The Inshine Girl:

The Inshine Girl Hilton, Margery, 1973 **The Velvet Touch** Margery Hilton, 1979 *Paradise* Deepali Kanadkar
Govind, We live in two worlds One is outer world where everything is in action and the other is inner world where everything is getting created our thoughts Outer worlds have lots of challenges and so many things to accomplish but in Inner world we create everything that is going to happen in outer world Everything that is happening outside is first created in our mind in our thoughts Good or Bad Paradise is not just the happy world outside having all facilities all privileges all material things Though nothing wrong in having everything but considering it the world is where we are mistaken Outer situations will come every moment but it is up to us how we look at the things in our inner world What we say to our selves decides how we are going to approach to the situation or deal with it In worst situation we can be calm and peaceful and deal with the situations very elegantly but sometimes in pleasant situations we are arrogant or restless and we ruin the situation Its upto us how we see the things We influence the situation rather than situations or people lead or influence us Way of a Man Margery Hilton, 1982 Way Of A Man by Margery Hilton released on Mar 25 1982 is available now for purchase **Snow Bride** Margery Hilton, 1980 Snow Bride by Margery Hilton released on Mar 25 1980 is available now for purchase Murder at the Bad Girl's Bar and Grill N. Patell, 2011-06-09 It's October 1977 and the Rolling Stones are in a Paris recording studio They're under siege Keith Richards's legal troubles after his arrest for heroin possession threaten the band's future and the broad consensus among rock aficionados is that the band will never again reach the heights of *Exile on Main Street* But Mick Jagger is writing lyrics inspired by the year he has just spent in New York City where he was hanging out with the punks at CBGB and with the glitterati at Studio 54 And new bandmember Ron Wood is helping Richards recapture the two guitar groove that the band had been missing since the Brian Jones era The result *Some Girls* the band's response both to punk rock and to disco an album that crackles with all the energy decadence and violence of New York in the 1970s Weaving together the history of the band and the city Cyrus R K Patell traces the genesis and legacy of the album that Jagger would later call the band's best
