The Aesthetic Pleasures of Girl Teen Film Samantha Colling, 2017-07-27 What is fun about the Hollywood version of girlhood Through re evaluating notions of pleasure and fun The Aesthetic Pleasures of Girl Teen Film forms a study of Hollywood girl teen films between 2000 2010 By tracing the aesthetic connections between films such as Mean Girls Waters 2004 Hairspray Shankman 2007 and Easy A Gluck 2010 the book articulates the specific types of pleasure these films offer as a means to understand how Hollywood creates gendered ideas of fun Rather than condemn these films as guilty pleasures this book sets out to understand how they are designed to create experiences that feel as though they express desires memories or fantasies that girls supposedly share in common Providing a practical model for a new approach to cinematic pleasures The Aesthetic Pleasures of Girl Teen Film proposes that these films offer a limited version of girlhood that feels like potential and promise but is restricted within prescribed parameters

**The Innocent and the Playboy** Sophie Weston, 1997 He is a heartbreaker and should leave a baby like you alone These words had echoed around eighteen year old Rachel's head as she watched Ricky mix with some of the world's most beautiful people at the luxurious Villa Azul At first he had seemed more approachable than the sophisticated crowd but she had been deceived he was no better than the rest He was nothing more than a playboy bent on seduction She had escaped him then but now nine years later Riccardo di Stefano was the head of the multinational empire threatening to take over Rachel's company She was no longer an innocent he had made sure of that but was he still the consummate playboy

**Enchanted by the Sword: Love and Magic** 6 Valentine Liang, 2024-08-22 **Shy Innocent in the Spotlight** Melanie Milburne, 2021-09-28 Swapping places with her sister will have scandalous and red hot results in this passionate contemporary romance by USA TODAY bestselling author Melanie Milburne Out of the shadows into the billionaire's arms Elspeth Campbell's sheltered existence means she's hesitant to swap places with her exuberant twin for a glamorous wedding But the social spotlight is nothing compared to the laser focus of Mack MacDiarmid's undivided attention Having witnessed his father's double life cynical Mack's certain the supposed socialite isn't who she seems And when she's embroiled in a scandal not of her making he tells Elspeth the pretense is up He longs to show her she's already the strong sexy woman she wants to be but is that all Mack can offer From Harlequin

Presents Escape to exotic locations where passion knows no bounds Read all The Scandalous Campbell Sisters books Book 1 Shy Innocent in the Spotlight Book 2 A Contract for His Runaway Bride Witchcraft Dialogues George C. Bond, Diane M. Ciekawy, 2001 Witchcraft Dialogues analyzes the complex manner in which human beings construct experience and think about the occult It brings together anthropologists philosophers and sociologists from diverse social and cultural backgrounds to engage the metaphysical properties of witchcraft and sorcery and to explore their manifestations in people's lived experiences While many Africanist scholars shun the analysis of witchcraft as an appropriate domain of investigation the experiences thoughts activities and powers that witchcraft encompasses have become increasingly the source of interest

and debate Concepts of witchcraft and the phenomena to which they are applied express something fundamental to the human condition and have their equation in the logic of other human practices such as racism and its various crafts Thus the focus on witchcraft is not just a concern with the occult but a manifestation of the convergence of interest in mediating and transcending disciplinary domains The contributors to this volume embrace the challenge of exploring witchcraft as a mode of experiencing and explaining human circumstances as well as confronting the limitations of their own intellectual traditions and paradigms The range of their explorations takes us in new directions making use not only of their academic training but also of their personal experiences to reframe the conceptual terrain of the occult and the epistemological orientations of their various academic fields of inquiry
