The Importance Of The Local Church:

The Importance of the Local Church Daniel E. Wray, 1981-01-01 The features of a biblical local church and the importance of belonging The Local Church Edward Klink, 2021-10-27 How God Ministers to His People and the World through the Local Church The church is more than coffee with friends it s a meaningful gathering of Christians that involves fellowship and growing in biblical truth Given the rise of the internet and the availability of streaming church services many ministry leaders and church members are asking questions about the purpose and mission of the local church What is the church Why does the church exist How does the church function What is the connection between the Christian and the church Pastor and trusted scholar Edward Klink III addresses these questions and more with a thoughtful assessment of what the Bible has to say about God s intention for the local church body Klink stresses its importance as God s way of revealing his presence displaying his power fulfilling his purposes and manifesting his activity in the world In today s hyperindividualized culture this book not only demonstrates why it s vital for individuals to connect to a local church but also reveals why it s vital to God s work in the world **Four Views of Youth Ministry and the Church** Wesley Black, Chap Clark, Malan Nel, 2010-01-05 Join the conversation as experts propose defend and explore Four Views of Youth Ministry and the Church In a dialog that often gets downright feisty four youth ministry academicians delineate their distinct philosophical and ecclesiological views regarding how youth ministry relates to the church at large and leave a taste of what s profound and what s not in these four typologies Inclusive congregational Malan Nel What happens when a church thoroughly integrates its adolescents making them full partners in every aspect of congregational life Preparatory Wesley Black Why and how should a church consider its teenagers as disciples in training and its youth ministry a school of preparation for future participation in church life Missional Chap Clark What does a church look like whose youth ministry does not necessarily nurture church kids but is essentially evangelistic Whose youths and youth workers are considered missionaries Strategic Mark Senter How feasible is it for a youth ministry to become a new church on its own the youth pastor becoming the pastor and the new church planted with the blessing of the mother church In Four View of Your Ministry and the Church solid academic writing and an inviting tone and design create a compelling text for both in the field practicing youth workers and undergraduates and graduate students **Themelios, Volume 40, Issue 1** D. A. The Nature and Mission of the Church Jean-Marc Flückiger, This is an academic work of the highest quality but Jean Marc Fl ckiger presents it in a way that makes it very accessible far beyond academic circles It is a testament to his sharp intellect but even more to his love of God commitment to The Salvation Army and heartfelt dedication to the Church s mission in the world Henrik Andersen Territorial Leader of The Salvation Army Switzerland Austria Hungary Jean Marc Fl ckiger s book is a welcome reflection on the missionary impulse of Christian churches I found it particularly helpful to consider the interplay of the three main ingredients of mission namely worship of God community life and service to the world Christophe Chalamet Professor of Systematic Theology University of Geneva

Visions of Hope Kevin Ahern, 2013 Fifty years after the Second Vatican Council emerging theologians are in a unique position to offer hopeful visions for the next fifty years of the Church in light of the pressing internal and external challenges it faces today Rooted in

the texts of Vatican II and a commitment to the church Visions of Hope brings together the research of leading young scholars around five important topics dialogue ecclesiology ethics liturgy and ministry These ideas represent the future shape of the Church because they are from the theologians who are planting the seminal ideas of Church *The Poor Will be Glad* Peter Greer, Philip Bartlett Smith, 2009 A compelling call to carry God's mercy and compassion to the hurting people of this world This eminently practical book by two leading experts in the field of poverty reduction offers a clear plan to help ordinary Christians translate their compassion into thoughtful action Authors Peter Greer and Phil Smith draw on their personal experiences to provide proven solutions for effectively reducing poverty With photographs by Jeremy Cowart included throughout *The Poor Will Be Glad* examines the pitfalls of traditional approaches and outlines a new model of economic development aimed at breaking the cycle of dependency Through microfinance and employment based solutions people who share God's heart for the poor can reorient their efforts from giving handouts to offering a hand up helping others provide for their families and regain their dignity This book provides straightforward guidance for individuals and groups eager to carry God's justice mercy and compassion to the hurting people in our world *The Political Role Of Religion In The United States* Stephen D Johnson, Joseph B Tamney, 2019-07-11 The political importance of Christian churches in the 1980s is the focus of this wide ranging book of readings Contributors begin by placing the current involvement of religious groups in politics in historical perspective and then analyze the politics and ideologies of both the religious right and religious left They also explore specific issues including the separation of church and state the impact of religious interest groups on public policy religion and abortion and feminist theological views *ThirdWay*, 1991-05 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture

Religious Human Rights in Global Perspective John Witte Jr., Johan D. van der Vyver, 2023-12-11 In this Dickensian century of human rights the world has cultivated the best of religious rights protections but witnessed the worst of religious rights abuses In this volume Jimmy Carter John T Noonan Jr and a score of leading jurists assess critically and comparatively the religious rights laws and practices of the international community and of selected states in the Atlantic continents This volume and its companion *Religious Human Rights in Global Perspective Religious Perspectives* are products of an ongoing project on religion human rights and democracy undertaken by the Law and Religion Program at Emory University

Religious Human Rights in Global Perspective John Witte, Johan David Van der Vyver, 1996-02-09 *The Beginning of a Spirit-filled Church* Herman Hendrik van Alten, 2017-11-13 How does John Calvin view the church And how does the pivotal event of Pentecost influence his view on the church In his commentary on the Acts of the Apostles Calvin shows how Pentecost and the preaching of the Gospel gives rise to the church For Calvin the new and peculiar aspect of Pentecost is articulated by the phrases I will pour out and on all flesh Acts 2:17 The first phrase I will pour out leads to a discussion of the Holy Spirit who leads the church and the believers by the Word and his secret guidance All gifts flow from the Holy Spirit

Therefore the study focuses on Calvin's view on the gifts of the Holy Spirit and on their use in church. The author argues that the gifts of the Spirit are the basis of Calvin's interpretation of Christian church. The second phrase on all flesh leads to a discussion of the inclusion of the Gentiles in the church. The author treats different ecclesiological topics of importance. He analyses the most important aspects of church that Calvin identifies in the book of Acts. His reflections are aiming at a convincing theological appreciation of the sacraments in particular of the sacrament of baptism. By addressing Calvin's thoughts as elements of his historical context and including contemporary impulses to these issues the author is able to present conclusive arguments for his main claim. Calvin's commentary on Acts enriches and qualifies Calvin's own systematic ecclesiology as found in his main doctrinal work the Institutes.

The Development of Vocational Stewardship among Indonesian Christian Professionals Sutrisna Harjanto, 2018-07-31 Christian professionals through their daily work have important roles in God's mission. However little empirical research has been done to understand their journey to connect their daily work with God's. If the church of Jesus Christ is to have the transformational impact that the world needs then we must better understand our vocations from a biblical and missional perspective. In this thorough study Dr Sutrisna Harjanto explores the formational elements of the integration of faith work and mission among Indonesian Christian professionals. From detailed semi structured interviews with twenty eight participants this study provides deeper insight into the development of vocational stewardship and the role of empowering relationships and communities. Through careful analysis and evaluation the resulting book is an educational perspective on the theology of work and mission beneficial for those in positions to equip and support Christian professionals as they work to fulfil God's mission through daily work.

The Local Church Edward W. Klink (III), 2021 In today's hyperindividualized culture the author not only demonstrates why it's vital for individuals to connect to a local church but also reveals why it's vital to God's work in the world.

The Catholic Moral Tradition Today Charles E. Curran, 1999-04-05 The Catholic tradition has always tried to explain its theology in a coherent and systematic way but the great changes and tensions existing within Catholic moral theology today have made it difficult to develop systematic approaches to what was once called fundamental moral theology. Now a leading scholar active in this field for forty years offers a synthesis of Catholic moral theology set in the context of the broader Catholic tradition and the significant developments that have occurred since the Second Vatican Council. Charles E. Curran's succinct coherent account of his wide ranging work in Catholic moral theology points out agreements disagreements and changes in significant aspects of the Catholic moral tradition. His systematic approach explores major topics in a logical development: the ecclesiological foundation and stance of moral theology; the person as moral subject and agent; virtues principles and norms; conscience and decision making; and the role of the church as a teacher of morality. Curran's work condenses and organizes a large amount of material to show that the Catholic theological tradition is in dialogue with contemporary life and thought while remaining conscious of its rich history. Of great interest to theologians for its broad synthetic scope this book is also a thorough

introduction to the Catholic moral tradition for students and interested readers including non Catholics Ecclesiology for a Digital Church Heidi A Campbell, John Dyer, 2022-02-04 What are the ecclesiological challenges and opportunities raised by technology How have developments related to the COVID 19 global health crisis impacted churches forcing a swift move to mediated and online worship And how will this change the shape churches of theological and programmatic choices for years to come Drawing together a diverse group of theologians and media scholars this volume considers the key theological question churches and religious leaders need to engage with as they look towards long term strategies involving church life and technology **Ecumenical Theology in Worship, Doctrine, and Life** David S. Cunningham, Ralph Del Colle, Lucas Lamadrid, 2000-01-06 This book presents twenty essays written in honor of the noted theologian and ecumenist Geoffrey Wainwright Cushman Professor of Christian Theology at Duke University The editors have assembled a remarkable international roster of contributors and have organized the volume around three major themes in Wainwright's work worship liturgy and mission Contributors include Nicholas Lossky Eberhard Jungel Dietrich Ritschl and Gunther Gassman

Leveling the Church Micah Fries, Jeremy Maxfield, 2020-01-07 What if the secret to pastoral success is to do less ministry Or maybe it's more like a two part secret do less ministry develop more people The typical pastor takes on far too much Who visits the hospital Who counsels couples Who teaches and preaches and disciples Usually the pastor But according to Ephesians 4 a pastor's true goal should be to equip the so called ordinary members of their church to take on these pastoral tasks Micah Fries and Jeremy Maxfield will show you how by Exposing the dangerous undercurrents that may be holding back your church culture Teaching you how to narrow your focus in order to multiply your ministry Walking you through how to delegate develop leaders and deploy your members Yes the people in those pews expect a lot from you but learn how you can manage expectations lead well and pastor biblically Not only does this approach drastically reduce the pressure on you the pastor it multiplies the effectiveness of your ministry 10 20 even 100 fold
