

A man, on the contrary, should he not know everything, excel in manifold activities, initiate you into the energies of passion, the refinements of life, all mysteries? But this one taught nothing, knew nothing, wished nothing. He thought her happy; and she resented this easy calm, this serene heaviness, the very happiness she gave him.

Peter, not an Initiate, was the enemy of Paul Helena Petrovna Blavatsky, 2018-04-03 Peter and Paul are archetypes of two Opposing Powers in Christianity The Secret Doctrine preached by Jesus has been disfigured by the Fathers beyond recognition What the Fathers fought for was not Truth but their own interpretations and unwarranted assertions From the early days of Marcion of Sinope the primitive Church has been split into two opposing parties one viewing Christianity as a Hebrew institution and law a narrow faction and extension of Judaism the other striving to replace Mosaic law with universal compassion and true brotherhood Peter was the representative of the former Paul of the latter The mission of Jesus according to Marcion was to abrogate the Jewish Law who was opposed to the God and Father of Jesus Christ as Matter is to Spirit impurity to purity The Apostle of Circumcision made his mission to persecute the Apostle of the Gentiles After denying the very existence of Simon Magus the Roman Church merged his individuality entirely in that of Paul whose Epistles were secretly as well as openly calumniated and opposed by Peter and charged with containing dysharmonic learning Saul in the flesh was the function and parallel of Christos Paul freed from earthly obligations the function and parallel of Jesus Christos becoming Christos in spirit Unlike Jesus Christos Paul revoked openly the Jewish law of circumcision For Paul Christ was not a person but an embodied ideal Paul was a Nazar a Chaldean Theurgist He was a Master Builder an Adept in a Kabbalistic Theurgic and Masonic sense That is why he was so persecuted and hated by Peter John and James Whoever else might have built the Church of Rome it was not the Apostle of the Circumcision The assertion that hen hearted Peter suffered martyrdom at Rome is the greatest of all Patristic frauds Scared at the accusation of the servant of the high priest the apostle had thrice denied his master The extraordinary forgeries of the Fathers have been plainly demonstrated by diligent research and the power of informed logic Did you know that the first fifteen Christian bishops of Jerusalem commencing with James and including Judas were all circumcised Jews Who was the Peter who invented a burning hell and threatened every one with it Who promised miracles but worked none The controversy sparked by the death of Jesus between the Petrine and the Pauline sects was deplorable What one did the other vowed to undo His chair was not apostolical either it had been plagiarised from old initiatory rites There were two chairs of the titular apostle at Rome But the chair holder was conspicuous by his absence Why Because the real Chair of Peter was sacred rather than apostolical the Fathers had plagiarised a chair occupied by the Hierophant during initiations when showing to the candidate the last revelation set in two tablets of stone That was how Popes appointed themselves successors to the title of Peter The Roman Church has attempted to connect the leader of the Apostles with the initiatory stone tablets or Petroma and appointing him vicar of Christ on earth and first Pope Thus Popes have gained the right to call themselves successors to the title of Peter but hardly successors to the doctrines of Jesus While the old Aramaic Patar or Peter would connect master and disciple with the Secret Doctrine any connection of the Seat of Peter with Petroma at the Supreme Initiation is far fetched Paul is the real founder of Christianity Peter never had anything

to do with the foundation of the Latin Church Peter the Apostle and Petroma are miles apart The former represents matter and spiritual darkness the latter the Spirit of Christos within the heart of everyman Peter never lost an occasion to contradict Paul without naming him but indicating him so clearly that it was next to impossible to doubt whom he meant Peter and Paul epitomise the two Opposing Forces of the Universe It is doubtful whether either of these men were historical figures This awful and ugly state of Christianity has been cunningly preserved from too close scrutiny by an array of formidable Church penances and anathemas which kept the curious back under the false pretence of sacrilege and profanation of divine mysteries millions have been butchered in the name of the God of Mercy Paul had been converted not to the Jesus of Nazareth but to the Christos of the Gnostics In his Epistles he has been made to fulminate against the heretics but these heretics were actually Peter James and the other Apostles The Christos of Paul is the same Christos who directs our occult movement One who believes in Paul cannot believe in James Peter and John For what Paul preached was preached by every other mystic philosopher The author of the fourth evangel was not John the friend and companion of Peter whom he contradicts point blank in chapter i verse 18 Even the Romish monastery and nunnery are servile copies of similar religious houses in Thibet and Mongolia One legacy of the Roman Church and seed of its own demise was the fabrication of an anthropomorphic god Another was the passports to heaven bearing an image of Peter holding the keys to paradise *Was Sir Edwin Arnold an Initiate?* Helena Petrovna Blavatsky,2018-03-17 Nothing provided **The Initiate Brother Duology** Sean Russell,2013-07-02 Sean Russell s acclaimed duology The Initiate Brother and Gatherer of Clouds together in one omnibus edition for the first time Plague and warfare have swept across the ancient kingdom of Wa devastating the royal line and leaving a new dynasty on the throne a new Emperor Akantsu filled with fear of all who might seek to wrest the Empire from his grasp Among those out of favor with the new liege is the Order of the Botahist Monks whose mystical powers have enabled them to hold positions as Spiritual Advisors to the Imperial court for nearly ten centuries But Emperor Akantsu fears none so greatly as he does Lord Shonto the brilliant leader of the most important of the old families whose influence could rally the Great Houses against the throne and whose adopted daughter the beautiful and talented Lady Nishima is the last surviving member of the old royal family Sent to be military governor of a northern border province long threatened by barbarian invaders Lord Shonto knows he is being lured to his death But Akantsu has underestimated his foe for not only is Lord Shonto the greatest military genius of the age but he has with him a Spiritual Advisor from the Botahist Order a young man gifted with extraordinary martial arts skills and magical abilities Initiate Brother Shuyun And even Lord Shonto does not realize the true potential of this young monk Only time will reveal that Shuyun s magical powers have not seen their equal in nearly a thousand years not since the Perfect Master himself walked the paths of the Empire **The Tragedy of Reason** David Roohnik,2021-04-13 The classical conception of reason or logos has been repeatedly attacked in the modern era Its enemies range from Descartes who complains that logos is not sufficiently useful or precise to Derrida who hopes to liberate

Western thought from its bondage to logocentrism At least since the time of Nietzsche Plato has been damned as the chief architect of the classical conception of logos He is accused of overvaluing reason and thereby devaluing the other more human aspects of life As it was originally formulated in Nietzsche's *The Birth of Tragedy* Plato has been taken to be the arch enemy of tragedy which for Nietzsche was the most life affirming of all the art forms of Greek culture Originally published in 1990 *The Tragedy of Reason* defends Plato against his accusers Employing a mode of exposition which exhibits Plato's position Roochnik presents the Platonic conception of logos in confrontation with texts by Homer Hesiod Heraclitus Aristotle Descartes Porty and Derrida In clear language unencumbered by technical terminology Roochnik shows that Platonic conception of logos is keenly aware of the strength of its opponents The result is a presentation of Plato as a tragic philosopher whose conception of logos is characterized by an affirmation of its own limits as well as its goodness
