aspects of college impact including cognitive and moral development attitudes and values psychosocial change educational attainment and the economic career and quality of life outcomes after college Each chapter compares current findings with those of Volumes 1 and 2 covering 1967 to 2001 and highlights the extent of agreement and disagreement in research findings over the past 45 years The structure of each chapter allows readers to understand if and how college works and of equal importance for whom does it work This book is an invaluable resource for administrators faculty policymakers and student affairs practitioners and provides key insight into the impact of their work Higher education is under more intense scrutiny than ever before and understanding its impact on students is critical for shaping the way forward This book distills important research on a broad array of topics to provide a cohesive picture of student experiences and outcomes by Reviewing a decade's worth of research Comparing current findings with those of past decades Examining a multifaceted analysis of higher education's impact and Informing policy and practice with empirical evidence Amidst the current introspection and skepticism surrounding higher education there is a massive body of research that must be synthesized to enhance understanding of college's effects *How College Affects Students* compiles organizes and distills this information in one place and makes it available to research and practitioner audiences Volume 3 provides insight on the past decade with the expert analysis characteristic of this seminal work

*The Impact of College on Students: An analysis of four decades of research* Kenneth A. Feldman, Theodore Mead Newcomb, 1969

**The Impact of College on Students [by] Kenneth A. Feldman [and] Theodore M. Newcomb** Kenneth A. Feldman, Theodore Mead Newcomb, 1976

**The Impact of College on**

**Students** Kenneth A. Feldman, Theodore Mead Newcomb, 1994 In this landmark work Kenneth Feldman and Theodore Newcomb review and synthesize the findings of more than 1 500 studies conducted over four decades on the subject Writing in 1991 Ernest Pascarella and Patrick Terenzini maintained that *The Impact of College on Students* not only provided the first comprehensive conceptual map of generally uncharted terrain but also generated a number of major hypotheses about how college influences students They also noted that Feldman and Newcomb helped to stimulate a torrent of studies on the characteristics of collegiate institutions and how students change and benefit during and after their college years from college attendance *The Impact of College on Students* is now a standard text in graduate courses as well as a standard and frequently cited reference for scholars students and administrators of higher education Much of what we understand about the developmental influence of college is based on this work In a new introduction Feldman outlines the background for the production of the book points out the kinds of research that have been done since it was written and elaborates on the accentuation effect posited in it He also offers a sensitive statement on the different potentials of research designs and analyses derived from sociology and psychology      *How College Affects Students* Matthew J. Mayhew, Alyssa N. Rockenbach, Nicholas A. Bowman, Tricia A. D. Seifert, Gregory C. Wolniak, 2016-09-19 The bestselling analysis of higher education's impact updated with the latest data *How College Affects Students* synthesizes over 1 800 individual research investigations to provide a deeper understanding of how the undergraduate experience affects student populations Volume 3 contains the findings accumulated between 2002 and 2013 covering diverse aspects of college impact including cognitive and moral development attitudes and values psychosocial change educational attainment and the economic career and quality of life outcomes after college Each chapter compares current findings with those of Volumes 1 and 2 covering 1967 to 2001 and highlights the extent of agreement and disagreement in research findings over the past 45 years The structure of each chapter allows readers to understand if and how college works and of equal importance for whom does it work This book is an invaluable resource for administrators faculty policymakers and student affairs practitioners and provides key insight into the impact of their work Higher education is under more intense scrutiny than ever before and understanding its impact on students is critical for shaping the way forward This book distills important research on a broad array of topics to provide a cohesive picture of student experiences and outcomes by Reviewing a decade's worth of research Comparing current findings with those of past decades Examining a multifaceted analysis of higher education's impact and Informing policy and practice with empirical evidence Amidst the current introspection and skepticism surrounding higher education there is a massive body of research that must be synthesized to enhance understanding of college's effects *How College Affects Students* compiles organizes and distills this information in one place and makes it available to research and practitioner audiences Volume 3 provides insight on the past decade with the expert analysis characteristic of this seminal work      **How College Affects Students** Ernest T. Pascarella, Patrick T. Terenzini, 2005-02-07 The long awaited sequel to the landmark

work first published in 1991 this volume continues the longitudinal study of how the college experience impacts on the lives of students in the US **The Impact of College on Students** Kenneth A. Feldman, Theodore M. Newcomb, 2020-02-18 In this landmark work Kenneth Feldman and Theodore Newcomb review and synthesize the findings of more than 1 500 studies conducted over four decades on the subject Writing in 1991 Ernest Pascarella and Patrick Terenzini maintained that The Impact of College on Students not only provided the first comprehensive conceptual map of generally uncharted terrain but also generated a number of major hypotheses about how college influences students They also noted that Feldman and Newcombe helped to stimulate a torrent of studies on the characteristics of collegiate institutions and how students change and benefit during and after their college years from college attendance The Impact of College on Students is now a standard text in graduate courses as well as a standard and frequently cited reference for scholars students and administrators of higher education Much of what we understand about the developmental influence of college is based on this work

Changing Values in College Philip E. Jacob, 1956 **Understanding the Working College Student** Laura W. Perna, 2023-07-14 How appropriate for today and for the future are the policies and practices of higher education that largely assume a norm of traditional age students with minimal on campus or no work commitments Despite the fact that work is a fundamental part of life for nearly half of all undergraduate students with a substantial number of traditional dependent undergraduates in employment and working independent undergraduates averaging 34 5 hours per week little attention has been given to how working influences the integration and engagement experiences of students who work especially those who work full time or how the benefits and costs of working differ between traditional age students and adult students The high and increasing prevalence and intensity of working among both dependent and independent students raises a number of important questions for public policymakers college administrators faculty academic advisors student services and financial aid staff and institutional and educational researchers including Why do so many college students work so many hours What are the characteristics of undergraduates who work What are the implications of working for students educational experiences and outcomes And how can public and institutional policymakers promote the educational success of undergraduate students who work This book offers the most complete and comprehensive conceptualization of the working college student available It provides a multi faceted picture of the characteristics experiences and challenges of working college students and a more complete understanding of the heterogeneity underlying the label undergraduates who work and the implications of working for undergraduate students educational experiences and outcomes The volume stresses the importance of recognizing the value and contribution of adult learners to higher education and takes issue with the appropriateness of the term non traditional itself both because of the prevalence of this group and because it allows higher education institutions to avoid considering changes that will meet the needs of this population including changes in course offerings course scheduling financial aid and pedagogy **The Impact of a Sense of Belonging in College** Erin

Bentrim, Gavin W. Henning, 2023-07-03 Sense of belonging refers to the extent a student feels included accepted valued and supported on their campus The developmental process of belonging is interwoven with the social identity development of diverse college students Moreover belonging is influenced by the campus environment relationships and involvement opportunities as well as a need to master the student role and achieve academic success Although the construct of sense of belonging is complex and multilayered a consistent theme across the chapters in this book is that the relationship between sense of belonging and intersectionality of identity cannot be ignored and must be integrated into any approach to fostering belonging Over the last 10 years colleges and universities have started grappling with the notion that their approaches to maintaining and increasing student retention persistence and graduation rates were no longer working As focus shifted to uncovering barriers to student success while concurrently recognizing student success as more than solely academic factors the term student sense of belonging gained traction in both academic and co curricular settings The editors noticed the lack of a consistent definition or an overarching theoretical approach as well as a struggle to connect disparate research A compendium of research applications and approaches to sense of belonging did not exist so they brought this book into being to serve as a single point of reference in an emerging and promising field of study *Psychological Models of the Impact of College on Students* Harold Allen Korn, 1986 **Impacts of the Community and Junior College on Students** Richard L. Alfred, 1975 College Students in the United States Kristen A. Renn, Robert D. Reason, 2012-11-05 College Students in the United States accounts for contemporary and anticipated student demographics and enrollment patterns a wide variety of campus environments and a range of outcomes including learning development and achievement Throughout the book the differing experiences needs and outcome of students across the range of traditional 18 24 years old full time students and non traditional for example adult and returning learners veterans recent immigrants are highlighted The book is organized for use as a stand alone resource around Alexander Astin s Inputs Environment Outputs I E O framework *How College Affects Students* Ernest T. Pascarella, 1991-04-01 College Professors and Their Impact on Students Robert Charles Wilson, Jerry G. Gaff, 1975 A Wiley Interscience publication **The Impact of College Students** Kenneth A. Feldman, 1970 *The First Time Effect* Joshua S. McKeown, 2009-01-15 Study abroad programs on American college and university campuses are booming with a national goal of sending abroad one million students within ten years In this timely and thought provoking look at the benefits of studying abroad Joshua S McKeown moves beyond the acknowledged cultural and linguistic benefits to focus on how it promotes intellectual growth in participating students He shows that for some students particularly those without substantial prior international experience study abroad is associated with significant gains in intellectual development For those students who have traveled abroad previously the same does not hold true It is those students who lack meaningful international exposure who seem to benefit most from studying abroad The First Time Effect describes in a straightforward way what is happening with today s study abroad students and holds broad implications for

education policy and practice      *The Impacts of Neoliberalism on US Community Colleges* Greg Sethares, 2020-03-26

Focusing on community colleges as a unique structure within American higher education this text investigates the specific ways in which these institutions have been impacted by a global increase in neoliberal education policies Analyzing the effects neoliberalism has had on community colleges the text charts discourse relating the erosion of faculty voice in academic governance and decision making the vocationalization of curriculum and the impact that these factors have had on the ability of community colleges to provide students with an education that supports a democratic society Exposing a movement away from the historical aims of community based education the text evidences a hijacking of community colleges to serve the objectives of the corporate elite There has been a decline in community college faculty engagement in shared governance and their loss of recognition as academic and curricular leaders and the book discusses the potential for redistribution of decision making power back toward faculty This text will be of great interest to graduate and postgraduate students academics professionals and policy makers in the fields of Higher Education Education Policy and Politics Sociology of Education Higher Education Management and Education Politics

*The Impact of a Sense of Belonging in College* Erin M Bentrin, Gavin Henning, 2023

Sense of belonging refers to the extent a student feels included accepted valued and supported on their campus The developmental process of belonging is interwoven with the social identity development of diverse college students Moreover belonging is influenced by the campus environment relationships and involvement opportunities as well as a need to master the student role and achieve academic success Although the construct of sense of belonging is complex and multilayered a consistent theme across the chapters in this book is that the relationship between sense of belonging and intersectionality of identity cannot be ignored and must be integrated into any approach to fostering belonging Over the last 10 years colleges and universities have started grappling with the notion that their approaches to maintaining and increasing student retention persistence and graduation rates were no longer working As focus shifted to uncovering barriers to student success while concurrently recognizing student success as more than solely academic factors the term student sense of belonging gained traction in both academic and co curricular settings The editors noticed the lack of a consistent definition or an overarching theoretical approach as well as a struggle to connect disparate research A compendium of research applications and approaches to sense of belonging did not exist so they brought this book into being to serve as a single point of reference in an emerging and promising field of study

## **The Impact Of College On Students Introduction**

In today's digital age, the availability of The Impact Of College On Students books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Impact Of College On Students books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Impact Of College On Students books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Impact Of College On Students versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Impact Of College On Students books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Impact Of College On Students books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Impact Of College On Students books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Impact Of College

On Students books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Impact Of College On Students books and manuals for download and embark on your journey of knowledge?

### **FAQs About The Impact Of College On Students Books**

1. Where can I buy The Impact Of College On Students books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The Impact Of College On Students book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
