**The wisdom of the Freemasonry** Albert Mackey, 2021-02-04 Of the various modes of communicating instruction to the uninformed the masonic student is particularly interested in two namely the instruction by legends and that by symbols It is to these two almost exclusively that he is indebted for all that he knows and for all that he can know of the philosophic system which is taught in the institution All its mysteries and its dogmas which constitute its philosophy are intrusted for communication to the neophyte sometimes to one sometimes to the other of these two methods of instruction and sometimes to both of them combined The Freemason has no way of reaching any of the esoteric teachings of the Order except through the medium of a legend or a symbol Symbolism and Discourses on the Entered Apprentice, Fellowcraft and Master Mason Blue Lodge Degrees: Foundations of Freemasonry Series William Harvey, Albert G. Mackey, Arthur Edward Waite, H. L. Haywood, Asahel W. Gage, 2019-12-13 Prominent masonic scholars discuss the meaning and symbolism behind the three Blue Lodge degrees of Freemasonry which every mason will encounter during his initiatic journey Presented here are the essays Studies in Blue Lodge Symbolism by H L Haywood Symbolism of the First Degree by Asahel W Gage The Wages of an Entered Apprentice by William Harvey Discourse on the Fellowcraft Degree by Arthur Edward Waite The Legend of the Winding Stairs by Albert G Mackey The Third Degree Its Ornaments and Emblems by William Harvey and Soliloquy For a Master Mason

**Jesuitry in Masonry** Helena Petrovna Blavatsky, 2019-02-01 Neither the Zohar nor any other kabbalistic volume contains merely Jewish wisdom The doctrine itself being the result of whole millenniums of thought is the joint property of the adepts of every nation under the sun The Masonic commandment mouth to ear and the word at low breath is an inheritance from the Tanna m and the old Pagan Mysteries Elias Ashmole was the first operative Mason of any consequence and the last of the Rosicrucians and Alchemists That crafty learned conscienceless terrible soul of Jesuitism within the body of Romanism is slowly but surely possessing itself of the whole prestige and spiritual power that clings to it A French Parliamentary Report exposed the great moral harm inflicted in this world by the Jesuits more harm than all the fiendish armies of the mythical Satan The horrifying principles and malignant influence of the Society of Jesus is now all powerful in Rome So disgustingly licentious hypocritical and demoralizing are nearly all of their precepts that it was found impossible to put many of them in print except in a dead language Clericalism Ultramontaniam and Jesuitism are one and the same thing Catholicism The knowledge possessed by the Secret Schools whether Magian Egyptian or Jewish was derived from both sides of the Himalayas In the pre Edenic epoch to feed the hungry give drink to the thirsty clothe the naked bury the dead formed the first duty of a pious man But in recent times the spirit became too deeply buried under physical clothing to reassert its inherent purity and potency Adulterous

Catholic priests are licensed to murder husbands and commit parricide A man in the Catholic communion may do what the common law and public morality stamp as criminal and still continue in the odour of Jesuitical sanctity With what disgust may we now turn from this religious farce called modern Christianity to the noble faiths of old By Christianity we do not mean the teachings of Christ but those of his alleged servants the clergy The Egyptian Funeral Ritual was divinely inspired for it is Thoth the Deity itself that reveals to the elect the will of God and the arcana of divine things In the Egyptian notions as in those of all other faiths founded on esoteric philosophy man was not merely as with the Christians a union of soul and body his dual nature was made a trinity by the spirit glittering at the apex of physical perfection The initiates of all countries had the same mystery name Woe for the living Dead there is no hope for the spiritually dead for his glorious Augoeides have left him forever The terrible implications of this second death become apparent when the Higher Ego has severed its links with its lower but totally unworthy agent thereby any communication between the two is permanently lost And any spiritual impulses from the Higher that may have previously benefitted an individual are now discontinued Scepticism may sneer faith based on knowledge and spiritual science believes and affirms Our present cycle is pre eminently one of such soul deaths Since the sad catastrophe of the Templars no Lodge in Europe still less in America has ever known anything worth concealing The accusations against Masons have been mostly half guess work half unquenchable malice and predetermined vilification The accusations of J B Robertson levied against Masons are as malicious as they are absurd However professedly the teacher of true ethics Freemasonry has been debased into a propaganda of anthropomorphic theology Oaths will never be binding till each man will fully understand that Humanity is the highest manifestation on earth of the Unseen Supreme Deity and each man an incarnation of his God No oath is now binding unless taken by one who without any oath at all would solemnly keep his simple promise of honour Christianity has only served to show how much more hypocrisy and vice its teachings have begotten in the world since its advent and how immensely superior were the ancients over us in every point of honour There are no longer any secrets left unpublished the Order is degenerating into a convenience for selfish men to use and bad men to debase The Roman Catholics and some of the Reformed Presbyterians are our formidable enemies says Brigadier General Albert Pike Masonry instead of unfolding progressively with the intellectual advancement of scientific knowledge and general intelligence has departed from the original aims of the fraternity and is apparently inclining towards a sectarian society It is but a toy to feed the vanity of a few leaders who rejoice in ribbons and regalia Its authority as false as its antiquity The Temple was the last European secret organization which had in its possession some of the mysteries of the East It is through them that modern Masons have all they know of importance and the similarity now found between the Speculative Rites of antiquity the mysteries of the Essenes Gnostics Hindus and the highest and oldest of the Masonic degrees well prove the fact However no one could ever lay hands on the Rosicrucians their true aims are to this day a mystery Modern Masonic Templarism was hatched in a Jesuit College The present day Templars adhering strictly as they do

to the Bible can hardly claim descent from those who did not believe in Christ as God man or as the Saviour of the world True hearted honest Masons ought to reject with horror any connection with the spurious Order of Malta A Templar Prince the last depository of the secrets of the true Knights Templar was poisoned by pseudo Templars Modern Templars are mere magpies in peacock s plumes The Jesuits had accomplished but one of their designs i e denaturalizing and bringing into disrepute the Masonic Institution Having succeeded as they believed in destroying it in one form they were determined to use it in another Like Christianity Freemasonry is a corpse from which the spirit long ago fled The Word is no longer possessed by today s Masons There now follows a High Mason s strictures upon Masonry Clogged up as the Order has been by the rubbish and drift of absurd biblical legends it is no wonder that its usefulness has been impaired and its work as a civilizer hampered The temple at Jerusalem which recent arch ologists have shown to be a structure with nothing like the pretended antiquity of its erection and incorrectly called after a monarch whose name proves his mystical character Sol Om On the name of the sun in three languages plays a considerable share in Masonic mystery That bastard foundling of Freemasonry the Ancient and Accepted Scottish Rite which is unrecognized by the Blue Lodges was the enunciation primarily of the brain of the Jesuit Chevalier Ramsay Notwithstanding its many faults for speculative Masonry is but human and therefore fallible there is no institution that has done so much and is yet capable of such great undertakings in the future for human religious and political improvement But the sectarian Christian spirit in Masonry must be put down The Temple of Solomon is only an allegory The real temple can be reared without the sound of the hammer or any tool of iron being heard in the house while it is in building Throughout the countries of the Orient wherever magic and the wisdom religion are studied its practitioners and students are known among their craft as builders for they build the temple of knowledge of secret science Having acquainted himself with its mysterious contents which revealed to him the mysteries of creation the initiated became a builder himself for he was made acquainted with the geometrical figure on which the universe was built That we may not be accused of vain boasting we shall now give the keys to several of the secret ciphers of the most exclusive and important of the so called higher Masonic degrees Various hitherto secret ciphers hieroglyphs and examples of Jesuit cryptography are also revealed Jehovah is not the sacred name at all It is simply a fancy and a perversion of the Holy Name He is neither the deity worshiped by Moses nor the Father of Jesus not even the Ineffable Name of the Kabbalists He is an androgyne secondary deity But we are quite ready to show to the Lord God of Israel the same respect as we do to Brahm to Zeus and to any other secondary deity The archaic wisdom religion or the Secret Doctrine embodied in the Oriental Kabbalah did not die out with the Philaletheians of the last Eclectic school Gnosis lingers still on earth and its votaries are many albeit unknown Even the Copts the sole remnants of the true Egyptian race remain silent Had the keys to the hieratic writings and the secret of Egyptian and Hindu symbolism been known to the Christian Fathers they would not have allowed a single monument of old to stand unmutilated Many are the candidates at the doors of those who are supposed to know the path that

leads to the secret brotherhoods The great majority are refused admittance for the Rosy Crux becomes is not made     *The Masonic Ladder: Or, The Nine Steps to Ancient Freemasonry* John Sherer,1876     Look to the East - A Revised Ritual of the First Three Degrees of Freemasonry Ralph P. Lester,2007-02 This complete work of the Entered Apprentice Fellow Craft and Master Masons degrees with their ceremonies and lectures also includes the Constitution By Laws of the Lodge and Officers Installation     *Symbolism of the Three Degrees* Oliver Day Street,1924     **The Higher Degrees in Freemasonry** John Sebastian Marlow Ward,1993     The Meaning Of Masonry (Annotated Edition) W. L. Wilmshurst,2013-10-17 This most interesting and illuminative work is worthy a place on every Mason s bookshelf It seems taken for granted says the author that reception into the Order will automatically be accompanied by an ability to appreciate forthwith and at its full value all that one there finds The contrary is the case for Masonry is a veiled and cryptic expression of the difficult science of spiritual life and the understanding of it calls for special and informed guidance on the one hand and on the other a genuine and earnest desire for knowledge and no small capacity for spiritual perception on the part of those seeking to be instructed In Freemasonry as in all phases of life many are called but few are chosen Masonry is not a mere formalism but a life to be lived If you do not live the life you cannot know the doctrine Masonry is an effort to perpetuate the essential doctrines of the Ancient Mysteries but alas it does so in a very perfunctory manner So veiled are its allegories and symbols that it is almost impossible to penetrate into the Holy of Holies     *The Higher Degrees in Freemasonry* J. S. M. Ward,2014-03 This Is A New Release Of The Original 1922 Edition     The Mysteries of Free Masonry George R. Crafts,1850     *Morals and Dogma of the Ancient and Accepted Scottish Rite of Freemasonry* ,1871 *Morals and Dogma* has been described as a collection of thirty two essays which provide a philosophical rationale for the degrees of the Ancient and Accepted Scottish Rite The lectures provided a backdrop for the degrees by giving lessons in comparative religion history and philosophy Its composed by 32 chapters 1 per degree in the masonic ranks of the southern jurisdiction the 33 being the only exception These chapters generally consist of Comparative Religion Philosophy Comparative Etymologies Symbolism And Numerology The primary themes are the Secrets or the Great Mysteries and their symbolism rituals     Third Degree - Its Ornaments and Emblems William Harvey,2004-04-01     **More Light** H. W. Sander,2011-05-01     **The Mysteries of Freemasonry (Annotated Edition)** William Morgan,2013-10-17 Morgan s book belongs to the basic manuals every Mason should read It does not only give deep insights on the rituals and practice of Freemasonry but also contains all the Degrees of the order conferred in a master s lodge all the Degrees conferred in the Royal Arch Chapter and Grand Encampment of Knights Templars Knights of the Red Cross of the Christian Mark and of the Holy Sepulchre as well as the Eleven Ineffable Degrees conferred in the Lodge of Perfection and the still higher degrees of Prince of Jerusalem Knights of the East and West Venerable Grand Masters of Symbolic Lodges Knights and Adepts of the Eagle or Sun Princes of the Royal Secret Sovereign Inspector General etc
