The Innocent Man Script Cui Bono To Whose Advantage:

The Innocent Man Script T. Mack Durham, 2000-07-28 Over 200 million Americans disbelieve the Warren Commission Report's conclusion that Lee Harvey Oswald was a lone demented gunman T Mack Durham's suspense thriller reveals the identities of those with a motive to kill JFK Based upon historically factual evidence *The Faces of Lee Harvey Oswald* Scott P. Johnson, 2013-10-29 The Kennedy assassination has produced a number of conspiracy theories based largely upon intriguing questions speculation and inference Thousands of books and articles have been written about the assassination with a large majority of the published material arguing for a conspiracy of one kind or another However a relatively small volume of literature has been written from a scholarly and academic perspective *The Faces of Lee Harvey Oswald* provides the first comprehensive scholarly analysis of Lee Harvey's Oswald's role in the JFK assassination Scott P Johnson objectively examines the various narratives of Lee Harvey Oswald created by researchers and authors over the last fifty years He finds that at first glance any theory related to Oswald's role appears as convincing as the next particularly when researchers carefully select information that only advances their preferred theory In reality however Oswald's role in the assassination offers little certainty when one looks at the mystery surrounding Oswald's life and death as well as the complexity and ambiguity surrounding the murder of President Kennedy Rather than putting forth a single theory Johnson lays out the known facts against each theory and allows the readers to make their own decision *The Assassination Chronicles*, 2001
